ARYANNA NORMAN

Christian Theology BoD - Books on Demand

There are so many questions in life, but few are as universal as this: "What is the afterlife like?" For those who have put their hope and trust in Jesus Christ here on earth, heaven awaits. Addressing questions as basic as What will we do there? and What is it like?, theologian Dr. Paul Enns dives deep into the Scriptures while reflecting on the very personal nature of what is to come. *Heaven Revealed* is a helpful, easy-to-read guidebook for Christians as well as an encouragement for those of us who are left here on earth after our Christian loved ones fall asleep in the Lord. Follow along

as Dr. Enns succinctly leads you through what the Bible has to say about heaven. In grief, we all need hope—hope for our loved ones who are now gone, and hope for ourselves as eternity looms closer. Heaven should be something to look forward to, not something to be confused about.

InterVarsity Press

This exhaustive theology of missions focuses on theory and biblical mandates for missions as a vital part of theology. George Peters, a foremost missions authority, considers both liberal and conservative views, although his own stance is solidly evangelical.

Approaching God Springer

I want to live God's calling, but where do I begin? Be it in the midst of a spiritual lull, a midlife crisis, or an unforeseen pandemic, at some point all Christians feel the need to readdress and reorient to

move toward God's calling for their lives. *What Now?* is for anyone who wants to emerge from stagnation and envision what could be best for their next season of life. You'll learn how to: Be still and discern God's will for your life Re-envision the possibilities of your calling Turn away from isolation and turn to healthy community Boldly step out into the unknown with faith Don't let confusion or fear of the unknown keep you from moving toward the fullness of God's plan for your life. Instead, learn to listen to the spiritual whisper directing you to the next stage in your divine calling. As you long to live differently and find your heart awakening to new possibilities, *What Now?* will help you step forward bravely. [The Essential Scriptures](#) Zondervan Christians in the twenty-first century need encouragement and inspiration to lead lives that honor God. When faith is weak or the pressures of the world seem

overwhelming, remembering the great men and women of the past can inspire us to renewed strength and purpose. Our spiritual struggles are not new, and the stories of those who have gone before us can help lead the way to our own victories. 50 People Every Christian Should Know gives a glimpse into the lives of such people as Charles H. Spurgeon, G. Campbell Morgan, A. W. Tozer, Fanny Crosby, Amy Carmichael, Jonathan Edwards, James Hudson Taylor, and many more. Combining the stories of fifty of these faithful men and women, beloved author Warren W. Wiersbe offers today's readers inspiration and encouragement in life's uncertain journey.

What Now? Kregel Academic

"I can't tell you how many times I have preached and afterward promised God I would never embarrass Him like that again." Joseph M. Stowell. *Unnatural. Supernatural. A gift. Hard work. Exhilarating. Terrifying.* These words only begin to describe the challenge and reward each pastor experiences. So what can assist today's pastors in such an endeavor? The *Moody Handbook of Preaching*. With contributors like Michael Easley, Joseph Stowell, and George Sweeting, these pages will reinvigorate you with an energizing love for preaching. And with topics such as evangelism, homiletics, and historical narrative, this book will equip you to be effective in today's postmodern age. A rich resource, *The Moody Handbook of Preaching* encompasses the philosophy, formation, and delivery of preaching. Whether you're a seminary student or a seasoned pastor, this book will prove invaluable in your call by God to preach.

Approaching God (Enns) The Moody Handbook of Theology

The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of *The Moody Handbook of Theology*. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what

Christians believe. *The Moody Handbook of Theology* is a concise doctrinal reference tool for newcomers and seasoned veterans alike.

Handbook of Evangelical Theology

Baker Books

A year's worth of devotional reading that uses explanations of key Christian doctrines to open new vistas of God's call for intimacy.

Farsi Translation of *Handbook of Theology* by Paul Enns

Essential Christian Doctrine Moody Publishers

The great Christian doctrines are worth thinking through for ourselves. That's why Gordon Lewis has provided this concise and complete survey of the major truths of the Christian faith. But rather than just telling us what he has discovered in Scripture, he offers a theological workbook that helps us explore the evidence itself and to draw our own conclusions. He has organized the material around the main themes of God, Christ, the Holy Spirit, humanity, creation, the church, and the end times. This unique text has been used by students of the Bible over the last three decades in the classroom, in the home and in the church. Its enduring quality continues to make it a valuable tool for all who want to develop a systematic theology for themselves. Of Lewis's six published books, his *Decide for Yourself: A Theological Workbook* has been the most versatile. It has been used in informal neighborhood and college Bible studies, church education classes, youth groups, Bible schools, colleges, and seminaries, and extension courses in theological education. It has been translated into Arabic, Chinese, French, Lithuanian, Spanish and Vietnamese. Chapters 1-3 are updated to interact with the postmodernist views of human language.

Journal of Biblical and Theological Studies Moody Publishers

The Journal of Biblical and Theological Studies (JBTS) is an academic journal focused on the fields of Bible and Theology from an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high-level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to

students. JBTS seeks to provide high-level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an inter-denominational journal JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics.

Holy Bible (NIV) OUP USA

Provides a visual overview of the major subjects within the discipline of theology as well as various perspectives on doctrines. Packed with teaching and learning tools—from charts and timelines, to tables and visual guides—*Charts of Christian Theology and Doctrine* will help any student of theology quickly grasp and remember the basics. Notable topics include: Distinctive traits of theological systems. A guide to interpretation of biblical texts. Classic arguments for the existence of God. Charts on Christology (the study of Christ) and Pneumatology (the study of the Holy Spirit). Views of salvation and other charts on soteriology. Charts concerning ecclesiology, including guides to understanding the differing views on sacraments and church office. Key terms to the second coming of Christ. Perfect for enhancing every type of teaching and learning situation and style, including homeschooling curricula and tutoring, church classes and Sunday school. Zondervan Charts are ready references for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects, and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program.

Covenantal and Dispensational Theologies Zondervan Academic

Theology is for everyone. Everyone is a theologian of sorts. Theology simply means thinking about God and expressing those thoughts in some way. But sloppy theology is a problem. As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and unpretentious writing style, Charles Ryrie has written *Basic Theology* for every student of God's Word, from the devotional student to the seminary student. Ryrie's name has become synonymous with dispensational theology

and his texts on the subject invaluable to the Bible scholar. Now Ryrie's Basic Theology is available to you from Moody Press, the company that brings you the Ryrie Study Bible. Featuring charts, definitions, and Scripture and subject indices, Basic Theology will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the end times.

Basic Theology Moody Publishers

Every believer has a need for an understanding of systematic theology, but very few theology books present material in a personal, devotional format that appeals to the most popular level of believers. Dr. Thrasher manages to communicate the most academic biblical truth with the heart and personal connection of a pastor, achieving a depth of knowledge at an extremely approachable level. It's the astute wisdom of a professor packaged in the comfortable relatability of a friend.

Men of the Bible Moody Publishers

A unique survey of nine key Bible doctrines and the various positions within the evangelical church with respect to each doctrine.

The Moody Handbook of Preaching

Crossway

The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study. It introduces the reader to the five dimensions that provide a comprehensive view of theology: biblical, systematic, historical, dogmatic and contemporary. The apostle Paul wrote that all Scripture is 'profitable for teaching' (2 Tim. 3:16), that Timothy should 'pay close attention to...your teaching' (1 Tim. 4:16), and that leaders should 'be able both to exhort in sound doctrine and to refute those who contradict' (Titus 1:9). When he wrote these statements, Paul was referring to theology. Beyond giving basic definitions and general descriptions, author Paul Enns

summarized the substantial features of theology. In this way, he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher. There are fifty-five informative charts located at strategic points throughout the book.

Prevailing Prayer: what Hinders It? Moody Publishers

The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what Christians believe. The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike.

Lectures in Systematic Theology Moody Publishers

Everyone struggles to find explanations for their suffering. Dr. Paul Enns answers several tough, critical questions that all revolve around this central quandary of "why." Why does God allow suffering? Is suffering the result of judgment for sin? Are there even explanations for the terrors and trials we face? Dr. Enns brings answers from Scripture and from his experience as a professor and pastor, and a wounded one at that. More than anything, he brings comfort and clarity to people who are desperate for it.

Doctrine Moody Publishers

Everything that's taught in seminary . . . all in one place! Maybe you're involved in ministry but you never had the chance to go to seminary. Maybe it was many years ago and you need a refresher. Or maybe you just graduated and you don't want to forget it all. If any of these descriptions fits you, One Volume Seminary is the resource you need. This book is written by former and current faculty of Moody Bible Institute and Moody Theological Seminary. Editors Michael Boyle, Laurie Norris, and Kerwin Rodriguez combine their years of pastoral wisdom, one-on-one counseling, high-level scholarship, and savvy street-smarts from the church's frontlines to offer you a one-stop-shop for ministry training. One Volume Seminary provides sixty essays with practical advice for every aspect of church life—always grounded in the Word of God—under six main headings: Doctrinal Basics General Ministry to the Local Church Special Situations in Ministry Ministry to the World Proclaiming the Word in Worship and Preaching Practical Church Skills From baptizing a convert to balancing a budget . . . from preaching the Word to premarital counseling . . . from soteriology to spiritual warfare . . . from the Trinity to the teenager . . . this book covers it all. Though a seminary education is irreplaceable, One Volume Seminary is the next best thing to give you the training and equipping you need to succeed in ministry.
