Practice Exam Papers 2 Penguin UK
The book provides systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate Examination for December 2008 or any other examinations at the same level. The book is divided into two parts: Part A consists of ten complete listening tests. The recordings are based on authentic listening material and make use of various accents and sound effects. Part B

consists of ten speaking tests and covers a wide variety of topics such as holidays, entertainment, etc. Each Speaking Test is preceded by a Preparing for the Speaking Test section. In this section, students are familiarised with the essential language (vocabulary, useful expressions, discourse markers, etc) and ideas necessary for the test itself. Students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources. There are also two additional Speaking Tests at the end of the book to prepare students to meet the requirements of the exam. Class Audio CDs include instructions, pauses and

repeats, creating genuine exam conditions.

The Architecture of Happiness

THE NUMBER ONE INTERNATIONAL

BESTSELLER From one of our greatest voices in modern philosophy, author of *The Course of Love* and *The School of Life*, this book explores the fascinating hidden links between the buildings we live in and our long-term wellbeing.

'Engaging and intelligent . . . Full of splendid ideas, happily and beautifully expressed' *Independent* What makes a house truly beautiful? Why are many new houses so ugly? Why do we argue so bitterly about sofas and pictures - and can differences of taste ever be satisfactorily resolved? To answer these questions and many more, de Botton

looks at buildings across the world, from medieval wooden huts to modern skyscrapers; he examines sofas and cathedrals, tea sets and office complexes, and teases out a host of often surprising philosophical insights. The Architecture of Happiness will take you on a beguiling tour through the history and psychology of architecture and interior design, and will change the way you look at your home. 'Alain de Botton takes big, complex subjects and writes about them with thoughtful and deceptive innocence' Observer 'Clever, provocative and fresh as a daisy' Literary Review

FCE Use of English 2

Exam Essentials is our major British English exam preparation series combining exam preparation, practice,

and tips for the revised Cambridge English exams. This effective combination of testing and teaching has proved a popular formula with teachers and students. The first two practice tests in each book are 'walk-through' tests. Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam. Additional step-by-step support for the Writing paper is offered in all the tests. All of the tests are written by experts in the field, which means that students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams. Candidates internationally find the Speaking test very challenging. To help them deal with this, each Practice Test book comes with

a DVD-ROM which includes a bespoke video showing a complete Speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it. The DVD-ROM also features worksheets to use with the interview and all the Listening test files.
