 Seoul - Busan - Incheon - Jeju Island - Geoje Island - Gangneung - Daegu Ditch the generic travel guides that feel like they were written for your nerdy cousin who wears socks with sandals. This is the #1 Travel Guide for REAL girls traveling to South Korea for a vacation, an adventure or teaching English in South Korea.

**The Rough Guide to Seoul (Travel Guide eBook)** Wakefield Press

The Rough Guide to Seoul is the ultimate travel companion to the Korean capital, one of Asia's most intriguing and energetic cities. Comprehensive sections detail the very best places to eat, drink, shop and unwind, providing information on everything from the luxurious cafes, restaurants and clothing boutiques of Apgujeong to Hongdae's snack stands, barbeque halls and hole-in-the wall bars. Representing all of these attractions using highly detailed maps, the guide depicts Seoul's culinary scene and dynastic history with glorious colour images. Enabling readers to get to grips with Seoul's modern art and live music will help travellers to get a sense of Asia's bustling cultural scene. The guide will help you to see a side of Seoul you never thought possible, by providing you with knowledge of its royal fortresses, secluded temples, enchanting islands and the world's most visited national park. This guide contains all the information a traveller could possibly need to reach all these, and more. Make the most of your time on earthTM with The Rough Guide to Seoul.

For every fan of K-Pop music, Korean Wave dramas and Kimchi—or anyone intrigued by Korea and Korean culture—A Geek in Korea is a hip, new guide to the land of the Samsung smartphone and Gangnam Style. Author Dan Tudor first arrived in Korea on the eve of the 2002 World Cup when South Korea played Italy in the finals. What he saw inspired him to return and work in Korea. He served as *The Economist* magazine's Korea correspondent for three years, and he writes regular columns for the national daily JoongAng Ilbo newspaper. Along the way, he has developed a great love and admiration for Korean culture and the Korean people. A Geek in Korea reinvents the culture guide for the Internet age. Packed with articles and photographs, it covers all the touchstones of Korean culture—from Buddhism and Confucianism to chapters on the traditional arts and disciplines like Taekwondo. There are chapters on cultural code words and norms; personal relationships; business and technology; and symbols and practices that are peculiarly Korean. A number of chapters are devoted to Korean pop culture, with attention to the stars, idols, and urban subcultures associated with them. For visitors to Korea, the author includes a mini-guide to his favorite neighborhoods in Seoul and other places of outstanding interest. Spotting the originality and creativity of the Koreans, debunking myths about them, and answering nagging questions like why they're so obsessed with education and success—Tudor has created the perfect book for the growing ranks of Koreaphiles in this inspired, insightful, and highly informative guide.

**Seoul (South Korea) - Wink Travel Guide** \*Frommers Welcome to Seoul, a city whose value lies in its fascinating, hardworking, and diverse residents! 2023 Seoul Hallyu Travel Guide: Person:able SEOUL is a guide to Seoul's Hallyu attractions that stand as a testament to the city's dexterous pairing of seemingly disparate identities: one as a cutting-edge capital of

digital technology and repository of cultural heritage properties steeped in history and tradition, and the other as the quintessence of Eastern culture and modern global networking, as represented by the gently sloping traditional wooden buildings standing alongside gleaming skyscrapers. With a smart device-based space curation platform, we selected 100 visit-worthy locations in Seoul's five hottest districts. We also met with culture creators in each of these districts to learn about, and share with you, the city's best attractions: its residents and their stories. Those who are interested in Seoul, Hallyu, interesting spaces, and cultural content—as well as those looking to rediscover the joy of travel by exploring the nooks and crannies of Seoul's streets—will be able to find something in this booklet that opens the door to an unforgettable experience in Korea. Seoul Hallyu Travel Guide will continue serving as a guidebook for the global community by identifying and explaining the latest trends in Hallyu. [Korean Drama Locations Travel Guide - My Love From The Star, Seoul, Day 1](#) Lonely Planet Experience the best of Korea with Lonely Planet. Our 8th edition will have you checking out the chic boutiques and bars of Seoul, watching the spectacular Mass Games, dining on Busan seafood, hiking to volcanic craters and recuperating from it ail on the island paradise of Jeju-do. Lonely Planet guides are written by experts who get to the heart of every destination they visit. This fully updated edition is packed with accurate, practical and honest advice, designed to give you the information you need to make the most of your trip.

**Top 10 Seoul** Independently Published

Seoul is unique. It has traditional Asian aspects, but many aspects are among the most modern in the world. There is a great deal of contrast in the different areas of Seoul. The people of Seoul are beautiful and welcoming. Korea is a fashion trendsetter. You can celebrate the authenticity of traditional Korea and still enjoy the technological advantages offered there. Korea was ravaged by war, that's true. But it has been rebuilt into a thriving economic stronghold that has many influences on the world at large. From modern Korean pop culture to ancient houses of worship, Seoul mixes traditional and modern life in a unique and vibrant atmosphere. If you only have a few days to spend in Seoul, you need to make the most of them. That's what this travel guide is all about. Seoul and its home country of South Korea may shape your world view. There is a story of courage and hope, of rebuilding from nothing, and of the undying spirit of the people of South Korea. The People of Seoul The population density in Seoul is nearly twice that in New York City! Most residents of Seoul are Korean, with pockets of Japanese, Chinese and minorities of expatriates. The population is over 10 million. The population of Seoul has been decreasing since the 1990's, since it is an aging one, and the costs of living are high. The people of Seoul tend to be warm and welcoming, and tolerant of tourists who don't quite know where they're going. That's helpful for travelers.

Language Koreans speak... well, Korean. If you learn a few often-used words, it will be helpful for you. The language, however, is quite different from Western languages, in pronunciation and grammar. Different areas of Korea speak different dialects, but many people in Seoul speak standard Korean. This makes it a bit easier to communicate in the city, since you'll be hearing predominantly the same dialect. Korean writing utilizes a phonetic system known as hangul. In this system, sounds are "stacked" into blocks that are representative of syllables. A committee designed the system, and although it looks like small circles and right angles, it's actually logical and consistent. You may find that you can pick it up quite easily. Religious Beliefs In Seoul, the two main religions are Buddhism and Christianity. There are smatterings of other religions too, including Confucianism and Muism. Seoul has the largest Christian congregation in the world, at Yoido Full Gospel Church. Here is a quick preview of what you will learn in this tourist guide: \* Helpful information about Seoul, South Korea\* Flying into the city\* Transportation tips while you're in town\* Why Seoul is such a diverse tourist spot and what you will find most remarkable about it\* Information on luxury and budget accommodations and what you'll get for your money\* The currency used in Seoul\* Tourist attractions you should make time to see\* Other attractions for entertainment and culture\* Events that may be running during your stay\* Tips on the best places to eat & drink for all price points, whether you want simple fare, worldwide dishes or Korean/Asian flavor *Lonely Planet Pocket Seoul* Greater Than a Tourist Korean Drama Tour Guide Book 1. Korean Drama Filming Locations Travel Guide. The drama: "My love from the star" also known as "You who came from the star" or "You from another star" This book provide only 1 day travel guide of Seoul, Korea. This book will enable the readers to get to "You who came from the starts" filming locations. This is must have guide for the worldwide drama fans of "You who came from the starts". With this guide in hand, you'll be navigating Seoul in Korea without risking where to go, where to eat. Writer's experiences and backgrounds, and every efforts was done to this book to share everything from the perspective of native Korean writer. And it's all about the things people traveling to Seoul should know, regarding the most needed information and latest information along with drama filming spots in Seoul. There's also inspiring advice and wisdom for going to a country you've never been to but always wanted to go - Seoul, Korea. So you can learn more about the Korean culture and would be moved by memories of "My Love from the star". if you're still saving up for that trip to self from years ago, this book will give you a glimpse of the city and Beyond. You'll hopefully gain a deep understanding and appreciation so you can discover and enjoy Seoul to the fullest.

There's no question why it's cool so. Enjoy!
