Weave magic into your knits with the first-ever Disney Tim Burton's *The Nightmare Before Christmas* knitting guide, featuring more than 25 patterns inspired by the strange and spooky characters of Tim Burton's beloved classic. Become your own mad scientist and knit to life the quirky characters and creepy costumes inspired by Disney Tim Burton's *The Nightmare Before Christmas*. Inspired by the characters of Jack Skellington, Sally, Dr. Finkelstein, Zero, Oogie Boogie, the Mayor, Sandy Claws, and more, these patterns feature a mix of dark and vibrant knits and glow-in-the-dark yarn in celebration of the melding of Halloween and Christmas in this classic film. Oogie Boogie and Zero stuffies come to life with the help of your knitting needles, and clothing, home décor, holiday decorations, and more will transport you to the moonlit hills, dark cemeteries, and eerie cobblestone streets of Tim Burton's stop-motion world. Featuring more than 25 wickedly creative knits pictured in stunning full-color photography, this book includes patterns suited for beginner and advanced knitters alike. Patterns for Sally's slouchy socks and Sandy Claw's Christmas stocking are ideal for new knitters, while more advanced projects like Sally's patchwork dress will satisfy longtime crafters. Plus, this book includes original sketches, film stills, and other behind-the-scenes goodies that are sure to satisfy the most die-hard of Tim Burton fans.

The Twelve Knits of Christmas Good Press

"Love penguins? Love knitting? This is the book for you! There are 11 creative projects to cast on, from hats to cardigans to a cuddly toy. Anna Maltz has come up with playful, clever and contemporary designs, all inspired by penguins: their striking plumage, caring nature and (of course) the way they can withstand the cold. Any average knitter with an adventurous spirit can give these projects a go. The step-by-step patterns are interspersed with stories, photography and illustrations from Anna's creative community. PENGUIN - A Knit Collection is so much more than a practical guide, it's a pleasure to dive into. Banish boredom, cast on and join a community of knitters who are making the world more interesting with every stitch."--Publisher's description.

Summer Knitting for Little Sweethearts K and J Publishing

Best-selling knitting author Sue Stratford has designed twelve fantastic Christmas sweaters - six for adults and six for children - in this fun and festive book. One basic sweater pattern is provided in eight different sizes - four for adults and four for children, each with its own pattern and with both US and UK yarn names and needle sizes provided. There are six eye-catching motifs to decorate the adult sweaters and six matching motifs for the children's sweaters, including some fun, novelty designs that will appeal to the current trend for holiday sweaters such as a jolly Santa Claus,

snowman and a tasty Christmas pudding, as well as traditional winter classics such as festive forest trees and a traditional Nordic Fair-Isle design that will stand the test of time. Each motif is accompanied by large, easy-to-follow charts printed on 24 fold-out sheets in the centre of the book. These can be removed for easy reference, then stored in the handy pocket at the back of the book so there is no chance of them getting lost. The sweaters are all knitted in Aran yarn with large needles, so they knit up quickly and easily into soft, cosy sweaters that will keep the whole family warm on cold winter days.

the perfect knits every time. Each of the delightful patterns tells its own Moomin tale: The Hemulen Collecting Flowers pattern whisks you away on a floral adventure The 'Dancing in the Rain' socks transport you to a playful and carefree moment in Moominvalley Cozy up with the 'Happy Sniff' socks that capture Sniff's contentment and joy The Moominhouse design invites you into the cozy embrace of the Moomin household itself: agreeable Moomintroll, pensive Moominpappa, calm, caring Moominmamma, timid Sniff, and fearless Little My When it's time to unwind, let the 'Zzzz... time for a snooze' pattern lull you into a state of tranquility Whether you're curled up with a well-loved copy of Finn Family Moomintroll, or exploring the great wide world, these socks will keep you and your family cozy and warm. More about the Moomins: The Moomins are the central characters in a series of books and comic strips by Swedish-speaking Finn Tove Jansson (1914-2001), a painter, illustrator and writer. The Moomins are a family of white and roundish fantastical characters, with large snouts. After the first Moomin story published in 1945, Tove Jansson went on to write another eight books, four picture books and numerous comic strip stories about the Moomins. The Moomins have inspired numerous television series, films and theme parks. There is a podcast devoted to Moomins hosted by Lily Collins and Jennifer Saunders - the Moomin Phenomenon podcast, which launched in March 2023. Moomins are a beloved heritage brand; the first book of eight was published (in Swedish) in 1945 and since then, have sold millions of copies worldwide, in over 40 languages.

Jorid Linvik's Big Book of Knits for Kids Simon and Schuster

Olaf Stapledon (1886-1950), philosopher, novelist, educator, and social activist had an imagination unlike that of any other figure in modernist literature. Along with H.G. Wells he is remembered as one of the most original and influential pioneers of twentieth-century science fiction. This first

broadly inclusive anthology of Stapledon's work offers a generous sampling of his fictional gems, including sections of his best known novels, Last and First Men, Odd Men, and Star Maker, and the complete text of two novellas, now back in print for the first time in fifty years, The Flames and Old Man in New World, as well as a selection of other writings, some previously unpublished, including essays, poems, and letters. These writings reveal the prophetic vision and utopian convictions that run through Stapledon's work, and provide the broad context readers need to grasp the scope of his vision and to appreciate his great epic works, which are classics of science fiction.
