## MARISOL LENNON

Wind Energy and Wildlife Impacts Springer

When Ira is sent home early from his work on All Hallows' Eve, he finds a mysterious woman lingering on a bridge. She is desperate and wild, and as she falls into the river below, Ira follows, determined to save her against all odds. But when she awakens, he finds nearly drowning is the least of her worries. A far darker entity is haunting her. Can he save her before the time runs out?

### **The Salt Path** BRILL

The Annals of St-Bertin, covering the years 830 to 882, are the main narrative source for the Carolingian world in the ninth century. This richly-annotated translation by a leading British specialist makes these Carolingian histories accessible in English for the first time, encouraging readers to reassess and evaluate a crucially formative period of European history. Produced in the 830s in the imperial palace of Louis the Pious, The Annals of St-Bertin were continued away from the Court, first by Bishop Prudentius of Troyes, then by the great scholar-politician

Archbishop Hinemar of Rheims. The authors' distinctive voices and interests give the work a personal tone rarely found in medieval annals. They also contain uniquely detailed information on Carolingian politics, especially the reign of the West Frankish king, Charles the Bald (840-877). No other source offers so much evidence on the Continental activities of the Vikings. Janet L. Nelson offers in this volume both an entrée to a crucial Carolingian source and an introduction to the historical setting of the Annals and possible ways of reading the evidence. The Annals of St-Bertin will be valuable reading for academics, research students and undergraduates in medieval history, archaeology and medieval languages. It will also fascinate any general reader with an interest in the development of European culture and society.

*Emerging Trends in Sales Thought and Practice* eXtasy Books

I'm Off Then has sold more than three million copies in Germany and has been translated into eleven languages. The number of pilgrims along the Camino has increased by 20 percent since the book was published. Hape Kerkeling's spiritual journey has struck a chord. Overweight, overworked, and disenchanted, Kerkeling was an unlikely candidate to make the arduous pilgrimage across

the Pyrenees to the Spanish shrine of St. James, a 1,200-year-old journey undertaken by nearly 100,000 people every year. But he decided to get off the couch and do it anyway. Lonely and searching for meaning along the way, he began the journal that turned into this utterly frank, engaging book. Filled with unforgettable characters, historic landscapes, and Kerkeleing's self-deprecating humor, *I'm Off Then* is an inspiring travelogue, a publishing phenomenon, and a spiritual journey unlike any other.

Inhold: 1. Military Organization in the Light of Written Sources; 2. Military Organization in the Light of Archaeological Sources; 3. Military Organization of the Seaborne Warriors in the Light of Written and Archaeological Sources; 4. Logistics of Military Activities.

Visions for Global Tourism Industry Praeger

Contains discussions on current topics in flavor research, such as bioassays for flavor, sweetness, antagonists, chemesthesis, biotechnology in the flavor industry, quantitative and sensory aspects of flavors of vegetables and fruits, hydrolytic flavor release in fruit and wine, and key flavors from heat reactions. Also discusses sample preparation, computer technology, and the instruments and techniques currently used in flavor research.

**Die Pfalz am Rhein** Bruckmann Verlag

Ausgetretene Wege in bekannten, aber auch wandermäßig wenig erschlossene Landschaften der Pfalz entdecken, dazu nimmt Matthias Wittber Sie .mit. Neben dem Pfälzer Bergland und dem Westrich lässt der Pfalz-Kenner den Leser auch an verborgenen Touren im Pfälzerwald und entlang den Weinbaugebieten der Deutschen Weinstraße teilhaben. Entdecken Sie den Wandergenuss in Deutschlands wenig bekanntem »wilden« Südwesten

*Rheinhessen* J.H.Röll Verlag

Rundwanderungen von 3 bis 5 Stunden Dauer ermöglichen es, das größte deutsche Weinbaugebiet zu Fuß kennenzulernen. Jeweils mit detaillierter Streckenbeschreibung, Karte und ausführlichen Erläuterungen; reich illustriert.

Zukunft kleiner Gemeinden in Rheinland-Pfalz Manchester University Press

Homo heidelbergensis.

Just days after Raynor learns that Moth, her husband of 32 years, is terminally ill, their home is taken away and they lose their livelihood. With nothing left and little time, they make the brave and impulsive decision to walk the 630 miles of the sea-swept South West Coast Path. Carrying only the essentials for survival on their backs, they live wild in the ancient, weathered landscape of cliffs, sea and sky. Yet through every step, every encounter and every test along the way, their walk becomes a remarkable journey. THE SALT PATH is an honest and life-affirming true story of coming to terms with grief and the healing power of the natural world. Ultimately, it is a portrayal of home, and how it can

be lost, rebuilt and rediscovered in the most unexpected ways. *Notizblatt des Hessischen Landesamtes für Bodenforschung zu Wiesbaden* London : Chapman and Hall

We have been witnessing huge competition among the organisations in the business world. Companies, NGO's and governments are looking for innovative ways to compete in the global tourism market. In the classical literature of business the main purpose is to make a profit. However, if purpose only focus on the profit it will not to be easy for them to achieve. Nowadays, it is more important for organisations to discover how to create a strong strategy in order to be more competitive in the marketplace. Increasingly, organisations have been using innovative approaches to strengthen their position. Innovative working enables organisations to make their position much more competitive and being much more value-orientated in the global tourism industry. In this book, we are pleased to present many papers from all over the world that discuss the impact of tourism business strategies from innovative perspectives. This book also will help practitioners and academician to extend their vision in the light of scientific approaches.

Sustainable and Innovative Wine Tourism Wiley-VCH

As part of the support that Cajamar Caja Rural provides to the agri-food business, the wine sector has received special attention in recent years. It is an activity to be found in practically every part of the Spanish State and its impact, not only in terms of land use, with more than 900,000 hectares dedicated to vine growing, but socially and economically as well, with 110,000 agricultural holdings and over 4,300 wineries, is considerable. [Editeur].

Table of Contents

*54th Pioneer Infantry with the Army of Occupation, Third U.S. Army*

This book provides a state-of-art overview of the significant advances in understanding the impacts of wind energy on wildlife. However, many challenges remain regarding planning and policy, assessment of direct and indirect effects on wildlife, methodological approaches, technology development, and mitigation strategies and their effectiveness. The book comprises a selection of the best contributions presented at the 4th Conference on Wind energy and Wildlife impacts, held in Estoril, Portugal, 2017. The contents promote the international cooperation among researchers, developers, regulators and stakeholders that have contributed to building knowledge on this topic.

*Rheinhessen und die Umgebung von Mainz*

This volume examines Scots serving as governors in the empires of Denmark-Norway, Sweden, Russia, and the Atlantic and South Asian sectors of the British Empire with a view to understanding Scotland's distinctive participation within European imperialism.
