Derived from Weil's lectures, the collection presents a general introduction to philosophy, ranging widely over problems about perception, mind, language, and reasoning, as well as problems in moral and political philosophy.

New Urban Worlds Simon and Schuster

A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast.

Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths.

How to Ruin a Summer Vacation Springer Science & Business Media

There are many rules a priest can't break. A priest cannot marry. A priest cannot abandon his flock. A priest cannot forsake his God. I've always been good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

Perfect Chemistry Sierra Simone

From the New York Times bestselling author Simone Elkeles comes an epic love story like no other . . . First in the gripping PERFECT CHEMISTRY series, this is the next addictive read for fans of Anna Todd's AFTER series, and Caroline Kepnes's YOU. When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created 'perfect' life is about to unravel before her eyes. Forced to be lab partners with Alex Fuentes, a gang member from the other side of town, Brittany finds herself having to protect everything she's worked so hard for – her flawless reputation, her relationship with her boyfriend and, most importantly, the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life, he thinks nothing of it. But the closer Alex and Brittany get to

each other the more they realise that sometimes appearances can be deceptive and that you have to look beneath the surface to discover the truth. 'Compelling and addictive... I've still got that "wow" feeling you get after reading a great book' Wondrousreads.com 'Perfect Chemistry is a novel to obsess about. It is a book that you should drop everything for...the most romantic love story that I have ever read.' Thebookette.com 'Captures that rush of feelings associated with first love' Thebookbag.com 'Elkeles pens plenty of tasteful, hot scenes...that keep the pages turning. The author definitely knows how to write romance.' Kirkus Review

Ashtyn's life just got complicated. Her boyfriend is being distant and her sister's back at home after ten years – with a stepson in tow! Derek has a perfect body, THE sexiest smile and a car – Ashtyn's only way to escape from her crazy life. But Derek likes to play by his own rules and is keen to take Ashtyn on a ride she'll never forget. As they spend more and more time alone together, will Derek's flirty games drive Ashtyn wild? A sweet and steamy romance from New York Times bestselling author Simone Elkeles.

A Companion to Simone de Beauvoir Simon and Schuster

Simone de Beauvoir and Jean-Paul Sartre formed one of the most famous literary couples of the twentieth century. Their relationship took on the quality of legend and served as a model of openness and honesty for countless men and women. Sartre was revered during his lifetime as a paradigm of the modern philosophe and intellectual, but since de Beauvoir's death in 1986, her literary reputation has threatened to eclipse Sartre's. Her work *The Second Sex* is, by any standard, one of the most important and influential books of the twentieth century. When these private and revealing letters were published in France in 1990, they caused a storm of controversy. Here de Beauvoir tells Sartre everything, tracing the extraordinary complications of their triangular love life. These letters reveal de Beauvoir not only as manipulative and dependent, but also as vulnerable, passionate, jealous, and committed. This reissue of a New York Times Notable Book will inspire philosophers, writers, and lovers of literature for decades to come.

Simone Breaks All the Rules Random House

"If you love a good enemies-to-lovers trope, run—don't walk—to the nearest bookstore or library near you." —BuzzFeed "I couldn't put it down!" —New York Times bestselling author Simone Elkeles When Tyson Trice finds himself tossed into the wealthy community of Pacific Hills, he expects not to belong. Not that he cares. After recovering from being shot and surviving the rough streets of Lindenwood, he doesn't care about anyone or anything. Golden girl Nandy Smith has spent most of her life building the pristine image it takes to make it in Pacific Hills. After learning that her parents are taking in a troubled teen boy, Nandy fears her summer plans and her reputation will go up in flames. The wall between their bedrooms feels as thin as the line between love and hate. But their growing attraction won't be denied. Soon Trice is bringing Nandy out of her shell and Nandy's trying to melt the ice around Trice's heart. But with the ever-present pull back to Lindenwood, it'll be a wonder if Trice makes it through this summer at all. Also by Whitney D. Grandison: *The Right Side of Reckless*

As a young soldier, Vice President Embry Moore learned the bittersweet truth about loving a hero: it can never last. Having made sacrifice after silent sacrifice to protect the best man he's ever known, he's only just now found his way back into Ash's arms—and into the heart of Ash's wife, Greer. But when Greer is taken from Ash and Embry's bed, it sets in motion a series of painful revelations that threaten to turn their years of tortured love against them... From the USA Today bestselling author of *American Queen* comes the second installment in the *New Camelot* trilogy, a contemporary fairy tale of power, pain, and an all-consuming love that won't be denied.

Beautiful Disaster Signed Limited Edition Createspace Independent Publishing Platform

Out now - SECOND CHANCES IN NEW PORT STEPHEN, the charming new TJ Alexander rom-com! A high-strung pastry chef's professional goals are interrupted by an unexpected career transition and the introduction of her wildly attractive nonbinary kitchen manager in this deliciously fresh and witty queer rom-com. Simone Larkspur is a perfectionist pastry expert with a dream job at The Discerning Chef, a venerable cookbook publisher in New York City. All she wants to do is create the perfect loaf of sourdough and develop recipes, but when The Discerning Chef decides to bring their brand into the 21st century by pivoting to video, Simone is thrust into the spotlight and finds herself failing at something for the first time in her life. To make matters worse, Simone has to deal with Ray Lyton, the new test kitchen manager, whose obnoxious cheer and outgoing personality are like oil to Simone's water. When Ray accidentally becomes a viral YouTube sensation with a series of homebrewing videos, their eccentric editor in chief forces Simone to work alongside the chipper upstart or else risk her beloved job. But the more they work together, the more Simone realizes her heart may be softening like butter for Ray. Things get even more complicated when Ray comes out at work as nonbinary to mixed reactions—and Simone must choose between the career she fought so hard for and the person who just might take the cake (and her heart).

Responding to the need for an affordable, easy-to-read textbook that introduces microfluidics to undergraduate and postgraduate students, this concise book will provide a broad overview of the important theoretical and practical aspects of microfluidics and lab-on-a-chip, as well as its applications.

Perfect Chemistry Simon and Schuster

"Beautiful, lyrical writing and a dangerously suspenseful plot. . .an unforgettable novel that readers will love." --Lucy Connors, author of *The Lonesome Young* Sometimes secrets kill. Maybe slowly, maybe painfully. Maybe all at once. Melissa smiles. She flirts. She jokes. But she never shows her scars. Eight months after tragedy ripped her from her closest friend, Melissa is broken. Inside her grows a tumor, fed by grief, rage, and the painful memory of a single forbidden kiss. Javier has scars of his own: a bullet wound, and the memory of a cousin shot in the heart. Life in the States was supposed to be a new beginning, but a boy obsessed by vengeance has no time for the American dream. To honor his familia, Javier joins the gang who set up his cousin's murder. The entrance price is blood. Death is the only escape. These two broken souls could make each other whole again—or be shattered forever. Our time will come. And we'll be ready. Praise for *Before You* "Beautiful. . .will settle deep in your heart." -- New York Times bestselling author Sophie Jordan "Will hook and hold you. . ." --National bestselling author K.A. Tucker

Leaving Paradise Turtleback

From the New York Times bestselling author Simone Elkeles comes an epic love story like no other . . . This is the final installment in the gripping PERFECT CHEMISTRY trilogy, and the next addictive read for fans of Anna Todd's AFTER series, and Caroline Kepnes's YOU. Like his brothers, Luis Fuentes is a risk taker; whether he's scaling the Rocky Mountains or dreaming of a future as an astronaut, Luis is always looking for the next thrill. Nikki Cruz lives her life by certain rules - don't trust a boy who says "I love you", boys lie to get their own way and never date a boy from the south side of Fairfield. Then she meets Luis at his brother Alex's wedding and suddenly she's tempted to break all her rules. Getting Nikki to give him a chance is Luis's biggest challenge, until he finds himself targeted by the head of the gang that nearly destroyed his brothers' lives. Will Luis's feelings for Nikki be enough to stop him from entering a dark and violent world that could prove to be the ultimate risk? The final instalment in the steamy, romantic and thrilling Perfect Chemistry trilogy.

[Chef's Kiss](#) Simon and Schuster

In the second book in Simone Elkeles' New York Times bestselling YA contemporary romance series, bad boy Carlos Fuentes and good girl Kiara Westford don't mean to fall for each other . . . but in the game of love, there are no rules. Carlos Fuentes feels betrayed when the big brother he idolized, Alex, trades in a life as a gang member for a future with his girlfriend. Even worse, Alex forces Carlos to join him on the straight and narrow path in the United States. Trouble is, Carlos just wants to live on the edge. And ties to his gang in Mexico aren't easy to break, even when Carlos is hundreds of miles away . . . Living with one of Alex's college professors in the Colorado suburbs, Carlos feels completely out of place. He's even more thrown by his sudden feelings for the professor's daughter, Kiara. She's nothing like the wild girls he's usually drawn to. But Carlos and Kiara soon discover that in matters of the heart, the rules of attraction might overpower the dangers and differences keeping them apart. Don't miss any of these other books from New York Times bestselling author Simone Elkeles: *The Perfect Chemistry Trilogy* *Perfect Chemistry Rules of Attraction* *Chain Reaction* *Better Than Perfect*

Sinner Scholastic Inc.

A well-rounded and articulate examination of polymer properties at the molecular level, *Polymer Chemistry* focuses on fundamental principles based on underlying chemical structures, polymer synthesis, characterization, and properties. It emphasizes the logical progression of concepts and provide mathematical tools as needed as well as fully derived problems for advanced calculations. The much-anticipated Third Edition expands and reorganizes material to better develop polymer chemistry concepts and update the remaining chapters. New examples and problems are also featured throughout. This revised edition: Integrates concepts from physics, biology, materials science, chemical engineering, and statistics as needed Contains mathematical tools and step-by-step derivations for example problems Incorporates new theories and experiments using the latest tools and instrumentation and topics that appear prominently in current polymer science journals The number of homework problems has been greatly increased, to over 350 in all The worked examples and figures have been augmented More examples of relevant synthetic chemistry have been introduced into Chapter 2 ("Step-Growth Polymers") More details about atom-transfer radical polymerization and reversible addition/fragmentation chain-transfer polymerization have been added to Chapter 4 ("Controlled Polymerization") Chapter 7 (renamed "Thermodynamics of Polymer Mixtures") now features a separate section on thermodynamics of polymer blends Chapter 8 (still called "Light Scattering by Polymer Solutions") has been supplemented with an extensive introduction to small-angle neutron scattering *Polymer Chemistry, Third Edition* offers a logical presentation of topics that can be scaled to meet the needs of introductory as well as more advanced courses in chemistry, materials science, polymer science, and chemical engineering.

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses—or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer—not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain—and the

two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA

Today bestselling author of *Priest* and *Misadventures of a Curvy Girl* comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot—elegant, carnal, and unforgettable.
