He's the boy next door and my brother's best friend, the one I could be my geeky self with all the time. But when I wake up in his bed the morning after his company party, there are two things I suddenly can't ignore: 1) Campbell Murphy is all grown up in more ways than one, and 2) I no longer want to just be his best friend's sister. But is a fling worth sacrificing a lifetime of trust between our families? Or is it worth a shot at something that had always been there all along? Each book in A Different Kind of Love series can be read on its own with NO cliffhanger and a guaranteed HEA. Some are angsty and emotional while some are fun, lighthearted, and set during the holiday season... like this one!

Teens today face a bombardment of the glorification of promiscuous sex from every side. From MTV images and music lyrics to television programs popular with teens, the message

communicated is that everyone is doing it and those abstaining from sex are abnormal. Friends with benefits has become too common, almost expected. Seeking to stand up for teens and exhort them to speak for sexual purity is the youth organization, Teen Mania. In Friends without Benefits, founder Ron Luce encourages teens to know the facts (physical and biblical) about sex and sexuality so they can make wise, informed choices rather than just follow the crowd. With their identities and self images at stake, teens need a clear, encouraging, hopeful message like this. Not what feels good, but what is right. Not what is tempting, but what is true. Designed for teens, here are honest stories and discussion of issues they need to hear before it is too late.

Enjoy this FREE steamy fireman series starter by USA Today Bestselling small-town romance author Erin Wright... A Wounded Hero As a firefighter, Jaxson Anderson is well acquainted with danger. He's charged into burning buildings to rescue men and women, young and old. He's scaled ladders that towered over blistering infernos, and defied blazes that terrified lesser men. Fire? He understands. Women? Not so much. Now there's some real danger. He should know. He's been burned before. He's not interested in romance, or the perils that come with it. His priority is caring for his two small boys, and making his mark as the new fire chief of Sawyer, but everything changes the day he catches sight of Sugar, the pretty girl who works at the local bakery.

Sugar is exactly what he wants: A fun, no-strings distraction. A friends-with-benefits arrangement that won't break what's left of his heart. A Battered Heart On the heels of an abusive marriage, Sugar Stonemyer is done with men. But when Jaxson Anderson strolls into the bakery with a very wicked offer, she can't resist. One look at the fireman, and Sugar knows the Sawyer rumor mills haven't exaggerated. Jaxson's tall, dark, and smokin' hot. He wants an arrangement, nothing more, and that's perfect. Or so she thought. With each slow seduction, Sugar falls a little more. She has only herself to blame. She didn't want either of them to have feelings, but that's not how the game is played... Flames of Love is the first novel in the Firefighters of Long Valley Romance series, although all books in the Long Valley world can be read as standalones. For fans of Cynthia D'Alba, Jillian Neal, or Miranda

Lawson, this is a HOT romantic story with a guaranteed happily ever after. It does have some strong language and oh my, sexy times. Enjoy!

One of the greatest influences on teens is other teens. They listen to each other now more than ever, and learn from each how to survive and thrive in their faith and in the world. Having the ear of hundreds of thousands of teens over the years, Ron and Katie Luce have insight into their worlds. So they have invited select teens, including Honor Academy students and Teen Mania internship and missions trips alumni, to write from their hearts to their peers. These select teens have penned 50 daily devotionals, each one digging into a different aspect of teen life today. The writings will tell stories of passion, pursuing God and cultivating a servant attitude. They will deal head on with peer pressure, teen suicide, sex and purity. They will struggle with the ideals of absolutes and big dreams against the backdrop of a hopeless feeling culture in crisis. These edgy daily readings will draw teen readers into the conversations that will build a character of no compromise and equip them with leadership skills that will prepare them to not only survive but also thrive in teen years.
