A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in

its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

This penultimate volume of Conrad's collected letters ends soon after his 65th birthday. Over the previous three years, Conrad wrote *The Rover*, struggled with *Suspense*, translated *The Book of Job* (a Polish comedy), collaborated with J. B. Pinker on a cinematic treatment of 'Gaspar Ruiz', and worked by himself on adapting *The Secret Agent* for the London stage. He saw the publication of *The Rescue*, *Notes on Life and Letters*, and the Doubleday/Heinemann collected edition, most of whose volumes had new Author's Notes. Especially in North America, the collected edition strengthened his reputation as the leading English-language novelist of his day. This recognition could not always console him for his worries about his health, his family, and the state of post-war Europe, but he had not lost his sense of irony. These letters, the majority new to scholarship, abound in striking turns of phrase and unexpected insights.

They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. From Story's vast correspondence his son William has selected those letters that describe his childhood and youth, education, life at the bar, and judicial and professorial life. Taken along with his various published treatises and his monumental work on the Constitution, Commentaries on the Constitution, this assemblage illuminates the fine mind that was Story's. The book 'Joseph's Life Story' is a true and honest account compiled by the parents of the life of Joseph L Cunningham, a baby boy born on the 22nd December 2006, weighing 8 pounds and measuring 20 inches long. It also includes the struggle to learn the truth of what happened during labor and their effort to seek justice. The opening chapters give the parents emotional account of the events during labor, the days after while Joseph was in hospital until he died 38 days later and the account of Joseph's funeral. The book goes onto reveal the effort to seek an explanation as to why Joseph suffered injuries during birth and to have the NHS admit liability. The purpose of this book is to raise awareness on the difficulties that can arise during labour and the need for the correct decisions to be taken at the time. This is to also highlight the effort that was required by the grieving parents in order to learn why such a tragedy occurred, what could have been done to prevent it and to have someone admit fault.
