In the ministry and in family and social relationships, a person's character is of extreme importance because it paints a picture of his or her reputation. Moreover, an individual's character is an important factor in determining how successful one becomes in dealing with others in the ministry and in other aspects of human relations. For example, a person who has various talents or abilities; but has a bad attitude or

character may be successful for a moment, but may not be able to sustain it. The renowned bible scholar, D.L. Moody, makes a great correlation between character and reputation. He stated "If I take care of my character, my reputation will take care of itself." His statement makes sense in many different ways because your reputation is a by-product of your character. Even in the natural world, bad, tarnished, or rotten seeds cannot bring about a good harvest or good products.

A writer once said; "You don't determine your destiny; your character determines your destiny." Therefore, character is the covenant foundation upon which great futures are built. Jesus was speaking about this interpretation in Matthew 7:15-20; He stated: "...by their fruit you shall know them." So, developing a Christian, God-like character that gives glory to His name is a must. We need to cultivate and develop God-like character traits that portray us as His children.

The Significance of Blood
This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped

a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do not know what is it in the blood that is so powerful

that even Satan and death- the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood
