HarperCollins

IACP AWARD WINNER •

Indulge your thirst for new ways to enjoy tequila and mezcal with 60+ recipes for agave cocktails from a James Beard

Award-nominated author and New York Times spirits writer.

From riffs on classics such as the Mezcal Mule and Oaxaca Old-Fashioned to new favorites such as Naked and Famous or Smoke and Ice,

discover how to use mezcal and tequila to create cocktails in nearly every classic cocktail formula—from flip to sour to highball—that highlight the smoky, edgy flavors of these unique and popular spirits.

Robert Simonson, author of *The Old-Fashioned* and *The Martini Cocktail*, covers a broad range of flavors with doable, delicious recipes that are easy to assemble, most only requiring three or four ingredients. This comprehensive, straightforward guide is perfect for tequila and mezcal enthusiasts looking for creative ways to enjoy agave spirits more often and in more varied ways—or for anyone who just likes to drink the stuff.

## I Did It Too

HarperCollins

A New York Times Book Review Editors' Choice

"A radiant first novel. . . [Neon in Daylight]

has antecedents in the great novels of the

1970s: Renata Adler's *Speedboat*, Elizabeth

Hardwick's *Sleepless Nights*, Joan Didion's

*Play It as It Lays*. . . .

Precision—of

observation, of

language—is Hoby's

gift. Her sentences are sleek and tailored.

Language molds snugly to thought." —Parul

Sehgal, *The New York*

*Times New York City* in

2012, the sweltering

summer before

Hurricane Sandy hits.

Kate, a young woman

newly arrived from

England, is staying in a

Manhattan apartment

while she tries to figure

out her future. She has

two unfortunate

responsibilities during her time in America: to

make regular Skype

calls to her miserable

boyfriend back home,

and to cat-sit an

indifferent feline

named Joni Mitchell.

The city has other

plans for her. In New

York's parks and

bodegas, its galleries

and performance

spaces, its bars and

clubs crowded with

bodies, Kate

encounters two

strangers who will

transform her stay: Bill,

a charismatic but

embittered writer

made famous by the

movie version of his

only novel; and Inez,

his daughter, a recent

high school graduate

who supplements her

Bushwick cafe salary

by enacting the

fantasies of men she

meets on Craigslist.

Unmoored from her old

life, Kate falls into an infatuation with both of them. Set in a heatwave that feels like it will never break, *Neon In Daylight* marries deep intelligence with captivating characters to offer us a joyful, unflinching exploration of desire, solitude, and the thin line between life and art.

*You Had Me at Pet-Nat*

This book might make it harder to excuse bad behavior, but it's proof positive that you don't need spirits to concoct complex, refreshing, and absolutely delicious cocktails!

Watching your health? Shooting for dry January? Just want to try something new?

There are plenty of reasons to pass on booze, but that doesn't mean you need to skip

the delicious drinks. Featuring 60 stylish, beautifully illustrated recipes, *Mocktails Made Me Do It* is just what mindful drinkers need to satisfy their senses with novel mocktails. From pomelo juniper and tonics to probiotic piña coladas, this book has tons of brilliant ideas for expecting mothers, for anyone wanting to make healthier choices, and for amateur mixologists looking to expand their repertoire.

A deck of cocktail recipes to get things fizzing. What's better than cracking out the bubbles for a special occasion or just a midday spritz in the garden? While it started as a fad, fizzy drinks aren't going flat. And, while Aperol and bubbles have become a delicious staple, there's so many more possibilities out there. Whether it's Cynar, Campari, or Luxardo Bitter, there's a world of liqueurs and nuances between prosecco, cava and champagne that create different textures. This deck of cards plays with all of them, making entertaining easy: just pull a card when you're stuck over

whether you want a ruby negroni, an atomic, or a Chambord royale. With beautiful, water color illustrations and drinks for every palette, this deck will make your day positively effervescent.

Forget the crass cocktail - the chic aperitif is the choice of the discerning drinker. From Campari to Champagne via vermouth, pastis, sherry and much more, shrewd boozehounds

are falling for the particular charms of the aperitif. Call them sharpeners, sniffers, apéros or noggins, made light and gentle or strong and stiff, these are drinks to refresh the palate, gladden the heart and kick-start the appetite before lunch or dinner. In *Aperitif* drinks writer Kate Hawkings romps through the history of how these drinks came into being across the great nations of Europe and beyond. Covering the key wines and spirits that are drunk as aperitifs – what each one is, what to look for and how best to serve it – Kate looks at all manner of booze, explaining the role that each has played in the development of aperitif culture. With over 30 recipes plus many other easy-serve

suggestions, *Aperitif* guides you through the wonderful world of this most civilised of drinking habits.

There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same

light ever again after reading this book. Jason Vale takes an honest and hard hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your

mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!
