Financial Accounting by Dr. S. K. Singh, Dr. Banarsi Mishra John Wiley & Sons

Provide future business professionals with a practical introduction to financial accounting. With its unique focus on building students' decision-making skills and emphasis on financial statements, Financial Accounting, 9th Canadian Edition meaningfully integrates data analytics and the importance of using accounting information in real-world decision-making. Adaptive practice opportunities and engaging real-world industry examples strengthen student understanding of accounting concepts and illustrate how these are relevant to their everyday lives and future careers in business and accounting. An increased emphasis on Indigenous perspectives and environmental, social, and governance (ESG) issues serves as a first step in urging students to acknowledge their role as individuals, students, and aspiring professionals in addressing societal inequities.

Practical Problems In Financial Accounting SBPD Publications

Updated for new accounting and auditing guidance issued, this valuable tool provides hundreds of high quality disclosure examples from carefully selected U.S. companies of different sizes, across industries such as banking, credit and insurance, communication services, and healthcare from such organizations as Scotts Miracle-Gro, Coca-Cola, Caterpillar, and BB&T. Illustrations of the most important, immediate, and challenging disclosures, such as derivatives and hedging, consolidations, and fair value measurement are provided. Hot topics include statement of cash flows, going concern, and business combinations and intangibles. This edition also provides clear, direct guidance to help you understand and comply with all significant reporting requirements and detailed indexes to help you quickly find exactly what you need.
