HEIDI ALLIE

First Irish Grammar Routledge

An up-to-date, easy-reference dictionary with a practical and fun supplement, ideal for learners of Irish of all ages. Designed for learners of Irish of all ages, whether you are learning at school or in an evening class. The entries cover everyday Irish (including all essential set expressions) so that you can be sure of having all the vocabulary you need. There is additional help in the form of a full guide to using the dictionary, essential grammar pages, a section on expressing yourself in Irish, and free extra study material available online. With extensive language notes, this dictionary gives a solid foundation for Irish

language learning. * Easy to use: thousands of examples of real Irish show you exactly how translations are used. With no jargon or unclear symbols, this is the easiest Irish dictionary to use. * Easy to read: clear colour layout takes you quickly to the words you want, with all Irish words, phrases and translations in blue, and all English text in black. * Easy to remember: a fun guide to communicating and a handy grammar section help you use written and spoken Irish correctly. * Easy to access: find extra learning material on www.collins.co.uk/easyresources - for free.

Sengoidelc Routledge
 This grammar of Irish offers beginners a clear and easy-to-understand guide to help with Irish language study. For all those learning Irish at school, work or home this book provides easily accessible

information in an attractively presented layout. Key grammatical points are highlighted throughout as a means of reinforcement. In addition, a full glossary gives clear explanations of grammatical terminology. All the regular verb forms and conjugations, and the most common tenses of irregular verbs are shown in full. An index contains hundreds of verbs which are cross-referred to their conjugation model. Hundreds of examples of real Irish illustrate clearly the grammatical points being made.

Beginner's Irish Routledge

Collins Easy Learning Irish Grammar offers beginners a clear and easy-to-understand guide to the verbs and grammar of Irish.

Modern Irish Collins

A Concise Old Irish Grammar and Reader
Hippocrene Books

A handy little language aid designed to be carried by Irish learners at all times. This concertina booklet, contained in protective plastic pouch, offers basic Irish grammar rules, as well as everyday phrases and a collection of the most commonly used Irish words.

A Concise Old Irish Grammar and Reader: Grammar
Syracuse University Press

"Nolaig Mac Congail's Irish Grammar Book is a reference manual for learners of Irish. It presents the rules of Irish grammar in a clear, concise and understandable manner. The grammatical rules are based on those contained in Niall O Donnell's *Faoi Gheall-Gheall*, the single largest corpus of authoritative Irish in existence." -
-BOOK JACKET.

A Grammar of Modern Irish In Your Pocket
This popular introduction to the Irish language is now accompanied by an audio CD. Irish, also known as Irish Gaelic or Gaelige, is spoken today by approximately one million people worldwide. It is also the basis of the Irish literary tradition, which is the oldest in Europe after Greek and Latin. This valuable guide, ideal for both individual and classroom use, teaches the basics of Irish grammar and vocabulary in 10 easy-to-follow lessons. The audio CD feature complements the dialogue and grammar sections of the lesson, aiding the reader in understanding the language as spoken.

Irish Grammar Book
Hachette UK
David Stifter's Sengóidél (SHAN-goy-thelg) provides a comprehensive introduction to Old Irish grammar and metrics. As an introductory text to the Irish language spoken around the eighth century C.E., this essential volume, covering all aspects of the grammar in a clear and intuitive format, is ideally suited for use as a course book or as a guide for the independent learner. This handbook also will be an essential reference work for students of Indo-European philology and historical linguistics. Stifter leads the novice through the idiosyncrasies of the language, such as initial mutations and the double inflection of verbs. Filled with translation exercises based on selections

from Old Irish texts, the book provides a practical introduction to the language and its rich history. Sengóidél opens the door to the fascinating world of Old Irish literature, famous not only for the Táin Bó Cúailnge (The Cattle Raid of Cúailnge) and its lyrical nature poetry but also as a major source for the political and legal history of Ireland. Stifter's step-by-step approach and engaging style make his book an ideal tool for both the self taught individual and the classroom environment. It will be of interest to beginning students of Old and Middle Irish, to scholars of Irish history, Celtic culture, and comparative linguistics, and to readers of Irish literature.

Irish in Your Pocket
Hachette UK
Irish English, also termed 'Anglo-Irish' or 'Hiberno-English', as in this book, is not usually perceived as having a grammatical system of its own. Markku Filppula here challenges this misconception and offers a descriptive and contact-linguistic account of the grammar of Hiberno-English. Drawing on a wide range of authentic materials documenting Hiberno-English dialects past and present Filppula examines: * the most distinctive grammatical features of these dialects * relationships with earlier and other regional varieties of English * the continuing influence of the Irish language on Hiberno-English * similarities between Hiberno-English and other Celtic-influenced varieties of English spoken in Scotland and Wales
The Grammar of Irish English
is a comprehensive empirical study which will be an essential reference for scholars of Hiberno-English and of value to all those working in the field of Germanic linguistics.

A Practical Grammar of the Irish Language
Routledge

Essential Irish Grammar will help you get more out of your study of Irish. *Essential Irish Grammar* is an up-to-date introduction to Irish grammar. You don't need to know a lot about grammar before you start. Everything is explained simply and there are lots of examples to illustrate each point. Unlike more traditional grammars, *Essential Irish Grammar* is structured so that you can look up language forms according to what you want to say, even if you don't know the grammatical term for them. If you already know some grammar, then you can use the 'reference grammar' section at the back of the book to look up the points you need. The course consists of 20 units illustrating the various uses to which the language can be put, for example, giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures, such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly. This edition contains a 'taking it further' section which will direct you to further sources of real Irish. *Essential Irish Grammar* will help you to understand and manipulate Irish grammar with confidence because: - you need no prior knowledge of grammatical terminology to use it; - the approach is accessible and supportive; - the examples are clear and in context; - exercises help you practise every point. Now in a brand new edition with new, easy-to-follow page design and interactive on-line features: NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. *AUTHOR INSIGHTS* Lots of instant help with common problems and quick tips for

success, based on the author's many years of experience. **USEFUL VOCABULARY** Easy to find and learn, to build a solid foundation for speaking. **END-OF-UNIT SUMMARIES AND ONLINE TESTS** Summaries and tests to help you keep track of your progress. **EXTEND YOUR KNOWLEDGE** Extra online articles at: www.teachyourself.com to give you a richer understanding of the culture and history of Irish.

A Grammar of the Irish Language Clo Iar-Chonnachta

Excerpt from *Irish Made Easy: Or, a Practical Irish Grammar* The Irish American, published in America, and a few other American journals which reached me, have been laboring with great success in the same direction. Some learned Germans published voluminous works on the Irish tongue. These, though interesting to the antiquarian and philologist, present very little that could be of use in such a treatise as the following. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at

www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Irish Made Easy; Or, A Practical Irish Grammar Forgotten Books

A Grammar of Modern Irish is an indispensable aid for anyone who wants clear explanations on the rules of Irish. Two Dublin businesses deserve praise for getting this key educational tool out? Environmental Publications and Eyecon Design. Environmental Publications set the text in serif and nonserif font, making the book all the more delightful to use. Eyecon Design ingeniously came up with an artistic design that incorporated the newly set compass into the background of the cover. But the inside text is also what makes this book so special. The Table of Contents is now in expanded format, making it easier to find your subject. The Index was reorganized so that specific topics can be at your fingertips in no time. Headers for even-numbered pages now have the chapter title, while the odd-numbered pages give the topic discussed.

Many footnotes give the differences between Ó Dónaill's dictionary and the Christian Brothers' grammar. This is a reference book you wouldn't want to live without.

Basic Irish: A Grammar and Workbook Routledge

Excerpt from *A Grammar of the Irish Language* Though this text-book is small, it comprises, I believe, everything necessary - so far as grammar is concerned - for a student of modern Irish. I have not treated at all of the ancient forms of the language; and I have excluded everything in the shape of dissertation: the grammar of the modern Irish language, and no more, is here set forth in words as few and simple as possible. I have not suggested any changes either in spelling or in grammatical forms, or attempted innovation of any kind: this is a grammar of the language as it actually exists in the works of our best writers. All the illustrative examples are quotations from standard Irish writings; but though I retain the references, I have not given them in the grammar, as they would encumber the book, and impede, rather than facilitate the learner. I may mention here, however, that the works from which the examples are chiefly taken, are, those of Keating, the publications of the Ossianic Society, "The Three Sorrowful Stories of Erin" (viz., "The Fate of the Children of Usna," "The Fate of the Children of Lir," and "The Fate of the Children of Turenna"), and occasionally the "Annals of the Four Masters." The language of the various works published by the Archæological and Celtic Societies is generally too antiquated to be quoted in a grammar of modern Irish. I have all through given word-for-word translations of the examples; free translations would have been more pleasant to read, but would have added considerably to the learner's difficulty. In the last Part - "Idioms" - I have given a popular rather than a scientific explanation of the principal idioms of the language. Nothing like this is to be found in any other Irish Grammar; and I believe that the learner who masters it will be saved much labour and perplexity.
