Enter through the keep and be transported back in time to everyday life in a medieval castle. The format draws readers into this hive of activity in realistic and compelling detail - the luxurious apartments of the lord and the lady of the manor, the squalor of the cesspit cleaner, and prisoners left to rot in the secret dungeons, all embellished by text with odles of astonishing facts. *How I Became A Ghost* Darby Creek™

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing

for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

A young boy named Natt finds his world overturned when his family is uprooted and exiled to Siberia during the occupation of the Soviet Ukraine by Nazi Germany. In 1941, life in Natt's small town of Zastavna is comfortable and familiar, even if the grownups are acting strange, and his parents treat him like a baby. Natt knows there's a war on, of course, but he's glad their family didn't emigrate to Canada when they had a chance. His mother didn't want to leave their home, and neither did he. He especially wouldn't want to leave his best friend,

Max. Max is the ideas guy, and he hears what's going on in the world from his older sisters. Together the boys are two brave musketeers. Then one day Natt goes home and finds his family huddled around the radio. The Russians are taking over. The churches and synagogues will close, Hebrew school will be held in secret, and there are tanks and soldiers in the street. But it's exciting, too. Natt wants to become a Young Pioneer, to show outstanding revolutionary spirit and make their new leader, Comrade Stalin, proud. But life under the Russians is hard. The soldiers are poor. They eat up all the food and they even take over Natt's house. Then Natt's father is arrested, and even Natt is detained and questioned. He feels like a nomad, sleeping at other people's houses while his mother works to free his father. As the adults try to protect him from the reality of their situation, and local authorities begin to round up deportees bound for Siberia, Natt is filled with a sense of guilt and grief. Why wasn't he brave enough to look up at the prison window when his mother took him to see his father for what might be the last time? Or

can just getting through war be a heroic act in itself? In one dark tunnel, his St. Christopher medal burns suddenly hot. There's a strange smell, and Laz blacks out. When he wakes up, everything happens at once. A sword is put to his throat. Men who look like extras from *Pirates of the Caribbean* hand him over to a ship's captain who strips him and takes his medal. He is declared a French spy. Laz realizes, to his horror, that it is 1745 and he is trapped in time. These English colonists, still loyal to King George, are at war with the French. To earn his freedom, Laz must promise to spy on the French at the fortification of Louisbourg. But once in Louisbourg, Laz earns a job as runner to the kind Commander Morpain and learns to love both the man and the town. How will Laz find a way to betray the inhabitants of Louisbourg? How else can he hope to earn back his St. Christopher medal, which is surely his key to returning to his own time? The award-winning author

of *The Hill and Graffiti Knight* has written an enthralling, swash-buckling time-slip adventure for middle-grade readers centered on a fascinating period in North American history.
