Well, here it comes... Here comes The MAT (Millennium Aptitude Test) -- the true test to see if you and your family and friends really belong in the new century. How will the government know if you really fit into their plans for the future? Well, among other evaluations, the most prevalent tool to judge one's usefulness is The MAT. Designed by a secret government agency; the MAT is similar to its well-known sister exams -- the SAT's and the GRE's. What does the MAT test: Trivial knowledge of the last fifty years -- the second half of the 20th Century. Why? Because there are just too many people on the earth and they can't all go on into the new millennium. The government must be cautious on who it allows to enter and partake of the fruits of the future. How will you stack up to the toughest trivia test ever published? If you are fans of the current TV quiz shows such as GREED and Who Wants To Be A Millionaire?, then this book is for you. And when the 'real' MAT is conducted by the government, you may stand a better chance at survival and entrance into the 21st Century. Can you answer any of these? What was Donald Trump's involvement with Mike Tyson after the boxer's rape conviction? Anita Bryant, Rush Limbaugh and Burt Reynolds had what in common? In The Shining, Jack Nicholson tried to kill his wife with a baseball bat with what players name on it? Name the song Jimi Hendrix wa0s working on the day hedied. That is why you better study up and get to know the types of questions that will be asked when a MAT is given in a school or library near you. Get an 80.5% correct average or you will have to return to the 20th Century. Sorry, but it's a cruel world out there.
