KENZIE ESTES

Ted Hughes: The Unauthorised Life Gale, Cengage Learning
Published in 1957, *Hawk in the Rain* was Ted Hughes's first collection of poems. It won the New York Poetry Centre First Publication Award, for which the judges were W. H. Auden, Stephen Spender and Marianne Moore, and the Somerset Maugham Award, and it was acclaimed by every reviewer from A. Alvarez to Edwin Muir. When Robin Skelton wrote, 'All looking for the emergence of a major poet must buy it', he was right to see in it the promise of what many now regard as the most important body of work by any poet of the twentieth century.

Ted Hughes's South Yorkshire Faber & Faber
Nine short stories ranging over four decades of the Poet Laureate's occasional fiction writing.

Open-book tests

Cambridge University Press

A Study Guide for Ted Hughes's "The Rain Horse," excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary; character analysis; author biography; study

questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Short Stories for Students* for all of your research needs.

Literature Everyman's Library

A comprehensive reference to short fiction from Great Britain, Ireland, and the British Commonwealth. With approximately 450 entries, this A-to-Z guide explores the literary contributions of such writers as Joseph Conrad, James Joyce, D H Lawrence, Rudyard Kipling, Oscar Wilde, Katherine Mansfield, Martin Amis, and others.

A Study Guide for Ted Hughes's "The Rain Horse"

Boston : Twayne Publishers

Write On is an interactive package, which contains an electronic CD-ROM, online website, and this supporting student's book. It focuses intensively on developing writing skill, concentrating on sentence and text level work.

Ted Hughes Penguin UK
This anthology is in many ways a best of the best, containing gems from thirty-four of Britain's outstanding contemporary writers. It is a book to dip into, to read

from cover to cover, to lend to friends and read again. It includes stories of love and crime, stories touched with comedy and the supernatural, stories set in London, Los Angeles, Bucharest and Tokyo. Above all, as you will discover, it satisfies Samuel Butler's anarchic pleasure principle: 'I should like to like Schumann's music better than I do; I daresay I could make myself like it better if I tried; but I do not like having to try to make myself like things; I like things that make me like them at once and no trying at all' ♦

Poems About Horses

HarperCollins UK

A captivating anthology that celebrates one of nature's most majestic creatures and the age-old bond between humans and horses. All kinds of equine characters grace these pages, from magnificent warhorses to cowboys' trusty steeds, from broken-down nags to playful colts, from wild horses to dream horses. We encounter the famous Trojan horse in Virgil's *Aeneid*, and then see it from a wholly different perspective in Matthea Harvey's whimsical "Inside the Good Idea." Longfellow's Paul Revere defies an empire on the

back of a horse, while Shakespeare's Richard III vainly offers his kingdom for one. Robert Burns's "Auld Farmer" dotes affectionately on his aging mare, while the mares of the king of Corinth in Paul Muldoon's "Glaucus" devour their owner.

Robert Frost's little horse stopping by the woods is gently puzzled by human behavior, and Ted Hughes is dazzled by a stunning vision of horses at dawn: "Grey silent fragments / Of a grey silent world." Mythical and metaphorical horses cavort alongside vividly real animals in these poems, whether they be humble servants, noble companions, beloved friends, or emblems of the wild beauty of the world beyond our grasp.

Man and Beast in the Poetry of Ted Hughes

Routledge

Nessie, the Loch Ness Monster, is tired of being told that she doesn't exist. In this crackling, lolloping story in verse, Ted Hughes describes how she sets out on the road to London for an audience with the Queen...

Ted Hughes:

Environmentalist and Ecopoet Faber & Faber
Sylvia Plath (1932-1963) was one of the writers

that defined the course of twentieth-century poetry. Her vivid, daring and complex poetry continues to captivate new generations of readers and writers. In the Letters, we discover the art of Plath's correspondence. Most has never before been published, and it is here presented unabridged, without revision, so that she speaks directly in her own words. Refreshingly candid and offering intimate details of her personal life, Plath is playful, too, entertaining a wide range of addressees, including family, friends and professional contacts, with inimitable wit and verve. The letters document Plath's extraordinary literary development: the genesis of many poems, short and long fiction, and journalism. Her endeavour to publish in a variety of genres had mixed receptions, but she was never dissuaded. Through acceptance of her work, and rejection, Plath strove to stay true to her creative vision. Well-read and curious, she simultaneously offers a fascinating commentary on contemporary culture. Leading Plath scholar Peter K. Steinberg and Karen V. Kukil, editor of

The Journals of Sylvia Plath 1950-1962, provide comprehensive footnotes and an extensive index informed by their meticulous research. Alongside a selection of photographs and Plath's own drawings, they masterfully contextualise what the pages disclose. This selection of later correspondence witnesses Plath and Hughes becoming major, influential contemporary writers, as it happened. Experiences recorded include first books and other publications; teaching; committing to writing full-time; travels; making professional acquaintances; settling in England; building a family; and buying a house. Throughout, Plath's voice is completely, uniquely her own.

The Thought Fox

Cambridge University Press

Ted Hughes's Birthday Letters are addressed, with just two exceptions, to Sylvia Plath, the American poet to whom he was married. They were written over a period of more than twenty-five years, the first a few years after her suicide in 1963, and represent Ted Hughes's only account of his relationship with Plath and of the psychological drama that led both to the writing of her greatest poems and to her death. The book became an instant bestseller on its publication in 1998 and

won the Forward Prize for Poetry in the same year.

'To read [Birthday Letters] is to experience the psychic equivalent of "the bends". It takes you down to levels of pressure where the undertruths of sadness and endurance leave you gasping.'

Seamus Heaney 'Even if it were possible to set aside its biographical value . . . its linguistic, technical and imaginative feats would guarantee its future.

Hughes is one of the most important poets of the century and this is his greatest book.' Andrew Motion

The Penguin Book of Modern British Short Stories Faber & Faber

Ted Hughes's South Yorkshire tells the untold story of Hughes's Mexborough period (1938-1951) and demonstrates conclusively that Hughes's experiences in South Yorkshire in town and country, educationally, in literature and love were decisive in forming him as the poet of his subsequent fame.

London Magazine

Prentice Hall

Ted Hughes wrote in a wide range of modes which were informed by an even wider range of contexts to which his lifetime's reading,

interests and experience gave him access. The achievement of Ted Hughes as one of the major poets of the twentieth century is complimented by his growing reputation as a writer of letters, plays, literary criticism and translations. In addition, Hughes made important contributions to education, literary history, emergent environmentalism and debates about life writing. Ted Hughes in Context brings together thirty-four contributors who inform new readings of the works, and conceptualize Hughes's work within long-standing critical traditions while acknowledging a new awareness of his future importance. This collection offers consideration not only of the most important aspects of Hughes's work, but also the most neglected.

Ted Hughes, Class and Violence Faber & Faber

Letters of Sylvia Plath

Volume II A&C Black

- Decodes the alchemical, Qabalistic, hermetic, spiritual, and Tarot-related references in many of Plath's poems
- Based on more than 15 years of research, including analysis of Plath's unpublished personal writings from the Plath archives at Indiana University
- Examines the influences of Plath's parents, her early interests in Hermeticism, and her and husband Ted Hughes's explorations in the supernatural and the occult

Sharing her more than 15 years of compelling research—including analysis of Sylvia Plath's unpublished calendars, notebooks, scrapbooks, book annotations, and underlinings, as well as published memoirs, biographies, letters, journals, and interviews with Plath and her husband, friends, and family—Plath scholar Julia Gordon-Bramer reveals Sylvia Plath's enduring interest and active practice in mysticism and the occult from childhood

until her tragic death in 1963. She examines Plath's early years growing up in a transcendentalist Unitarian church under a brilliant, if stern, Freemason father and a mother who wrote her master's dissertation on the famous alchemist Paracelsus. She reveals Plath's early knowledge of Hermeticism, how she devoured books on the occult throughout her life, and how, since adolescence, Plath regularly wrote of premonitory dreams. Examining Plath's tumultuous marriage with poet Ted Hughes, she looks at their explorations in the supernatural and Hughes's mentoring of Plath in meditation, crystal-gazing, astrology, Qabalah, Tarot, automatic writing, magical workings, and use of the Ouija board. She also reveals how, at the end of her marriage, Plath used her husband's hair and fingernails in rituals. Looking at Plath's writing and her evolution as a person through mystical, political, personal, and historical lenses, Gordon-Bramer shows how her poems take on radically new, surprising, and universal meanings—explaining

why Hughes perpetually denied that Plath was "a confessional poet." Contrasting the versions in *Letters Home* with those held in the Plath archives at Indiana University, the author also shows how all occult influences have been rigorously excised from the letters approved for publication by the Plath and Hughes Estate. Revealing significant, previously undiscovered meanings in Sylvia Plath's works, much broader than the narrow lens of her tragic autobiography, the author shows how Plath's writings are deeply rooted in her mystical and occult endeavors.

Birthday Letters

Andrews UK Limited
 SHORTLISTED FOR THE 2015 SAMUEL JOHNSON PRIZE 'Gripping and at times ineffably sad, this book would be poetic even without the poetry. It will be the standard biography of Ted Hughes for a long time to come' Sunday Times 'Seldom has the life of a writer rattled along with such furious activity ... A moving, fascinating biography' The Times
Ted Hughes' Art of Healing Nelson Thornes
 The late Ted Hughes felt that healing was the most fundamental

characteristic of all poetry. This study discusses and interprets the healing quality in Hughes' poetic works and evaluates the poet's notion of its significance for human civilization.

The Poetry of Ted

Hughes Prentice Hall

Explores the life, work and literary significance of the late Poet Laureate.
