 Grace is the free and unmerited favor of God, shown in the salvation of sinners and the gift of blessings. It is also the condition of being favored by someone. We all have an idea of what "grace" means in terms of its definition. But do we really understand what grace means in regard to our daily life? This thirty-one-day devotional will take you through some of the most common New Testament verses regarding "grace" and help you understand what it means in your daily life and for your future. God's grace is not just unmerited

favor purchased for us by Jesus Christ. It is the power by which we are saved. It is the support for daily obedience. And it is the hope of eternal glory.

 Fresh biblical take on a transcending, divine grace that embraces all of God's creatures This broad-ranging, groundbreaking book by William Greenway unfolds a biblical spirituality centering on love for all creation and all creatures. Greenway rereads the creation and flood narratives in Genesis from an overtly creature-loving perspective that not only inspires care for creation but also reveals sophisticated understandings of faith, grace, and evil vital for twenty-first-century spirituality. Comparing the ancient Israelite cosmology of Genesis both with the ancient Babylonian cosmology of the Enuma Elish and with the modern

Darwinian cosmology of Thomas Hobbes's Leviathan, Greenway shows how the Bible in Genesis extends far beyond those other cosmologies in its discernment of the transcending, gracious love of God. Standing at the intersection of animal rights, "green" biblical studies, and philosophical theology, Greenway's *For the Love of All Creatures* will interest and inform a wide range of readers.

In the beginning, there is an almighty power, known by the name the Lord God, his royal majesty. His greatest creation, Lucifer, stands on his right and is the almighty's go-to divine servant. The almighty does ask Lucifer to complete many tasks, such as creating the heavens and the earth. But Lucifer also has a few ideas of his own, some of which are cause for speculation. In *The Greatest Fall from Grace*, the most devilish character in history experiences mind-bending adventures through time and space, breaching heavenly and hellish bodies both physical and otherworldly. Lucifer understands that being the first of anything is difficult, but being the first created to fall from grace is even more difficult. Trying to redeem himself and trying hard not to fall in love, are challenges he faces. This drama follows Lucifer through his life's adventures and answers the question of whether or not he, the others, and earth will survive the catastrophes this universe and beyond can create.

Your Grace-Filled Guide to Relationships It's hard, sometimes, to get over that thing your husband said weeks ago; or to resolve that tension with your colleague at work; or to fix a lifelong friendship that's taken a bad turn. The biggest problem with relationships is they always seem to involve sinners--including ourselves. So how can we form strong, resilient bonds with people who, like us, are bound to mess up? Thankfully, it's not all on us. Through stories and biblical teaching, Jessica Thompson helps us move beyond trying to "fix" the people we interact with, and shows us a better way. Though our relationships may be marred by tension and frustration, because we are welcomed and known by Christ, they don't have to stay that way. "Nothing changes the way

we relate to others more than knowing how God relates to us. Knowing how God loves us and forgives us and is gracious and merciful toward us and forbears with us inevitably affects the way we think about other people. My good friend Jessica Thompson has written a book that articulates who God is for us and then shows how that changes the way we are toward others. Thank you, Jessica, for reminding me that God always meets my mess with his mercy and my failure with his forgiveness. Knowing this makes me want to love God and others."--Tullian Tchividjian, founder of Liberate and author of *One Way Love: Inexhaustible Grace for an Exhausted World* "We need grace in all our relationships. So much loneliness, feeling betrayed, alienation, anger, vengeance, sadness, grief find their roots in relational conflict. Jessica humbly guides us to see that only by being a recipient of God's grace can we be agents of grace in our relationships. She does this with humor, honesty, and confession from her own experience, not with advice as a relational guru."--Justin S. Holcomb, Episcopal priest, seminary professor, and author of *On the Grace of God* "Everyday Grace is for all who have struggled to accept their children and honor their parents and initiate with their neighbors and forgive their spouses and respect their bosses and celebrate their rivals. But it is not filled with practical tips that would trivialize the difficulty of these things. Nor is it a book of relational psychology that would strategize a resolution to these things. Instead, it is filled with the Scriptures that speak to these things--helping us to rest in Christ's covering of all our relational failure and inviting us to change by the power of the Holy Spirit."--Nancy Guthrie, Bible teacher and author "Relational paradise was lost when our first parents fell into sin. Our desire for change in this area is anywhere between cautiously optimistic and downright cynical. What I enjoy about *Everyday Grace* is that Thompson simply cannot get over the one hope for true reconciliation: God, in Christ, has befriended us."--Gloria Furman, author of *Glimpses of Grace* and *Treasuring Christ When Your Hands Are Full* "Relationships are hard. We know this. Jessica Thompson knows this too and shares how she fights to take her gaze off herself and onto the only one who can help our broken relationships--Jesus. Her method doesn't come from a list of ways to implement change; rather, she focuses on the gospel that transforms hearts and minds. Be encouraged by the good news as you read *Everyday Grace*, for it is the gospel that is our only Hope for our

relationship problem."--Trillia Newbell, author of *Fear and Faith: Finding the Peace Your Heart Craves* and *United: Captured by God's Vision for Diversity* The Truths and Triumphs of Grace Atherton Clink Street Publishing Jen Hatmaker reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. **The Gospel of Grace for Wounded Sojourners** HarperCollins Australia A Richard and Judy Book Club pick, set in Paris and Italy, *The Truths and Triumphs of Grace* Atherton is a beautiful and uplifting exploration of love, loss and hope 'The real truth and triumph of this gem of a story is simple: it is one of the best and most gripping descriptions of heartbreak that either of us have ever read' Richard and Judy's review Grace Atherton, a talented cellist, is in love with David.
