The first book in the Torn Series. Chloe hasn't had the easiest childhood. With a mother who was absent most of the time, she practically had to raise herself. Determined to start a new life and leave her demons behind, she heads to West Virginia University with her best friends Amber and Logan. On the first day of classes, she spots a student who takes her breath away. Drake is a pierced, tattooed bad boy, and no matter how hard she tries

to fight it, he's all she can think about. Drake has never cared about anyone other than himself, but when Chloe grabs the empty seat next to him in class, he is instantly drawn to her. Drake is left wondering whether this girl can take his cold, womanizing heart and alter him forever.

Developing feelings for each other was never a part of their plan, and when it happens, things do anything but fall into place. Long-hidden emotions are revealed and friendships are tested to the brink as Chloe and Drake become helplessly entwined in each other's love.

Read the book that Kirkus

Review called: "A complex, witty page-turner, ideal for YA fans of scandal and romance." Seventeen-year-old Isis Blake hasn't fallen in love in three years, nine weeks, and five days, and after what happened last time, she intends to keep it that way. Since then she's lost eighty-five pounds, gotten four streaks of purple in her hair, and moved to Buttcrack-of-Nowhere, Ohio, to help her mom escape a bad relationship. All the girls in her new school want one thing—Jack Hunter, the Ice Prince of East Summit High. Hot as an Armani ad, smart enough to get into Yale, and colder than the Arctic, Jack Hunter's never gone out with anyone. Sure, people have seen him downtown with beautiful women, but he's never given high school girls the time of day. Until Isis punches him in the face. Jack's met his match. Suddenly everything is a game. The goal: Make the other beg for mercy. The game board: East Summit High. The reward: Something neither of them expected. The Coincidence of Callie and Kayden Entangled: Teen

Emma is content. She's got a promising career in front of her, great friends, and a pretty amazing family. But her love life has been a little lacking lately. That's when fate steps in, and she crashes into a tall, dark and

handsome man--Teren Adams. He's single, successful, an extraordinary gentleman, but he's also secretive. And some of his secrets are more unusual than most people's. For instance, he's a "little bit" vampire. He has fangs, incredible hearing, unbelievable speed, and, on occasion, he enjoys drinking a steaming cup of blood. But he's also very much alive. He has a heartbeat, loves steak as well as cappuccinos, and has no problems walking around during the day. Since Teren acts human the majority of the time, the pros far outweigh the cons in Emma's book. *Torn* Simon and Schuster Her mind tried to fight a bloody battle against what her body already knew. She wanted him, and she wanted him bad. On the heels of college graduation and the unexpected death of her mother, Emily Cooper moves to New York City to join her boyfriend for a fresh start. Dillon Parker has been sweet, thoughtful, and generous through Emily's loss, and she can't imagine her life without him—even as her inner voice tells her to go slow. Then she meets Gavin Blake. A rich and notorious playboy, Gavin

is dangerously sexy and charming as hell. Their first encounter is brief, but it's enough to inflame Emily's senses. When their paths cross again through an unexpected mutual acquaintance, she tries to deny the connection she feels, but Mr. Tall, Dark, and Handsome won't let go so easily. As she discovers Gavin's pain-filled past and Dillon's true nature begins to surface, Emily knows she must take action or risk destroying everyone—including herself. But how can she choose when she can't trust her own heart?
