Pirates' Treasure! Stenhouse Publishers

'Perfect for fans of Lemony Snicket' - a Book of the Year in the i News 'A whirligig of adventure' - The Telegraph _____ Bronte Mettlestone is ten years old when her parents are killed by pirates. This does not bother her much: her parents ran away to have adventures when she was a baby. She has been raised by her Aunt Isabelle, with assistance from the Butler, and has spent a pleasant childhood of afternoon teas and riding lessons. Now, however, her parents have left detailed instructions for Bronte in their will. (Instructions that, annoyingly, have been reinforced with faery cross-stitch, which means that if she doesn't complete them, terrible things could happen) She must travel the kingdoms alone, delivering gifts to ten other aunts: a farmer aunt who owns an orange orchard, a veterinarian aunt who specializes in dragon care, a pair of aunts who captain a cruise ship, and a

former rock star aunt who is now the reigning monarch of a small kingdom. But as she travels from aunt to aunt, Bronte suspects there might be more to this journey than the simple delivery of treasure; though little does she suspect that she will have to play such a big part in the extraordinary events that follow.

Treasure Island, published in 1883, popularized the now familiar characters of pirates and brought them to rum-swilling life. When an old sailor named Billy Bones dies in the inn belonging to young Jim Hawkins's parents, he leaves a greasy old map on which an "X" marks the spot where treasure is buried. Jim joins the crew of a ship in pursuit of Bones's treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.

Magic Tree House Books 1-4 Ebook Collection Random House

A book that argues that lessons in creativity, innovation, salesmanship, and entrepreneurship can come from surprising places: pirates, bootleggers, counterfeiters, hustlers, and others living and working on the margins of business and society. Who are the greatest innovators in the world? You're probably thinking Steve Jobs, Thomas Edison, Henry Ford. The usual suspects. This book isn't about them. It's about people you've never heard of. It's about people who are just as innovative, entrepreneurial, and visionary as the Jobses, Edisons, and Fords of the world. They're in the crowded streets of Shenzhen, the prisons of Somalia, the flooded coastal towns of Thailand. They are pirates, computer hackers, pranksters, and former gang leaders. Across the globe, diverse innovators operating in the black, grey, and informal economies are developing solutions to a myriad of challenges. Far from being "deviant entrepreneurs" that pose threats to our social and economic stability, these innovators display remarkable ingenuity, pioneering original methods and practices that we can learn from and apply to move formal markets. This book investigates the stories of underground innovation that make up the Misfit Economy. It examines the teeming genius of the underground. It asks: Who are these unknown visionaries? How do they work? How do they organize themselves? How do they catalyze innovation? And ultimately, how can you take these lessons into your own world?

The adventures that started it all! Newly bound together, the first four books of the fan-favorite chapter-book series are the perfect introduction to the New York Times bestselling Magic Tree House series. Parents, teachers, and librarians hail the series as a tool to promote reading, as even the most reluctant readers want to know where the Magic Tree House will take the brother-and-sister team next. The story begins with Dinosaurs Before Dark, when Jack and Annie discover a mysterious tree house filled with books and a trip back to the time of the dinosaurs follows. In The Knight at Dawn, Jack and Annie are in the Great Hall of a castle; a feast is under way, but they aren't exactly welcome guests. When the tree house whisks them back to ancient Egypt in Mummies in the Morning, Jack and Annie must help a long-dead queen solve a puzzle. And in Pirates Past Noon, Jack and Annie find a secret map that leads to buried treasure and ruthless pirates! Mary Pope Osborne brings together just the right combination of history, magic, and fast-paced adventure to satisfy kids, parents, teachers, and librarians all over the world with her New York Times bestselling series.
