 "This book provides the first ever overview of the history and development of Islam in Afghanistan. It covers every era from the conversion of Afghanistan through the medieval and early modern periods to the present day. Based on primary sources in Arabic, Persian, Pashto, Urdu and Uzbek, its depth and scope of coverage is unrivalled by any existing publication on

Afghanistan. As well as state-sponsored religion, the chapters cover such issues as the rise of Sufism, Sharia, women's religiosity, transnational Islamism and the Taliban. Islam has been one of the most influential social and political forces in Afghan history. Providing idioms and organizations for both anti-state and anti-foreign mobilization, Islam has proven to be a vital socio-political resource in modern Afghanistan. Even as it has been deployed as the national cement of a multi-ethnic 'Emirate' and then 'Islamic Republic,' Islam has been no less a destabilizing force in dividing Afghan society. Yet despite the universal scholarly recognition of the centrality of Islam to Afghan history, its developmental trajectories have received relatively little sustained attention outside monographs and essays devoted to particular moments

or movements. To help develop a more comprehensive, comparative and developmental picture of Afghanistan's Islam from the eighth century to the present, this edited volume brings together specialists on different periods, regions and languages. Each chapter forms a case study 'snapshot' of the Islamic beliefs, practices, institutions and authorities of a particular time and place in Afghanistan"--Provided by publisher
Muslim Citizens in the West Cambridge Scholars Publishing
 From the acclaimed author of *The Elegance of the Hedgehog*, *A Strange Country*, the sequel to *The Life of Elves* and described as a 'strange and poetic fantasy similar to the work of Tolkien' by the San Francisco Book Review, will transport readers to a lost world and remind them of the power of poetry and imagination. 'Bewitching' ... '[an] enchanting hero's journey' Foreword
 Reviews Alejandro de Yepes and Jesús Rocamora, young officers in the Spanish regular army, are stationed alone at Castillo when a friendly redhead named Petrus appears out of nowhere. There is something magnetic and deeply mysterious about him. Alejandro and Jesús are bewitched, and, in the middle of the sixth year of the longest war humankind has ever endured, they abandon their post to follow him across a bridge that only he can see. Petrus brings them to a world of lingering fog, strange beings, poetry, music, natural wonders, harmony and extraordinary beauty. This is where the fate of the world and all its living creatures is decided. Yet this world too is under threat. A long battle against the forces of disenchantment is drawing to a climactic close. Will poetry and beauty prevail over darkness and death? And what role will Alejandro and Jesús play?

L'Actualité comme un roman Aarhus Universitetsforlag

There are 49 Muslim-majority countries in the world and Islam is the world's second largest religion. Yet many in the West are misinformed about Islam and Muslim worldviews. Issues related to gender norms are especially subject to misconceptions. This filmography analyzes gender issues in 56 feature films from Afghanistan, Algeria, Bangladesh, Egypt, Iran, Iraq, Pakistan and Turkey, with a focus on religious, legal and patriarchal legitimization of practices such as female genital mutilation, child marriage, virginity testing, public sexual harassment and molestation, and honor killings.

The Fall of the Iron Curtain and the Culture of Europe Random House

Una donna velata siede al capezzale del

marito ferito e privo di conoscenza. Accorda il suo respiro su quello dell'uomo, e per la prima volta gli parla. Frammenti di tenerezza, piccoli sogni, illusioni. Poi, a poco a poco, in un fiume liberatorio, tutta la vita le esce dalla bocca. Pronuncia parole proibite, parole ribelli. Condanna gli uomini e le loro guerre, il fanatismo dei soldati di Allah e la violenza. Osa parlare di religione, di amore e dei piaceri del corpo. Svela piccoli segreti e grandi colpe. Una voce che affiora da secoli di sottomissione e di sofferenza. Incanta, prega, grida. Ritrova se stessa. Ed è, infine, liberata.

Le Petit Michel lePetitLitteraire.fr
 Demonstrates how contemporary fiction in French has become a polycentric and transnational field of vibrant and varied experimentation.

Syngué Sabour. Pierre de patience d'Atiq Rahimi (Analyse de l'oeuvre)

Random House

Kabul, 1979. A student wakes in an unfamiliar house, battered and bruised. He gradually recovers his mind to discover that returning from a night out he was brutally attacked by soldiers and left to die. Farhad, the tragic hero of this nightmarish tale, realises that he can now never return home: to do so would be to risk the lives of his family. As he waits for an answer to his plight he learns the tragic story of the woman who has saved him, endangering her own life in the process, and begins to feel an impossible and forbidden love for her - a love that embodies an angry compassion for the suffering of Afghanistan's women, and the yearning for a lost home.

La mémoire des conflits dans la fiction française contemporaine Mage Pub

«Ξέρεις, εκείνη την πέτρα που τη βάζεις μπροστά σου και οδύρεσαι για όλες τις συμφορές σου, όλα τα βάσανά σου, όλους τους πόνους και τις δυσκολίες σου, της εμπιστεύεσαι όλα όσα έχεις στην καρδιά και δεν τολμάς να τα αποκαλύψεις στους άλλους... Της μιλάς, της μιλάς. Και η πέτρα σε ακούει, ρουφάει τις λέξεις σου, τα μυστικά σου. Μέχρι που μια ωραία μέρα σπάει. Γίνεται θρύψαλα. Και εκείνη τη μέρα, λυτρώνεσαι απ' όλα τα βάσανά σου, απ' όλους τους καημούς σου... Αυτή η πέτρα είναι η σεγγκέ σαμπούρ, η πέτρα της υπομονής». Μια γυναίκα, στο Αφγανιστάν αλλά και αλλού, ίσως, παραμένει στο πλευρό του πληγωμένου άντρα της. Κατά βάθος οι δυο αυτοί άνθρωποι δε γνωρίζονται. Οι ώρες, οι μέρες περνούν, ο πόλεμος πλησιάζει απειλητικά, η γλώσσα της γυναίκας λύνεται και αρχίζει να αφηγείται μια ζωή γεμάτη ταπεινώσεις, με την ελπίδα μιας πιθανής λύτρωσης. Σ' αυτό το μοναδικό, αλληγορικό και υπέροχο βιβλίο, που

τιμήθηκε με το κορυφαίο γαλλικό βραβείο Γκονκούρ, μεταφράστηκε με εξαιρετική απήχηση σε περισσότερες από 25 γλώσσες και έγινε, από τον ίδιο τον συγγραφέα, συγκλονιστική ταινία, ο Ατίκ Ραχίμι δίνει φωνή αλλά και πρόσωπο σε μια αξέχαστη γυναικεία μορφή και, μέσω αυτής, σε μια πλειάδα εκατομμυρίων γυναικών που καταδικάζονται στη σιωπή.

Nouveau Paris Match Giulio Einaudi Editore
 Contradictions are legion when it comes to women and spirituality. In Christian cultures, the worth of the female sex is highly ambivalent, since virginity and motherhood are construed respectively as badges of purity and fruitfulness, whilst the biological processes which underlie them are considered taboo or impure. Throughout history, women are in turn represented as inferior, defective creatures or as privileged 'empty vessels' in their relationship with the divine. This polarized conception of woman has influenced the way in which religious institutions, learned writers, or indeed women themselves consider the female personal and collective relationship with the supernatural, with the divine, and with the institutions which represent it. Through eleven original essays, this volume questions how women from the English-speaking world have negotiated their roles in the spiritual and religious spheres. From early-modern Catholics and Puritan groups to twenty-first century nuns, Anglican ministers and Mormons, how did women define their roles in male-dominated institutions? How did they react to the public perceptions of their bodies as either incompatible with or facilitating access to the divine? The questions at the core of this book hinge upon the articulation between the female self (body and soul) and its experience of the preternatural, of faith, and of institutionalized groups. Are there specific forms of female spirituality and do they lead to a feminized/feminist conception of God?

Fiche de lecture U of Nebraska Press

Drawing upon original case studies spanning North America, Europe and Australia, *Muslim Citizens in the West* explores how Muslims have been both the excluded and the excluders within the wider societies in which they live. The book extends debates on the inclusion and exclusion of Muslim minorities beyond ideas of marginalisation to show that, while there have undoubtedly been increased incidences of Islamophobia since September 2001, some Muslim groups have played their own part in separating themselves from the wider society. The cases examined show how

these tendencies span geographical, ethnic and gender divides and can be encouraged by a combination of international and national developments prompting some groups to identify wider society as the 'other'. Muslim and non-Muslim scholars and practitioners in political science, social work, history and law also highlight positive outcomes in terms of Muslim activism with relationship to their respective countries and suggest ways in which increasing tensions felt, perceived or assumed can be eased and greater emphasis given to the role Muslims can play in shaping their place in the wider communities where they live.

The Shadow of Imana BoD - Books on Demand

Guillaume est un garçon rêveur et curieux qui adore les fleurs. Une nuit, il reçoit en rêve la visite d'un vieux bonhomme qui lui parle de la mystérieuse fleur de patience. Fasciné, le jeune garçon se lance alors dans une quête qui le mène aux quatre coins du monde. Devenu un jeune botaniste enthousiaste, il s'intéresse aux fleurs les plus rares et les plus étonnantes de notre planète et sillonne les milieux naturels différents, de la toundra russe aux déserts d'Atacama et du Sahara. Sa quête le mène finalement en Indonésie, sur l'île de Sumatra, où sa rencontre avec Kusumo va changer le cours de sa vie. Récit initiatique et onirique, cet album entraîne le lecteur à la découverte de la diversité florale de notre planète. Il invite autant à s'émerveiller des beautés et des étrangetés de la nature qu'à prendre conscience de la fragilité de cette dernière.

Le Français dans le monde BRILL

"Bjarni has long held on to a letter from former lover Helga, with whom he shared an illicit, impassioned love. Her letter invited him to leave his wife and his farm and pursue prosperity in the city, where World War II had brought an influx of American marines and opportunities for work. But he chose not to reply. Years later, as he reflects on a long and simple life among the sheep in the Icelandic hillsides, he finally finds himself ready to explain why"--P. [4] of cover.

Η πέτρα της υπομονής Routledge

La littérature française contemporaine porte un vif intérêt à l'histoire des conflits du XXe siècle et de leurs séquelles pour la vie civile. La monographie explore les modalités narratives qui permettent d'adresser les traumatismes et d'entamer

le travail de mémoire. Contemporary French literature is acutely interested in the history of twentieth-century conflicts and their repercussions on civilian life. This monograph explores the narrative methods that allow the authors to address traumas and begin the work of memory.

Amazon Crossing Friendship, deceit, fear, and persecution at an elite boarding school for young women in Rwanda, fifteen years before the 1994 genocide of the Tutsi . . . "Mukasonga's masterpiece" (Julian Lucas, NYRB) Scholastique Mukasonga drops us into an elite Catholic boarding school for young women perched on the edge of the Nile. Parents send their daughters to Our Lady of the Nile to be molded into respectable citizens and to escape the dangers of the outside world. Fifteen years prior to the 1994 Rwandan genocide, we watch as these girls try on their parents' preconceptions and attitudes, transforming the lycée into a microcosm of the country's mounting racial tensions and violence. In the midst of the interminable rainy season, everything unfolds behind the closed doors of the school: friendship, curiosity, fear, deceit, prejudice, and persecution. With masterful prose that is at once subtle and penetrating, Mukasonga captures a society hurtling towards horror.

A Strange Country McFarland

Along with nine other African Writers, Veronique Tadjó was invited to visit Rwanda to bear witness to the genocide that took place in 1994 - wiping out one million Tutsis and moderate Hutus during a hundred days of barbaric violence. Syngué sabour Arcadia Books Limited

Earth and Ashes is a story of such spareness and power it leaves the reader reeling. Set during the Russian occupation of Afghanistan, it is a fable about war, family, home and tradition. An old man and his grandson sit in a deserted landscape of dusty roads and looming mountains. What are they waiting for? As we watch them we learn their story... Atiq Rahimi has managed to condense centuries of Afghan history into his short tale of three very different generations. At the same time, he has created a story that is universal in its power.
