## TRINITY LEVY

### Six Drawing Lessons

Houghton Mifflin Harcourt

The essay seeks to establish illness as a serious subject of literature along the lines of love, jealousy and battle. Woolf writes, "Considering how common illness is, how tremendous the spiritual change that it brings, how astonishing, when the lights of health go down, the undiscovered countries that are then disclosed, what wastes and deserts of the soul a slight attack of influenza brings to light...it becomes strange indeed that illness has not taken its place with love, battle, and jealousy among the prime themes of literature." Adeline Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer, and one of the foremost modernists of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a central figure in the influential Bloomsbury Group of intellectuals. *Learn to Play Guitar* Hal Leonard Corporation  
In recent years, calls for

reparations and restorative justice, alongside the rise of populist grievance politics, have demonstrated the stubborn resilience of traumatic memory. From the transnational Black Lives Matter movement's calls for reckoning with the legacy of slavery and racial oppression, to continued efforts to secure recognition of the Armenian genocide or Imperial Japan's human rights abuses, international politics is replete with examples of past violence reasserting itself in the present. But how should scholars understand trauma's long-term impacts? Why do some traumas lie dormant for generations, only to surface anew in pivotal moments? And how does trauma scale from individuals to larger political groupings like nations and states, shaping political identities, grievances, and policymaking? In *From the Ashes of History*, Adam B. Lerner looks at collective trauma as a foundational force in international politics--a shock to political cultures that can constitute new actors and shape decision-making over the long-term. As Lerner shows, uncovering

collective trauma's role in international politics is vital for two key reasons. First, it can help explain longstanding tensions between groups--an especially relevant topic as scholars examine the transnational resurgence of nationalism and populism. Second, it pushes the discipline of International Relations to more completely account for mass violence's true long-term costs, particularly as they become embedded in longstanding structural inequalities and injustices. While IR scholarship has largely dismissed non-systematic, latent phenomena like trauma, Lerner argues that collective trauma can help draw the lines between international political groups and frame the logics of international political action. Drawing on three historical cases that uncover the impact of collective trauma in Indian, Israeli, and American foreign policymaking, *From the Ashes of History* demonstrates the broad utility of collective trauma as a theoretical lens for investigating how mass violence's legacy can resurge and dissipate over time.

**Perfect Sheet Music for**

**Alto Sax and Piano** Hal Leonard Corporation (Instrumental Solo). Sheet music for Ed Sheeran's hit "Perfect" arranged for violin and piano as well as violin solo.

**ON BEING ILL** Frances Lincoln Childrens Books (Instrumental Solo). Sheet music for Ed Sheeran's hit "Perfect" arranged for flute solo as well as flute and piano duet.

**Bohemia Beach** Hal Leonard Corporation Over the last three decades, the visual artist William Kentridge has garnered international acclaim for his work across media including drawing, film, sculpture, printmaking, and theater. Rendered in stark contrasts of black and white, his images reflect his native South Africa and, like endlessly suggestive shadows, point to something more elemental as well. Based on the 2012 Charles Eliot Norton Lectures, *Six Drawing Lessons* is the most comprehensive collection available of Kentridge's thoughts on art, art-making, and the studio. Art, Kentridge says, is its own form of knowledge. It does not simply supplement the real world, and it cannot be purely understood in the rational terms of

traditional academic disciplines. The studio is the crucial location for the creation of meaning: the place where linear thinking is abandoned and the material processes of the eye, the hand, the charcoal and paper become themselves the guides of creativity. Drawing has the potential to educate us about the most complex issues of our time. This is the real meaning of "drawing lessons." Incorporating elements of graphic design and ranging freely from discussions of Plato's cave to the Enlightenment's role in colonial oppression to the depiction of animals in art, *Six Drawing Lessons* is an illustration in print of its own thesis of how art creates knowledge. Foregrounding the very processes by which we see, Kentridge makes us more aware of the mechanisms—and deceptions—through which we construct meaning in the world.

### **The Athenaeum**

Clarkson Potter (Instrumental Solo). Sheet music for Ed Sheeran's hit "Perfect" arranged for alto sax and piano as well as alto sax solo.

*Songwriter's Market* Harvard University Press This work has been

selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain" in the United States of America, and possibly other nations. ### **From the Ashes of History**

Hal Leonard Corporation (Easy Piano). An easy piano arrangement with lyrics of Ed Sheeran's hit single. Easy Piano folios provide musically satisfying arrangements for anyone with a few years of experience at the piano and beyond. These simplified presentations include original bass lines, chord progressions, syncopation, and lyrics - everything you need to enjoy playing your favorite songs right away.

*Dancing Times* Hal Leonard Corporation Paradise Atop the Hudson revisits a time when life was simpler, albeit the definitive baptism under fire for the novel's saintly protagonist, Adam Sean Furano, whose life is turned upside-down after he is ferociously bullied after being set up by a friend who is envious of his loving family. The fictional work is set in Fairview, New Jersey (a small town located directly across from Manhattan) during the late 1960s and early 1970s, and lovingly recreates a community known for the closeness of its residents and year-long events, including the San Paolino Italian Feast, the Firemen's Bazaar, parades, fireworks, and a remarkable community fabric that brings together so many families and individuals via the churches, schools, eateries, entertainment venues, sporting leagues, Scout troops, local mischief, the town library and stores. The novel further examines the era through the period's popular music, movies, television shows and sports, and there is a constant interplay between good and evil, emboldened by the use of

Catholic symbolism. Though the novel's main characters and many events are fictional, some supporting characters are real-life and are identified, and at the end of the story, a massive "Who's Who?"-styled acknowledgment appendix pays tribute to past and present residents of Fairview and Cliffside Park, as well as many other authors, bloggers and online friends of the writer who have impacted him in various ways. A section on those residents who have passed on far too young, and a section of names completes this homage to a special place, where growing up was a privilege. The novel's critical occurrence takes place at Palisades Amusement Park in Cliffside Park. Waltzes W. W. Norton & Company One of The New Yorker's Fifteen Essential Cookbooks "The most entertaining cookbook in memory...A game changer." —Anthony Bourdain While other chefs paid dues on restaurant lines and at cooking schools, Brooks Headley was in the back of a tour van as a drummer in much-loved punk bands that never

made a dime. Now executive pastry chef at New York's Del Posto restaurant, Headley creates unorthodox recipes that echo his unconventional background: fruit is king, vegetables are championed, acidity is key, and simplicity is the goal. With 97 recipes and more than 100 photographs, Brooks Headley's *Fancy Desserts* has six chapters: "Fruit," "Vegetables," "Grains and Flours," "Chocolate," "Seeds and Nuts," and "Dairy." Recipes range from verjus melon candy to tofu chocolate crème brûlée, fruit sorbet to eggplant and chocolate, showcasing Headley's unique perspective on ingredients and methodology. Guest contributors include essayist Sloane Crosley and award-winning chefs Gabrielle Hamilton and David Kinch. Brooks Headley's *Fancy Desserts* is an essential, inventive addition to the shelf of both home cooks and professional chefs. Night of the Gargoyles Andrews McMeel Publishing (Instrumental Solo). Sheet music for Ed Sheeran's hit "Perfect" arranged for cello solo and cello and piano duet.

*Perfect Sheet Music for Clarinet and Piano* Hal Leonard Corporation  
Catherine Bell, a famous concert pianist, is struggling to hold on to her career in a competitive international arena that spans the classical music capitals of the world. After a disastrous show in Copenhagen, Cathy is about to attempt her first concert performance without alcohol in Prague when her marriage implodes, her terminally ill, Czech-born mother goes missing from her London hospital, and a much needed highly paid recording deal falls through. Cathy finds herself coping in the only way she knows how: grasping a glass of forbidden pre-performance champagne and flirting with Tomas, a stranger in a Prague nightclub. While her therapist Nelly advises her to abstain, Cathy's relationship with drink, and Tomas, draws her deep into a whirlpool of events as mysterious, tense and seductive as Prague itself. Justine Ettler's discipline in the writing is as controlled as Cathy is out of control – the novel brilliantly references classics such as *Wuthering Heights* –

and as with Rachel in *The Girl on a Train* the reader is drawn into the protagonist's predicament with moving, palpable intensity. *Bohemia Beach* is an edge of your seat ride, a compelling story of addiction, passionate love and the power of art. It heralds the return of one of Australia's most distinctive authors. 'Ettler is back after twenty years and the wait has been worth it. This is a mesmerising story of art and addiction – the author at her provocative best.'  
Nikki Gemmill

Musaicum Books  
(Instrumental Solo). Sheet music for Ed Sheeran's hit "Perfect" arranged for clarinet and piano as well as clarinet solo.

**Perfect Sheet Music for Violin and Piano** Hal Leonard Corporation  
Mike's summer daydream may be the only place we'll ever hear a thorough mea culpa from Dubya. But while mistakes have been made, lessons have been learned, even in the White House, where the Abramoff scandal inspires an official Ethics Refresher Course: "Right, good. Wrong, bad." The president seeks to clarify: "Invasions are still okay, though. Right?" And through these troubled

times, how does 43 sleep at night? Alas, not well. "It's the stem cells. I hear their cries." Heckuva job. Roland's ubiquitous epaulets have recently come home from Rummyworld, "that vast, tumultuous terrorist theme park that used to be known as Iraq." At its chaotic outer edges, in al-Amok, Proconsul Duke survives numerous assassination attempts and the alleged courting of his sidekick by Iraqi suitors. But the serious new action is in New Orleans ("Looting, graft, profiteering -- it's all about the skill set, Honey") and Team Duke, like Halliburton, embarks for the Golf Coast, and sets up a command post on a FEMA-provided cruise ship. Elsewhere on the home front a fully-prostheticized B.D. is increasingly ambulatory, yet finds the struggle to reclaim his mind and emotions is by far the harder part of his journey. The collateral casualty count continues to rise as Zonker is forced to make a traumatic foray into the job market. The option-aware Alex launches an ambitious seven-school college tour, including Walden, where she is clued to her father's unbuttoned-down past.

"You were a communist?"  
 "That commundard!" When  
 campus total-insiders Jeff  
 and Zip give her the  
 ultimate tour, both are  
 smitten by gal  
 Doonesbury's formidable  
 charms: "So how hot is  
 she?" "Easy, Dude, that's  
 my future wife."

Heckuva Job, Bushie!

This collection of essays  
 offers an overview of the  
 range and breadth of  
 Platonic philosophy in the  
 early modern period. It  
 examines philosophers of  
 Platonic tradition, such as  
 Cusanus, Ficino, and  
 Cudworth. The book also  
 addresses the impact of  
 Platonism on major  
 philosophers of the  
 period, especially  
 Descartes, Leibniz, Locke,  
 Shaftesbury and Berkeley.  
*The Phonoscope* Legare  
 Street Press

"We loved the book. The  
 information was well  
 paced and concise  
 enough not to overwhelm.  
 Any beginner would

definitely benefit from  
 having this book, and it's  
 a great reminder for those  
 who might have forgotten  
 details or are looking for  
 them." -- Nimal De Silva,  
 The Music Garage  
 (Singapore) "Plenty of  
 detail that goes into  
 posture, hand position,  
 thumb position, etc. The  
 notation and strumming is  
 really good here because  
 it builds up in stages. In a  
 lesson, you can introduce  
 it in this way piece by  
 piece and not overwhelm  
 the student." -- Michael  
 Hanna, Grade 8 RS.Guitar  
 - Larne Guitar School  
 (N.Ireland) Learn to Play  
 Guitar is comprehensive  
 and clear with over 180  
 photographic examples,  
 illustrations and purpose  
 made diagrams. This  
 guitar book includes 42  
 downloadable mp3 tracks  
 of full band demo and  
 backing track with the  
 guitar removed for you to  
 play over. Learn to Play  
 Guitar bridges the gaps  
 explaining guitar  
 techniques that can be  
 taken for granted by more  
 experienced guitar  
 players. Melodies: To get  
 you straight into playing  
 music, numbers have  
 been added underneath  
 guitar tablature to assist  
 with the rhythm. Later on,  
 the rhythmical aspect of  
 conventional music  
 notation is covered so you

can use it in conjunction  
 with tablature. Rhythm  
 Guitar: Changing between  
 chords and strumming are  
 presented as separate  
 subjects initially, so that  
 you can develop  
 coordination in each hand  
 independently. They are  
 then brought together  
 starting basic and getting  
 more advanced until there  
 is a rhythm guitar musical  
 piece to play. Music  
 theory: The major scale,  
 minor scale, major and  
 minor pentatonic scales  
 and basic major and  
 minor chord construction  
 are explained in terms of  
 the fret-board and  
 reinforced by musical  
 pieces in various styles to  
 make the learning process  
 practical and enjoyable.  
 What else?: Fret-board  
 layout, power chords,  
 barre chords, how to  
 string a guitar, how to  
 practise guitar, palm  
 muting and basic lead  
 guitar techniques. Please  
 Note: The eBook includes  
 musical pieces so is not  
 suitable for smaller  
 screens. "This top value  
 eBook and MP3 package  
 covers a wide range  
 topics essential for all  
 guitarists. Over 100 pages  
 with plenty of information  
 and solid advice that a  
 player can dip into as  
 needed. Evans does not  
 gloss over the often  
 neglected area of reading

notation for rhythm. There are many examples to practice (melodies and rhythm patterns) with the backing tracks. I was especially interested in the final section of exercises to keep your body guitar-ready. A very useful tool to help you progress with your guitar playing." -- Hedley Timbs BA(Mus), Grad.Dip. Teaching (New Zealand)

"Awesome. Well laid out, easy to look at and there is the supplemental material to top it off. The theory may get tedious for some, it's hard to not teach theory but most people seem to have an aversion to it, the idea of discipline I think." -- Gernot Schlegel, Professional Guitarist & Teacher (Canada)

"There's two ways of learning the guitar - the first is to learn enough of the basics to fly towards playing your favourite songs competently, and the second is to intensively gain an understanding of the instrument by forming a solid foundation through taking your time with it in the early stages. The book titled "Learn to play Guitar" by Gareth Evans is of the latter approach. Through reading and learning from this book, players can discover a

deep, extensive and in-depth approach to the technique, theory and everything else related to being a good beginner guitarist. Newcomers can learn positive and productive exercises to train their body to better play the guitar (not just their fingers) and across the 120 or so pages within, it's clear that the writer has put a lot of time into figuring out the right approach for starters to take when adjusting to the standard 6-string. Would recommend this for anyone who is looking to get a really solid grip on how to play the guitar, and also to tutors who are looking at ways to improve their own tutoring abilities." -- Logan Ellis, Mgr. Spiderhands Productions Ltd (New Zealand)

"Learn to play Guitar is an ideal companion to support the beginner on their new found musical journey. Highly recommended." -- Liam Cain, BMus (hons) Professional Guitarist (UK)

**Perfect Sheet Music - Easy Piano Arrangement** Hal Leonard Corporation

The Political Mel Brooks analyzes both Mel Brooks's more popular films and his lesser known work to explore how his use of parody and satire,

his keen sense of the history of Jewish comedic conventions, and his deep awareness of social issues encompasses a political project that, while often implicit, nonetheless speaks to the enduring political and social impact of his films. Brooks's work often employs a nuanced political style that acts as a social commentary against those in power and in favor of oppressed and misunderstood persons. This volume emphasizes Brooks's political legacy and his masterful use of parody and satire to craft sophisticated political critiques of dominant culture. Contributors illustrate in a practical and accessible way how to explore how comedic films and television series can employ parody and satire not just to mock generic conventions, but also dominant political ideologies. Scholars of media, film, pop culture, political science, and communication studies will find this volume especially useful.
