 Celebrate the
 LGTBQ

community global
 with this small celebration of
 but perfectly LGBTQ
 formed guide culture. In the
 to Pride. What 50-odd years
 began as a since the
 protest for gay original
 rights protest, and
 following the what is now
 Stonewall riots widely
 of 1969 in accepted to
 New York has be the first
 grown to Pride march -
 become a Christopher

Street Liberation Day, 1970 - Pride events are now attended by millions each year, celebrating how far we've come, recognising where we have to go and highlighting important causes in the queer community. The Little Book of Pride is a concise look at everything you need to know about Pride, revealing the history, the key people involved, the

best Pride events around the world, inspirational quotes from famous queers, Pride facts and a fun Pride survival guide. *The Complete Kake Comics* Hachette UK 'Truly brilliant' - Matthew Parris, Times columnist If any event in recent British history has spawned more bollocks than Brexit, it is hard to remember when. Now, in a successor volume to the perennial bestsellers *The Little Book of*

Complete Bollocks and The Little Book of Management Bollocks, comes the definitive and hilarious insight into what politicians really mean when they talk about Brexit. We know all the phrases - 'Orderly Departure', 'Crashing Out', 'Remoaners' and many more - but in *The Little Book of Brexit Bollocks* all is finally made crystal clear by authors Alistair Beaton and Tom Mitchelson.

They reveal which notorious politician devised the term 'Ever Closer Union', and what he was actually talking about; one daily newspaper branded three High Court judges 'Enemies of the People', but this book reveals who the true enemies are. So whether you believe Nigel Farage is a national hero or a national embarrassment, this book will finally bring some cheer and

relief from the agony of Brexit as we head into the Transition Period (which in the end may outlast us all). What's Happening to Tom? National Geographic Books Stand at attention with this pocket-sized army of free, proud, masculine fantasy men committed to pleasure and male camaraderie. With multi-panel comics and single-panel drawings and paintings, as well as

personal photographs, sketches, and reference images, The Little Book of Tom: Military Men celebrates the artist's most iconic vision of... *The Little Book of Racial Healing* Simon and Schuster After discovering that who she thought was her father was indeed not, Portland-based "zinester" Nicole Georges embarks upon a journey of identity. The Little Book of Lent

Ryland Peters & Small
A fashion icon, provocative American designer Tom Ford brings us his highly anticipated second book, which takes readers through the illustrious trajectory of his billion-dollar luxury empire established in 2005. Synonymous with high-octane glamour, opulent sexuality, and fearless fashion, Tom Ford is an iconic designer whose namesake label has devout followers across the globe, from Milan and New Delhi to Shanghai and New York. Seventeen years after his best-selling debut book *Tom Ford* (2004), which detailed his time as creative director for the Italian label Gucci, this second volume is a visual ode to Ford's eponymous brand created in 2005 and encompasses cosmetics, eyewear, menswear, and his critically acclaimed womenswear line. The revered designer not only catapulted his brand to the highest echelons of the fashion world—receiving accolades from the Council of Fashion Designers of America and *Time* magazine's Best Designer of the Year—but also commanded the attention of Hollywood by featuring loyal A-list fans such as

Julianne Moore, Lauren Hutton, Pat Cleveland, and Nicholas Hoult in his runway shows and advertising campaigns. This gorgeous slipcased volume includes dazzling imagery of Ford's clothing and accessories designs, fashion editorials featuring top models such as Gigi Hadid, Joan Smalls, Mica Argañaraz, and Jon Kortajarena, and his signature sexually-charged advertising campaigns by photographers such as Inez & Vinoodh, Nick Knight, Steven Meisel, and Mert & Marcus. This volume, printed with Forest Stewardship Council approved materials and edited by Ford personally, reflects his exceptional taste and unapologetic sensual aesthetic and is a true collector's item for his devotees and connoisseurs of fashion, style, and design.

Calling Dr. Laura Jessica Kingsley Publishers
An inspirational source of encouragement for Lent.

By the Light of the Moon The Little Book of Tom. Blue Collar
The Little Book of Broken Car Thoughts gives dealership owners and other dealership employees an understanding on how to get the job done. Most underperforming dealerships

are doing so not because of the car line they sell, the location they're in, their employees, or even the advertising but for only one reason—fear. The word fear may sound nonsensical to a dealer who has been in business for thirty years or more, but ask yourself a few questions. If your store is not performing, do you know why? If so, why haven't you made important changes? A

dealer from a premium franchise recently admitted that he avoids changes in order to keep his staff of over twenty years intact. This is what I call "broken thoughts." You'll find out how to overcome these broken thoughts with the three-car sales system described in this book and how to turn your dealership into a well-oiled machine. *There's a Wolf in Your Book: World Book Day 2021*

Puffin Books
A comprehensive guide to small-space secrets and real-life solutions for living in 1,200 square feet or less. The Little Book of Living Small shows readers how to make the most of limited square footage—with grace and style—and serves as the cheerleader readers need to help themselves feel satisfied and proud of their choice to live with less. In addition to exploring both the motivation

behind choosing to live in a small space, as well as the practical, everyday advice for managing a tight footprint, *The Little Book of Living Small* also includes case studies: 12 style-savvy, small-space dwellers open their doors and share their design secrets. Author Laura Fenton covers a range of homes including studio apartments, one- and two-bedroom houses, a tiny

house, a co-living space, and even whole houses. Stylistically these homes range from urban, rural, minimalist, and country, with the unifying thread that they are all real homes of less than 1,200 square feet that offer clever solutions that readers can use in their own homes. Laura Fenton is the lifestyle director at *Parents* magazine. With more than fifteen years of experience,

her work has appeared in major publications including *Better Homes & Gardens*, *Country Living*, *Good Housekeeping*, and on leading home websites including *Remodelista.com*, *HGTV.com*, *ElleDecor.com*, *HouseBeautiful.com*, *Refinery29*, and elsewhere. Through her writing she has explored the topic of living small for more than a decade. She lives small

with her husband, a photographer, and their son in Jackson Heights, Queens, in New York. The Little Wooden Robot and the Log Princess Summersdale Oh no! The museum's crocodile has escaped and it's chasing all the children! Chomp! Chomp! Chomp! What will make it go away? Let's try making LOTS of noise. Clang! Bang! Stomp! Clomp! A fun, raucous romp for imaginative

young readers and small, brave adventurers. **The Little Book of Senior Moments** Gibbs Smith Get beneath the tight jeans of Tom of Finland's working-class heroes with this pocket-sized package of blue-collar lovers. With a brawny lineup of multi-panel comics and single-panel drawings and paintings, as well as photographs and sketches, this neat little book explores the tough physical types

who fascinated Tom since his very first crush. *Best Book Day Ever (so Far)* Frances Lincoln Children's Books All 26 episodes of the Kake comic serial have been collected in one volume--a reflection of a time when gay men were men, sex was carefree, and everyone wore a big, thick, mustache. **Poop Fountain!** Random House This hilarious,

highly original series, which so astutely captures the odd preoccupations of middle schoolers, will appeal to the many fans of the Origami Yoda series and such gross-out classics as *How to Eat Fried Worms* and *Freckle Juice*. Lyle Hertzog and his friends Marilla and Dave expect to spend another dull holiday passing time at the local Qwickpick convenience store. Then an article in their

hometown paper catches their eye—the sludge fountain at the nearby sewage plant is being retired. With this news, the three friends decide they’re not just normal kids who don’t have Christmas plans: they’re the Qwickpick Adventure Society. Their first mission: to see the “poop fountain” before it fades from glory. Told with the mix of journal entries, doodles, and handwritten

notes that has made the Origami Yoda books so appealing, this is another great series from a master chronicler of middle school. Praise for *The Qwickpick Papers* "Laugh-out-loud high jinks tailor-made for reluctant readers. A hilarious and well-designed update." -- School Library Journal Summer 2014 Kids' Indie Next List [The Little Book of Pride](#) Fleurus Tom has gone to the shops for his mum

and he fell over and got hurt but he made it all the way home.

Tom's Little Sister

HarperChristia

A spectacular book showing life and work of the Finnish icon from an unknown perspective with around 150 illustrations and well researched texts. Tom of Finland has become the most famous and influential Finnish artist of the 20th century. Born Touko Laaksonen in 1920, his

iconic depiction of self-confident and life-affirming gayness gave decisive impulses to the international gay movements from the 1960s onwards. But although we clearly associate his portrayals of sensual and powerful cowboys, farm hands, soldiers and leathermen with the USA, Tom of Finland's rise to gay icon received the game-changing

impetus neither in his native Finland nor in the USA. It was, of all places, the city of Hamburg and Tom's friendship with key exponents of the local gay scene in the early 1970s that helped him to his first exhibition ever. He even created a grand mural for the legendary "Tom's Bar", until today the only one legitimately named after him. Regular commissions to design posters and

ads for gay events in Hamburg allowed him to launch his artistic career after quitting his day job as advertising executive, and led to the creation of the most extensive private collection of his drawings to date. Galerie Judin is now devoting an exhibition and a comprehensive publication to these seminal, but thus far little researched years, the art they generated and

the friendships they formed. The book includes texts by Juerg Judin, Pay Matthis Karstens, Kati Mustola and Alice Delage, conversations with Durk Dehner and Michael P. Hartleben - and a facsimile of the artist's German travel diary from 1955. Captain Tom Moore SPCK The new book from James and street cat Bob. 'One thing I've known about Bob from the very beginning is

that he possesses a wisdom that is unusual, even in cats. In the decade since we met he's grown even wiser in my eyes. This book is a collection of the insights I've gained during my years with Bob.' In the spring of 2007, busker James Bowen came across an injured ginger tom cat in the hallway of his shelter in north London. What he didn't know was that this would be the start of a friendship that

would turn both their lives around, and lead to A Street Cat Named Bob, the international bestseller that tells the story of their friendship. The Little Book of Bob is a collection of the wisdom James has learnt from Bob throughout the years, as they go through thick and thin together. From the power of friendship to staying calm and finding the joys in a simple life, let

Bob be your guide on how to navigate the ins and outs of life like a wise street cat. (P)2019 Hodder & Stoughton Limited

“Dream big, Little Mole, be brilliant, be YOU ...” Join one little mole as she follows her dream of building the biggest hole ever, and learns along the way that everyone has something special to give the world – it just sometimes takes a little

time (and a few mishaps!) to discover what that special something is. A powerful celebration of embracing who you are and finding your own unique talent from Tom Percival, the creator of Ruby's Worry. With charming illustrations by Christine Pym. This audio-enabled edition comes with a gorgeous reading by Sam Newton, along with music and sound effects. [Dream Big, Little Mole](#)

Bloomsbury Publishing From the creator of Perfectly Norman comes a sensitive and reassuring story about what to do when a worry won't leave you alone. Meet Ruby--a happy, curious, imaginative girl. But one day, she finds something unexpected: a Worry. It's not such a big Worry, at first. But every day, it grows a little bigger . . . And a little bigger . . . Until eventually,

the Worry is ENORMOUS and is all she can think about. But when Ruby befriends a young boy, she discovers that everyone has worries, and not only that, there's a great way to get rid of them too . . . This perceptive and poignant story is the perfect springboard for talking to children about emotional intelligence and sharing hidden anxieties. The Big Bright Feelings picture books

provide kid-friendly entry points into emotional intelligence topics--from being true to yourself, to worrying, to anger management, to making friends. These topics can be difficult to talk about. But these books act as sensitive and reassuring springboards for conversations about mental and emotional health, positive self-image, building self-confidence, and managing feelings. Read
