The scholarship provided in Enriched Classics enables readers to appreciate, understand, and enjoy the world's finest books to their full potential. SERIES EDITED BY CYNTHIA BRANTLEY JOHNSON *The Holiday Classic, Gently Abridged for Today's Readers* Candlewick Press (MA)

A Christmas Carol is a novella by Charles Dickens about Ebenezer Scrooge, an old man, who is well-known for his miserly ways. On Christmas Eve, Scrooge is visited by a series of ghosts, starting with his old business partner, Jacob Marley. The three spirits which follow, the Ghosts of Christmas Past, Christmas Present and Christmas Yet to Come, show Scrooge how his mean behaviour has affected those around him. At the end of the story he is relieved to discover that there is still time for him to change and we see him transformed into a generous and kind-hearted human being.

#### A Christmas Carol and Other Stories

McFarland

A few years ago, just before Christmas, I started to read "A Christmas Carol" to our young daughter. "I'm bored," she cried, after five minutes, so I stopped. I wasn't mad at her. She was right --- "A Christmas Carol," which I loved all those years ago, wasn't fun for today's kids to listen to. The problem is time. Charles Dickens wrote the story in 1843, and viewed from the distance of almost two centuries, his language is dense and over-wrought. Do you need long descriptions of Victorian

London? I don't think so --- you've seen it a zillion times on film and TV. Because I really wanted my daughter to know "A Christmas Carol," I edited the text. It was 28,000 words. It's now 13,000. Nothing important is gone. I added only a few words of my own, just to make some connections. And Paige Peterson, a noted artist, has enriched the story with original --- and very striking --- illustrations. This version of "A Christmas Carol" is pure story. And what a story! I'm going to read it to our daughter at Christmas, and this time I bet she'll like it. It's my hope that many other kids and their parents will too.

*Tomas and the Library Lady* Penguin  
A Christmas Carol is one of Charles Dickens most cherished and loved stories. Loved by both adults and children. The story of Ebenezer Scrooge on a cold Christmas Eve Night, three ghosts take him on a scary journey and show him the error of his ways. Showing him his past, present and future. Scrooge eventually learns to love Christmas and everyone around him! A must read at Christmas time.

*Bah! Humbug!* Canterbury Classics  
Brighten the season with tales from the

master of Christmastime fiction. Most famous in the realm of holiday literature for his 1843 publication, A Christmas Carol, Charles Dickens was in fact a prolific writer in the yuletide genre and a great contributor to many now-prevalent traditions of the holiday itself. In the year following the release of A Christmas Carol, Dickens released *The Chimes: A Christmas Story of Some Bells That Rang an Old Year Out and a New Year In*. This story combined his usual sympathy for the poor with the notion that we must always strive to live in nobler ways. In 1845 came *The Cricket on the Hearth*, a novella that, in its time, surpassed even A Christmas Carol in popularity for stage productions. The years 1846 and 1848 respectively saw published *The Battle of Life* and *The Haunted Man and the Ghost's Bargain*. Given this wealth of Christmas-themed works, it is no wonder that Dickens is sometime referred to as "the man who invented Christmas." Perfect for both fans of Dickens' work and those who just find special pleasure in the holiday spirit, these five Christmas stories are now available as part of the Word Cloud Classics series, providing a chic, inexpensive introduction to timeless tales.

About the Word Cloud Classics series: Classic works of literature with a clean, modern aesthetic! Perfect for both old and new literature fans, the Word Cloud Classics series from Canterbury Classics provides a chic and inexpensive introduction to timeless tales. With a higher production value, including heat burnished covers and foil stamping, these eye-catching, easy-to-hold editions are the perfect gift for students and fans of literature everywhere.

[A Christmas Carol](#) Strelbytskyy Multimedia Publishing

What if the remarkable story of Ebenezer Scrooge was true? What if the account was relayed to Dickens and he turned it into A Christmas Carol? What if the Ghostly visitations did not begin with, nor end with, Scrooge, but the Ghosts of Christmas Past, Present and Yet to Come visit one misanthropic soul in need of reclamation every Christmas Eve? This modern-day sequel to the Charles Dickens classic assumes all of the above. And this time, the spiritual trio's attentions have been directed to a not-so-nice woman in Philadelphia. Ellie Printh is a 53-year-old heart transplant survivor and wealthy

business owner who loves no one and has no intention of changing that. On the anniversary of the life-saving operation performed seven Christmas Eves prior, the spirit of her equally irascible heart donor warns her she will be visited by three ghosts, looking to reform her character and give her a fresh start. But will this supernatural encounter change Ellie for good or are some people simply too stuck in their ways? John Derr's Dickens-inspired novel is a Christmas story that can be enjoyed at any time of the year. Exploring some big themes including childhood trauma and abuse, Another Christmas Carol's message will stay with readers long after they finish the final page.

**The Haunted Man and the Ghost's Bargain Illustrated** London, Cassell Charles Dickens is probably the greatest novelist England ever produced. His innate comic genius and shrewd depictions of Victorian life - along with his memorable characters - have made him beloved by readers the world over. In Dickens' books live some of the most repugnant villains in literature, as well as some of the most likeable (and unlikely) heroes.

**A Christmas Carol** Penguin UK  
A Common Core Exemplar Text by an

award-winning author-illustrator team Tomás is a son of migrant workers. Every summer he and his family follow the crops north from Texas to Iowa, spending long, arduous days in the fields. At night they gather around to hear Grandfather's wonderful stories. But before long, Tomás knows all the stories by heart. "There are more stories in the library," Papa Grande tells him. The very next day, Tomás meets the library lady and a whole new world opens up for him. Based on the true story of the Mexican-American author and educator Tomás Rivera, a child of migrant workers who went on to become the first minority Chancellor in the University of California system, this inspirational story suggests what libraries--and education--can make possible. Raul Colón's warm, expressive paintings perfectly interweave the harsh realities of Tomás's life, the joyful imaginings he finds in books, and his special relationships with a wise grandfather and a caring librarian. "A gentle text and innovative artwork. . . . While young readers and future librarians will find this an inspiring tale, the end note gives it a real kick: the story is based on an actual migrant worker [Tomás Rivera]

who became chancellor of a university-- where the library now bears his name."-- Publishers Weekly

*A Christmas Carol* Knopf Books for Young Readers

*A Christmas Carol in Prose, Being a Ghost-Story of Christmas*, commonly known as *A Christmas Carol*, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843; the first edition was illustrated by John Leech. *A Christmas Carol* tells the story of Ebenezer Scrooge, an old miser who is visited by the ghost of his former business partner Jacob Marley and the Ghosts of Christmas Past, Present and Yet to Come. After their visits Scrooge is transformed into a kinder, gentler man. Dickens wrote *A Christmas Carol* at a time when the British were examining and exploring Christmas traditions from the past, such as carols, as well as new customs such as Christmas trees. He was influenced by experiences from his own past, and from the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to the novella, and was inspired to write the story following a visit to the Field Lane

Ragged school, one of several establishments for London's half-starved, illiterate street children. The treatment of the poor and the ability of a self-interested man redeeming himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this was a fully secular story, or if it is a Christian allegory. Published on December 19, 1843, the first edition sold out by Christmas Eve; by the end of 1844, thirteen editions had been released. Most critics reviewed the novella positively. The story was illicitly copied in January 1844; Dickens took action against the publishers, who went bankrupt, reducing further Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story which proved so successful he undertook 127 further performances until 1870, the year of his death. A Christmas Carol has never been out of print and has been translated into several languages; the story has been adapted many times for film, stage, opera and other media. With A Christmas Carol, Dickens captured the

zeitgeist of the mid-Victorian revival of the Christmas holiday. He has been acknowledged as an influence on the modern Western observance of Christmas and inspired several aspects of Christmas, such as family gatherings, seasonal food and drink, dancing, games and a festive generosity of spirit.

[The Chimes; The Cricket on the Hearth](#)  
Createspace Independent Publishing Platform

Part of Penguin's beautiful hardback Clothbound Classics series, designed by the award-winning Coralie Bickford-Smith, these delectable and collectible editions are bound in high-quality colourful, tactile cloth with foil stamped into the design. After reading Christmas Carol, the notoriously reculsive Thomas Carlyle was "seized with a perfect convulsion of hospitality" and threw not one but two Christmas dinner parties. The impact of the story may not always have been so dramatic but, along with Dickens other Christmas writings, it has had a lasting and significant influence upon our ideas about the Christmas spirit, and about the season as a time for celebration, charity, and memory.

*Paperback Penguin*

Never out of print since its initial appearance in 1843, A Christmas Carol has been adapted countless times to the stage, radio, television, film and opera. The selfish miser Scrooge's name has become synonymous with greed and indifference to the welfare of others. His immortal Christmas eve visitations by the Ghosts of Christmas Past, Present and Yet to Come have become a cultural fixture and a fundamental part of the Christmas Holidays around the world. A Christmas Carol was conceived by the author with the deliberate intent of shaking his audience with an emotional tale designed to inspire compassion and charity toward the disadvantaged, especially children. Scrooge's surreal, spellbinding journey into the meaning of Christmas, with its climactic insistence that a life lived without love and charity is no life at all, provides readers with one of literature's finest, most unforgettable entertainments while celebrating the good in humanity and providing the world with the most cherished Christmas story ever written. With an eye-catching new cover, and professionally typeset manuscript, this

edition of A Christmas Carol is both modern and readable.

[A Christmas Carol](#) Little, Brown Penguin Classics e-books give you the best possible editions of Charles Dickens's novels, including all the original illustrations, useful and informative introductions, the definitive, accurate text as it was meant to be published, a chronology of Dickens's life and notes that fill in the background to the book. Dickens's story of solitary miser Ebenezer Scrooge, who is taught the true meaning

of Christmas by a series of ghostly visitors, has proved one of his most well-loved works. Ever since it was published in 1843 it has had an enduring influence on the way we think about the traditions of Christmas. Dickens's other Christmas writings collected here include 'The Story of the Goblins who Stole a Sexton', the short story from The Pickwick Papers on which A Christmas Carol was based; The Haunted Man, a tale of a man tormented by painful memories; along with shorter

pieces, some drawn from the 'Christmas Stories' that Dickens wrote annually for his weekly journals. In all of them Dickens celebrates the season as one of geniality, charity and remembrance.
