#2: Seize the*

Fire Simon
and Schuster
At the start of
the twenty-
first century,
unconditional
war swept
across the
Earth. A war

that engulfed
the great and
the small, the
rich and the
poor, giving
no quarter.
Each side
strove for
unconditional

victory, and as battle built upon battle, the living began to envy the dead. Chastised by the cataclysm that they had unleashed, the governments of Earth came together. Humanity vowed to put an end to war and to strive for the betterment of every living creature. A united Earth created Starfleet, an interstellar agency whose mission was to explore the cosmos, to come in peace for all

mankind. It was a naïve wish that was battered by interstellar realities, yet man persists in the belief that peace is the way. Banding together with other powers to form a Coalition of Planets, humanity hopes that the strength each can offer the other will allow for peaceful exploration. However, the rise of the Coalition strikes dread within the Romulan Star Empire. They feel its

growing reach will cut them off from what is rightfully theirs. The Romulans know that the alliance is fragile, that the correct strategy could turn allies into foes. Perfecting a way of remotely controlling Coalition ships and using them as weapons against one another, the Romulans hope to drive a wedge of suspicion and mistrust between these new allies. One Starfleet captain

uncovers this insidious plot: Jonathan Archer of the Enterprise. Determined not to lose what they have gained, outmanned and outgunned, the captains of Starfleet stand tall, vowing to defend every inch of Coalition space until the tide begins to turn. The Romulans now plan to strike at what they see as the heart of their problem. With nothing left to lose, the Romulan Star Empire

engages in all-out war against humanity, determined once and for all to stop the human menace from spreading across the galaxy.

The Romulan War:

Beneath the Raptor's Wing Simon and Schuster A thrilling original e-novella set in the universe of Star Trek: The Original Series! An original Star Trek e-novella set in the Original Series universe, taking place prior to the

events of the feature film *The Wrath of Khan*. *Star Trek: Tales From the Captain's Table* Simon and Schuster Discover how Sulu rose to the captaincy of a starship in this Star Trek adventure set during The Original Series era. A vicious pirate known as the Albino is cutting a deadly swath across space, creating turmoil in the Klingon Empire that threatens to spill into the Federation. But this criminal also

has a secret that could shake the halls of Imperial power, and his genocidal plans against the race that bore him will have consequences even he cannot imagine, as several unlikely allies join swords to bring the Albino to justice: Hikaru Sulu of the U.S.S. Excelsior; Klingon captains Kor, Koloth, and Kang; and a hotheaded young Federation diplomat

named Curzon Dax. Tempered in the flames of their shared adversity, a captaincy is forged, a Blood Oath is sworn...and a hunt begins that will stretch from one generation to the next. *Mission Gamma Book Two: This Gray Spirit* Simon and Schuster "Based upon Star Trek created by Gene Roddenberry and Star Trek: Enterprise created by Rick Berman & Brannon Braga."

Star Trek: Deep Space Nine: Worlds of Deep Space Nine #2: Trill and Bajor Pocket Books/Star Trek Continuing the post-television Deep Space Nine saga, this original novel shows the fall of the Cardassian empire as seen through the eyes of a young man with a foot in two worlds. Rugal is an orphaned Cardassian who has been raised by the people his race once conquered, the Bajorans.

Reluctantly repatriated to Cardassia as a teenager, Rugal becomes the living witness to the downfall of the proud people to whom he was born, first by the invading Klingons, then during the Cardassians' unholy pact with the Dominion—a partnership that culminated in a near-genocide. Through it all, Rugal's singular perspective illuminates the choices that brought

the Cardassians to their ruin...even as he learns that the Cardassian soul is not as easy to understand as he imagined.

Mission Gamma Book Three: Cathedral
Simon and Schuster
It is a time of renewed hope. As the U.S.S. Defiant sails through the wormhole and charts a new course of discovery into the unknown ocean of the Gamma Quadrant, powerful individuals

from distant worlds gather at station Deep Space 9™ to usher in a bright new era; with the Dominion War now only a memory, Bajor is poised at last to enter the Federation. For Colonel Kira Nerys, Commander Elias Vaughn, and all those who follow them, these are the voyages they were born to undertake. But where they seek to go is defined by the journeys they have made before, and

of their pasts could never understand,

and wonder how what they have long believed, what they have been taught, was never so. Over two hundred years ago, the life of one of Starfleet's earliest pioneers came to a tragic end, and Captain Jonathan Archer, the legendary commander of Earth's first warp-five starship, lost a close friend. Or so it seemed for many years. But with the passage of time, and the declassificatio

n of certain crucial files, the truth about that fateful day -- the day that Commander Charles "Trip" Tucker III didn't die -- could finally be revealed. Why did Starfleet feel it was necessary to rewrite history? And why only now can the truth be told? *Star Trek: Corps of Engineers: Aftermath* Pocket Books/Star Trek Through four decades, five television series

comprising over seven hundred episodes, ten feature films, and an animated series, fandom's thirst for more Star Trek stories has been unquenchable. From the earliest short-story adaptations by James Blish in the 1960s, followed by the first original Star Trek novels during the seventies, and on throughout the eighties, nineties, and into the twenty-first century,

fiction has offered an unparalleled expansion of the rich Star Trek tapestry. But what is it that makes these books such a powerfully attractive creative outlet to some and a compelling way to experience the Star Trek mythos anew to others? *Voyages of Imagination* takes a look back on the first forty years of professionally published Star Trek fiction, revealing the personalities and

sensibilities of many of the novels' imaginative contributors and offering an unprecedented glimpse into the creative processes, the growing pains, the risks, the innovations, the missteps, and the great strides taken in the books. Author Jeff Ayers has immersed himself in nearly six hundred books and interviewed more than three hundred authors and editors in order to compile this

definitive guide to the history and evolution of an incomparable publishing phenomenon. Fully illustrated with the covers of every book included herein, *Voyages of Imagination* is indexed by title and author, features a comprehensive timeline, and is a must-have for every fan. **Last Full Measure** Simon and Schuster Following their harrowing

mission in the first Titan novel, **TAKING WING**, in which they were thrust into the heart of the war-torn Romulan Empire, Captain Riker and the crew of the starship Titan join forces with a task force of former foes. Together they investigate an eighty-year-old mystery involving a strange offshoot of humanity known as the Neyel, introduced in the authors' best-selling Lost Era novel, **THE**

SUNDERED. Catapulted to a distant neighbouring galaxy, the task force of Klingons and Romulans is devastated by forces that have apparently already brought about the destruction of the Neyel civilization. Titan's intrepid crew must learn what really became of the Neyel before the force that felled them sets its sights on the Federation. Cathedral (Cradle of Darkness

Book Two) Simon and Schuster Science fiction roman. **Star Trek: Enterprise: The Romulan War: To Brave the Storm** Simon and Schuster Few films have been so keenly awaited or the subject of so much internet debate as the twelfth Star Trek movie -- the first since 2002 -- which is scheduled to be released in May 2009. Directed by J.J. Abrams, creator of cutting-edge cult television shows Lost and

Alias, the film is expected to launch the Star Trek franchise into a new stellar era. Going back to the very beginnings of the classic Star Trek, the film tells how James T. Kirk, the half-Vulcan Spock, Dr McCoy, engineer Montgomery Scott and crew members Chekov, Sulu and Uhura first came together as rookie Starfleet recruits, and how they embraced the destiny that

would later send them out across the galaxy accompanied by the immortal words: 'These are the voyages of the Starship Enterprise...' A largely brand new cast including Chris Pine as Kirk, Zachary Quinto (Heroes) as Spock, Simon Pegg as Scotty, Karl Urban as McCoy alongside Eric Bana, Winona Ryder and Leonard Nimoy will bring Star Trek to a whole new audience,

while at the same time Alan Dean Foster's novelization will enthrall both existing fans and a new generation of readers.

Mission Gamma: Book Two
Simon and Schuster
Discover more about the Star Trek planets Trill and Bajor with these two sweeping and unputdownable stories starring Ezri Dax, Kira Nerys, and Benjamin Sisko of the space station Deep Space Nine. They are

a people with secrets in Trill. For centuries, they kept their true nature hidden, even taking disturbing steps to protect the small population of near-immortal symbionts with whom a privileged few Trill are joined, body, mind, and soul. They are a people who hold memory to be sacred, yet deny their own past. Now amid a whirlwind of scandal, accusations, and civil unrest, Ezri Dax must

penetrate millennia of lies and deceptions, and rediscover what should never have been forgotten. Meanwhile, in Bajor, the honeymoon is over. Following the euphoria of Bajor's entry into the Federation, the real business of making that union work has begun. But even on a world where politics and religion are intertwined, conflicting visions of Bajor's role in the interstellar

arena divide the planet's leadership. As newly minted Captain Kira Nerys sets the tone for the kind of Starfleet officer she will be, First Minister Asarem makes a bold move to define Bajor's voice in the Federation, while the returned Benjamin Sisko prepares for a future that only he, as yet, can see. The Publishers Weekly Simon and Schuster Project Ishtar - a bold endeavor to

terraform Venus, the most volatile planet in the solar system, and the grandest achievement in the spectacular career of famed terraformer Dr. Pascal Saadya. But when Saadya hits a snag in the project, he calls upon his old friend, Captain David Gold of the U.S.S. da Vinci. Part of Saadya's team is a Bynar pair, 1011 and 1110, who are using their species' natural affinity for computers to increase efficiency. Saadya's hope is that they can join forces with the da Vinci's Bynar pair. But half of the Bynar pair assigned to the S.C.E. team on the da Vinci was killed months ago, leaving only Soloman -- a non-bonded Bynar who is now a pariah in their culture. Saadya finds himself confronted not only with a failing project, but with Bynar prejudice, as 1011 and 1110 treat Soloman with nothing but contempt.... *Fallen Gods* Pocket Books/Star Trek Nearly a decade after Captain Kirk vanished, his protégé, Captain Hiraku Sulu of the USS Excelsior, leads a dangerous mission into uncharted political waters. Unprecedented peace talks with the violently xenophobic Tholian Assembly trigger a deadly confrontation aboard the Excelsior. Now Sulu and his

crew -- including Chekov, Rand, Chapel, Tuvok, and Akaar -- are thrust into an unexpected conflict between the Tholians and a mysterious new enemy, the Neyel... whose origins, if revealed, could lead to war with Earth itself. As the Tholians weave a web of vengeance, the Excelsior is flung beyond the galaxy and the crew discovers the hidden truth about the alien Neyel, forcing Sulu to

question where his responsibilities lie: with the fragile peace he must preserve, or with the victims of his own world's tragic past? *Star Trek: Deep Space Nine: The Never Ending Sacrifice* Simon and Schuster After a shocking death, space station Deep Space Nine erupts into chaos as weak political alliances unravel in the middle of the desperate search to find a killer, while

the commander of the Defiant must confront dark secrets of the past that could cost the life -- and love -- of his daughter. [Star Trek: The Original Series: Excelsior: Forged in Fire](#) Simon and Schuster An all-new novel based upon the explosive Star Trek TV series! In a desperate attempt to prevent the artificial intelligence known as Control from seizing crucial information

that could destroy all sentient life, Commander Michael Burnham donned the "Red Angel" time-travel suit and guided the USS Discovery into the future and out of harm's way. But something has gone terribly wrong, and Burnham has somehow arrived in a place far different from anything she could have imagined-- more than nine hundred years out of her time, with Discovery nowhere to be

found, and where the mysterious and cataclysmic event known as "the Burn" has utterly decimated Starfleet and, with it, the United Federation of Planets. How then can she possibly exist day-to-day in this strange place? What worlds are out there waiting to be discovered? Do any remnants of Starfleet and the Federation possibly endure? With more questions than answers,

Burnham must nevertheless forge new friendships and new alliances if she hopes to survive this future long enough for the Discovery crew to find her.... (tm), ®, & © 2021 CBS Studios, Inc. STAR TREK and related marks and logos are trademarks of CBS Studios, Inc. All Rights Reserved. **The Red King** Simon and Schuster The next novel in the Typhon Pact adventure in the universe of Star Trek:

The Next Generation. Shortly after revealing its union with the Federation's newest adversary—a coalition of galactic powers known as the Typhon Pact—the Gorn Hegemony suffers an ecological disaster that destroys the hatchery world of their critically important warrior caste. Fortunately, the Gorn had already been investigating traces of an ancient but powerful "quick

terraforming" technology left behind by a long-vanished civilization. This technology, should it prove controllable, promises to restore their delicate biological and social status quo. But when a Gorn soldier prepares to use the technology to reshape the planet Hranrar into a new warrior-caste spawning ground, threatening to extinguish the native Hranrarii, he draws the

unwanted attention of a mad Gorn trooper determined to bring the military caste into dominance. Meanwhile, as the U.S.S. Titan embarks upon a search for this potent technology in the hope of using it to heal the wounds the Federation sustained during the recent Borg crisis, Captain Riker must balance his responsibility for his crew's safety against the welfare of the Hranrarii and his duty

to the Prime Directive. With a menacing Typhon Pact fleet nipping at his heels, Riker must not only stop the Gorn warriors but also plumb the secrets of an ancient terraforming artifact. But of everyone serving aboard Titan, Commander Tuvok may be the only one who understands how dangerous such planet-altering technology can be, even when used with the best of intentions...

Simon and Schuster
In our universe, a Cardassian sleeper agent--Iliana Ghemor--was once surgically altered to resemble and replace resistance fighter Kira Nerys, future Starfleet captain and hero of the planet Bajor's liberation. That plan never reached fruition, and the fate of the agent remained unknown...until now. Robbed of the past sixteen years, Iliana Ghemor

is back with a vengeance. Over a decade and a half of imprisonment and abuse by her former masters has brought her to the brink of madness, sustained only by the twisted belief that she is, in fact, the real Kira Nerys. She has already made one near-successful attempt on the real Kira's life, but instead of assuming the identity of the woman she was intended to replace, Ghemor has set her sights

on the most unexpected target of all: Kira's other double, the malicious Intendent, Bajor's iron-fisted ruler in the alternate reality commonly known as the "Mirror Universe." But far more is unfolding in the Mirror Universe than Ghemor realizes, and the heroes of Deep Space Nine somehow must stop the false Kira without derailing the delicate flow of history that must unfold if both

universes, and countless others, are to survive. Parallel stories set in both universes reflect and build upon each other in this Two-in-One "Flip Book," the continuation of both the ongoing DS9 saga as well as the Mirror Universe line of books. Titan #1: Taking Wing Simon and Schuster William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation,

takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the

expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: Nemesis, Praetor Shinzon, slayer of the Romulan

Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of

exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to

<p>prevent the quadrant from falling into chaos.</p> <p><u>Worlds of Deep Space Nine</u> 2 Pocket Books/Star Trek</p> <p>Nearly a decade after Star Trek's Captain Kirk's disappearance, Captain Hikaru Sulu of the Starship Excelsior embarks on a dangerous mission that could potentially end in a</p>	<p>galaxy-wide war.
