Little Rain** R.I.C.

Question: what do you get when you combine a poem and a joke? Answer: a limerick! These five-line rhyming poems are funny, silly, and sly. Award-winning author Brian P. Cleary explains how limericks work--and shows

how these little poems can trigger big laughs. Something Sure Smells Around Here is packed with hilarious poems to make you chuckle and chortle. And when you've finished reading, you can try your hand at writing your own limericks! Twinkl Part memoir, part essay collection, Megan Dunn's ingenious, moving, hilariously personal Things I Learned at Art School tells the story of

her early life and coming-of-age in New Zealand in the '70s, '80s and '90s. From her parents' divorce to her Smurf collection, from the mean girls at school to the mermaid movie Splash!, from her work in strip clubs and massage parlours (and one steak restaurant) to the art school of the title, this is a dazzling, killer read from a contemporary voice of comic brilliance. Chapters include: The Ballad of Western Barbie;

A Comprehensive List of All the Girls Who Teased Me at Western Heights High School, What They Looked Like and Why They Did It; On Being a Redhead; Life Begins at Forty: That Time My Uncle Killed Himself; Good Girls Write Memoirs, Bad Girls Don't Have Time; Videos I Watched with My Father; Things I Learned at Art School; CV of a Fat Waitress; Nine Months in a Massage Parlour Called Belle de Jour; Various Uses for a Low Self-esteem; Art in the Waiting Room and Submerging

Artist. Praise for Tinderbox: "Tinderbox is deadpan hilarious and Megan Dunn is a comic genius." - Susanna Andrew, Metro "Megan Dunn's wry, whip-smart memoir about Fahrenheit 451, literary ambition & the last days of Borders Bookstores is funny & insightful as hell. Like Kathy Acker meets Sue Townsend. The read of the summer! ... already one of my favourite New Zealand books." - Hera Lindsay Bird "Witty, highly entertaining." - Philip Matthews, Stuff

"Tinderbox is such a shape-shifter, such a sui generis work, that to call it a memoir does it a disservice ... [Dunn's] voice is hard to resist - sardonic, brazen, sagacious - recalling, in places, Nora Ephron, John Jeremiah Sullivan, and Maggie Nelson." - James Cook, Review 31 [Sparks in the Sky](#) Penguin Random House New Zealand Limited Jason, a twelve-year-old autistic boy who wants to become a writer, relates what his life is like as he tries to make sense of his

All societies have their own myths and legends, but they're much more than just stories. Myths and legends tell us about a people's history, science, and cultural values—the things they knew, the things they believed, and the things they felt were important.

World Myths and Legends retells tales from the Middle East, Europe, Africa, Asia, Australia, and the Americas. From the Greek myths to ancient epics like Gilgamesh and the trickster tales of Anansi the Spider, it helps readers think about why the same themes, characters, and events may show up in different parts of the globe. Along the way kids will also find lots of fun and interesting projects that let them experience the stories first-hand. World Myths and Legends unveils

wonders of the ancient world as it takes readers on a fascinating adventure of mystery and imagination. *Dogku* John Wiley & Sons Use the rhythm and rhyme of fun poetry to teach phonics! Each letter becomes part of a line in the poem, revealing a thought or a clue about the poem's topic. Award-winning author Brian P. Cleary shows how even the wackiest words can make an acrostic poem. Bow-Tie

Pasta is packed with acrostics to make you snicker and snort. And when you've finished reading, you can try your hand at writing your own poems!
