Chain, Belly chain, Shirt stud, Silambu, Zierscheibe, Temple ring, Kilt pin, Puzzle jewelry, Lock ring, Keyur, Omega chain, Quoit. Excerpt: The Celtic brooch, more properly called the penannular brooch, and its closely related type, the pseudo-penannular brooch, are types of brooch clothes fasteners, often rather large. They are especially associated with the beginning of the Early Medieval period in the British Isles, although they are found in other times and places-for example, forming part of traditional female dress in areas in modern North Africa. Beginning as utilitarian fasteners in the Iron Age and Roman period, they are especially associated with the highly ornate brooches produced in precious metal for the elites of Ireland and Scotland from about 700 to 900, which are popularly known as Celtic brooches or similar terms. They are the most significant objects in high-quality secular metalwork from Early Medieval Celtic art, or

Insular art, as art historians prefer to call it. The type continued in simpler forms such as the thistle brooch into the 11th century, during what is often known as the Viking Age in Ireland and Scotland. Both penannular and pseudo-penannular brooches feature a long pin attached by its head to a ring; the pin can move freely around the ring as far as the terminals, which are close together. In the true...

James Wearing, a 45-year old archaeologist, is urgently called back to Sydney after the murder of his brother Alex, an eminent professor. At the same time, a Celtic dagger, gold torque and ring are reported missing from the University where Alex and James work. When James finds the dagger in his office and it is later found to be the murder weapon, he becomes Chief Inspector Fitzjohn's prime suspect. James set out to find his brother's killer

and to prove his own innocence.

The Fighting Irish tells the remarkable story of how the Irish and their descendants took the boxing world by storm. Irishmen have enjoyed a unique place in the sport, punching way above their weight and exerting a truly global influence. From the brutal bare-knuckle era to the present day, they've also played their part in many of the most famous - and infamous - moments in ring history. The French have their flamboyance, the Germans efficiency, but no one likes a scrap quite like the Irish. It's hardly surprising, then, that the boxer should become a source of national pride, not least for those people forced through famine to seek a new life in the new world. John Morrissey, Yankee Sullivan, John C. Heenan and Paddy Ryan paved the way for the sport's first superstar, John L. Sullivan. His boast that he could 'lick any son-of-a-bitch in the house' tapped into the mood of a people fighting for their place in America's melting pot of immigrants. From the brazen Boston Strong Boy to Gentleman Jim Corbett, legend of the 'Roaring '20s' Jack Dempsey through to James J. championship of the world, satisfaction was guaranteed. The Fighting Irish also looks at that glorious era of ethnic match-ups when Irishman and Jew traded blows; at racism and the search for the Great White Hope; fighters who united the most divided of communities; and the ultimate price paid by some in

the pursuit of ring glory. It's a roller-coaster ride of pride and passion, raw courage and sublime skill. McLarnin, McGuigan, McAuliffe, McCullough, Corbett, Cooney, Conn, Monaghan and Micky Ward - each distinctive, yet linked by the Celtic warrior culture. The Fighting Irish is the ultimate tale of trial and tribulation, tragedy and triumph.

Ancient & Mediaeval Sculptured Stones of Islay Sheridan House, Inc.

Winifred's Well explores a moment when Britain's oldest continuous pilgrimage site was threatened. A 1917 mining incident suddenly diverted the flow of water from the healing well that predates Lourdes by at least seven centuries. The journey to recover this forgotten story of the well and its protectors draws together the author, the heir of an old Welsh family, and even a contemporary Archdruidess-each seeking in a different way. The journey ends at a rarely seen underground lake that lies beneath a mountain in rural Flintshire. Extensively researched, the book interweaves the story of Lady Anna Maria Mostyn with the author's present-day search for the physical and spiritual sources of St. Winifred's Well. Lady Mostyn's crusade to save the well from powerful mining interests at the turn of the twentieth century has a contemporary ring. And the legend of St. Winifred, mingled with elements from the deep Celtic past, offers ground for exploring the primal fascination with powerful watersources that cuts across time and culture. With the resurgence of interest in Celtic spirituality, it is surprising that no book in print has the remarkable well at Holywell as its focus. Winifred's Well unfolds the evocative power of the place as the author came to experience it-through chance meetings, discoveries, recovered

documents, and unexpected connections. The book is illustrated with original photographs and historical images from the author's collection.

The Bulletin of the Board of Celtic Studies Oxford University Press

"The Green Man" - icon of the Celtic faith - is murdered. His daughter Morwenna asks Home Guard sergeant Ben Oakley, a retired detective, for help. Despite his being committed to organising a secret army in case of the anticipated German invasion, together they unmask the killers but in so doing, they discover a spy ring and Ben comes to realise that the idyllic Somerset village in which he lives is the epicentre of the secret Pagan world...

Sean Fallon: Celtic's Iron Man Tickling Keys, Inc.

Bjorn and Frytha share a bond, both orphans and survivors of Norman attacks on their homes in the Lake country. Growing up together in Jarl Buthar's Norse stronghold, they become fast friends, with Bjorn dreaming of becoming a harper like his father. As they come of age within this secret fortress, they hear word of

the Norman attacks beyond their walls, drawing ever closer to the safety of their home. Can they help protect their adoptive home and family, or will they lose everything all over again?

Celtic Ornament in the British Isles Down to A.D. 700

Dalcassian Publishing Company

From Cape Wrath to Finisterre is a travelogue and an homage to Celtic lands and waters, from their northern to their south western landfalls. Cape Wrath points towards the Arctic Circle at Scotland's furthest northerly limit. "Perhaps I was looking for a homeland, perhaps not, or at any rate a place where it would be worth trying to live for a while as well as one can for as long as it lasts." Finisterre, the furthest point in Galicia in northern Spain, was so named for being "The End of the Earth," Larsson's contemplative musings on life as seen from the cockpit and deck of his yacht enliven this journey from Denmark around Scotland, through the Irish Sea and onwards to Brittany and Spain. "Yes, I admit to rootlessness and impermanence," he admits. "But restlessness, on the other hand, is a scourge. It and its modern variant, stress, the futility of running round in circles, are to be avoided at all costs. It is far from certain, of course, that this way of life would suit everybody, but if it instils in someone the desire to experiment with alternatives. I shall be happy."

The Celtic Dagger BAR British Series

History and modern lore of the traditional Irish love-ring.

Roman and Celtic Objects from Anglo-Saxon Graves Hal Leonard Corporation

American Researcher & Symbologist Jeff Friday has compiled the world's most extensive list of Art work with the Greek & Latin Names of God produced in the Old World Cultures. Place finds

This book will appeal to a large range of readers: Artists, Non-Fiction Symbologist, Ancient Cultural Image exchanges, Students, Teachers and Spiritual connections to Religious Iconography.

The Posy Ring Cambridge University Press

A modern retelling of A Midsummer Night's Dream, this story of a 15-year-old American girl's experience studying abroad in the Irish countryside borrows elements from Irish folklore and escapist-fantasy fiction. Adjustment to life with an Irish family is hard at first, but she forges a bond with her new school friends when, late one night, they slip out into the surrounding woods and revel with fairy-like creatures at a magical wedding party. Real settings in Ireland provide the backdrop for the story, and the Shakespearean storyline serves well to depict an adolescent's breakthrough from outsider status to membership in an

enchanted society.

Celtic hanging-bowls were produced from the fifth to the eleventh century and range from simple functional vessels to great masterpieces of the period. The first part of the publication sets the bowls in their historical and cultural background and discusses all key aspects of hanging-bowl research, including the much-disputed topics of origin, use, and chronology. The second part is a comprehensive and highly detailed catalogue, dealing with the whole series from Britain and Europe. The publication is lavishly illustrated with over a thousand black and white illustrations and eight colour plates. This long-awaited book by the leading authority on the subject will become the definitive work on this distinctive class of Celtic artefact.

Corpus of Celtic Finds in Hungary: Transdanubia 1 Courier Corporation

Fairies are a challenging subject, intertwining culture, folklore, and anecdotal accounts across centuries and millennia. Focusing

primarily on the Celtic speaking cultures, with some material from adjacent cultures including Anglo-Saxon and Norse, *A New Dictionary of Fairies* has in-depth entries on a variety of fairies as well as subjects related to them, such as why we picture elves with pointed ears or where the idea of fairies being invisible comes from. It also tackles more complicated topics like the nature and physicality of the fairy people. Anyone with an interest in the Good Neighbours will find this book a solid resource to draw from.
