The Peaceful Wife ACTS Missions

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

The Letters of the Younger Pliny Hachette UK

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple

practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

AD 61-113) was also a prolific letter-writer, who numbered among his correspondents such eminent figures as Tacitus, Suetonius and the Emperor Trajan, as well as a wide circle of friends and family. His lively and very personal letters address an astonishing range of topics, from a deeply moving account of his uncle's death in the eruption that engulfed Pompeii, to observations on the early Christians - 'a desperate sort of cult carried to extravagant lengths' - from descriptions of everyday life in Rome, with its scandals and court cases, to Pliny's life in the country.

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts - How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Blessed, Broken, and Scared. What does that mean? We know that Jesus took bread, blessed it, broke it, and shared it with His friends saying, "This is my body, which will be given for you; do this in memory of me." The Last Supper challenges us to live in such a way that we actually become the sacred food of Jesus Christ for others as we share our lives with them. And that can be scary! *Blessed, Broken, and Scared* calls the reader to a conversion from living a scared life to living a shared life. It is in sharing our life with others that we find the healing and peace we truly seek. All people are wounded by the world and have areas of hidden brokenness in their life. This book offers hope, healing, and change as it explores the profound implications of God's mercy, forgiveness, and love. "Brian addresses some very important issues in a conversational style that invites you into his book. Let this book, in a "sea of purple," be a place for us to share and be blessed. This book will truly encourage us to be Eucharist for one another." Fr. Martin Schratz OFM Cap. Brian has been sharing his *Blessed, Broken, and Scared* retreats around the country for years. Now the message has been captured in this book. Here is what some past retreatants have had to say: "Brian opens himself to all and helped us see that our brokenness isn't a deterrent to God's love and healing. Our retreat was truly a special day." "Should be required for today's Christians and Catholics." "One of the best day retreats that I have attended in nearly 40 years! So much to reflect on and put into action." "I have been to many seminars, webinars, retreats and have been blessed to have read many great books, but I have to say...this retreat impacted my life as to learning more about God's will in my life than any other book, resource, event ever has! Thanks be to God!" Brian Pusateri is a Christian author and speaker. Brian felt his life was forever changed when God spoke to his heart while attending a retreat in 2011. With the God-inspired message of mercy and unconditional love, Brian has been impacting others all over the country and around the world with his weekly letters, talks, and retreats. Brian and his wife of 45 years, Mary Beth, live in, and love the Carolina

"A long and happy marriage." It sounds like the end of a fairy tale--an illusion that modern times have exposed. And it is, if marriage depends on a constant stream of romantic emotion, or even on copious amounts of time or money. Thank the Lord, none of those are necessary. Two thousand years ago, Paul gave women the key to a successful marriage, and it can be summed up in two words: unconditional respect. It's not popular. It doesn't sound fair. It can be hard to imagine. But it works. Nina Roesner has led countless women through this practical and life-changing journey, and in *The Respect Dare* she offers you the hope that so many others have found. Day by day, true stories and thought-provoking questions will help you apply biblical wisdom to the most important relationship in your life. The book is filled with stories of struggle and success, and many practical applications of respect that have dramatically impacted marriages. Give it forty days. Experience the intimacy God intended and discover what he can do in your heart and in your marriage when you choose to show respect his way.

Sacred Pathways reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of *Sacred Pathways*, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. *Sacred Pathways* will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. A *Sacred Pathways* video Bible study is also available for group or individual use, sold separately.

"Wollstonecraft's *Letters Written in Sweden, Norway, and Denmark* is a deeply personal travel narrative. The twenty-five letters cover a wide range of topics, from sociological reflections on Scandinavia and its peoples to philosophical questions regarding identity to musings on her relationship with Imlay (although he is not referred to by name in the text). Using the rhetoric of the sublime, Wollstonecraft explores the relationship between the self and society. Reflecting the strong influence of Rousseau, *Letters Written in Sweden* shares the themes of the French philosopher's *Reveries of a Solitary Walker* (1782): "the search for the source of human happiness, the stoic rejection of material goods, the ecstatic embrace of nature, and the essential role of sentiment in understanding". While Rousseau ultimately rejects society, however, Wollstonecraft celebrates domestic scenes and industrial progress in her text."--Wikipedia.

The language we use when we are in love is not a language we speak, for it is addressed to ourselves and to our imaginary beloved. It is a language of solitude, of mythology, of what Barthes calls an image repertoire. This work revives - beyond the psychological or clinical enterprises which have characterized such researches in our culture - the notion of the amorous subject. It should be enjoyed and understood by two groups of readers: those who have been in love (or think they have, which is the same thing), and those who have never been in love (or think they have not, which is the same thing).
