 Harp uses the familiar figure of Bibendum and the promotional campaigns designed around him to analyze the cultural assumptions of "belle-epoque" France, including representations of gender, race and class. He also considers Michelin's efforts to promote automobile tourism in France and Europe through its famous "Red Guide" (first introduced in 1900), noting that, in the aftermath of World War I, the company sold tour guides to the battlefields of the Western Front and

favourably positioned France's participation in the war as purely defensive and unavoidable. Throughout this period, the company successfully identified the name of Michelin with many aspects of French society, from cuisine and local culture to nationalism and colonialism.

 À Corbans, non loin de la route de Verviers, en plein coeur des Cévennes, les maisons se confondent la nuit avec la forêt. Dans le silence épais et la

fraîcheur de l'obscurité, le moindre bruit devient inquiétant. Belle nuit pour un crime... Au fond d'un jardinet, un peu en retrait, une maison « biscornue », recouverte de jasmin blanc, se distingue des sévères bâtisses de la région. Franck Maréchal ne soupçonne pas qu'elle cache un mystère bien plus grand qu'il n'y paraît. Il ignore aussi qu'il va se retrouver malgré lui au coeur d'une enquête qui lui réservera bien des surprises. Car Maréchal semble s'approcher décidément trop vite d'une vérité compromettante pour le village et certains de ses habitants... L'auteur de *Vengeance d'automne* nous entraîne une fois encore au coeur d'une France secrète et mystérieuse.

« Les foules sentimentales ont un héros. C'est un type souriant affublé d'un sac à dos en forme de mappemonde et qui a rasé sa moustache pour faire plus jeune. Il traîne un rêve, notre rêve à tous : celui du voyage, de l'errance joyeuse, de l'aventure qui finit bien. Ce type, vous l'avez reconnu, c'est le routard des temps modernes, le bourlingueur professionnel. Carnet en main, l'oeil aux aguets, il rôde à travers le monde et, parce que ce type est chouette, il vous file tous ses bons plans. [...] J'ai été comme vous : je voulais être lui, l'auteur de guides de voyage. Traverser tous les continents aux frais de la princesse, le teint hâlé, le passeport tamponné, la

veste multipoches remplie de grigris africains. Moi aussi je voulais lécher mon assiette dans des gargotes pittoresques et coucher dans des palaces au Rajasthan. Tâter du dromadaire en méharée et suivre la route des vins d'Alsace. Kerouac à la petite semaine, j'aspirais à l'aventure, à condition d'avoir la clim' dans la voiture et un minibar dans la chambre. Je ne disais pas non à l'idée d'avoir mon nom sur la couverture du guide, et pourquoi pas ma photo. [...] Mais laissez-moi d'abord vous mettre en garde. Ce que vous allez lire risque de bouleverser à jamais votre perception des guides de voyage. En refermant cet ouvrage, votre collection de Routard et de Lonely Planet, preuves de votre insatiable désir d'aventures, finira peut-être à la poubelle. Vous allez découvrir, chers camarades, que l'on vous roule un peu dans la farine. Non, écrire un guide de voyage, ce n'est pas dire la vérité, toute la vérité, rien que la vérité. C'est parler d'hôtels dans lesquels on n'a pas dormi et de restaurants dans lesquels on n'a pas mangé. De musées qu'on a visités au pas de course et de vieilles villes dans

lesquelles on s'est lamentablement perdu. De pays qu'on n'aime pas et d'autochtones qui vous regardent de travers. De lieux et d'êtres qu'on ne comprend pas. Voilà de quoi ce livre est fait : de mauvaise foi et d'erreurs de jugement, de digressions sentimentales et de bourdes géographiques, de fautes historiques et de fautes d'orthographe. De cartes illisibles, de renseignements erronés, de méprises catastrophiques. Bref, du quotidien d'un auteur de guides de voyage, ce type dont tout le monde envie l'existence sans savoir ce qu'elle implique de peines et de tracas, de sang, de larmes et de sueur. Ce livre veut remettre les choses à leur place. À côté de la plaque. »

Since it was first published, French in Action: A Beginning

Course in Language and Culture—The Capretz Method has been widely recognized in the field as a model for video-based foreign-language instructional materials. The third edition, revised by Pierre Capretz and Barry Lydgate, includes new, contemporary illustrations throughout and, in the Documents section of each lesson, more-relevant information for today's students. A completely new feature is a journal by the popular character Marie-Laure, who observes and comments humorously on the political, cultural, and technological changes in the world between 1985 and today. The new edition also incorporates more content about the entire Francophone world. In use by hundreds of colleges, universities, and high schools, French in Action remains a powerful educational resource that this third edition updates for a new generation of learners. Part 2 gives students at the intermediate level the tools they need to communicate effectively in French and to understand and appreciate French and Francophone cultures. *French books in print, anglais* Stock

The Rough Guide to the Pyrenees

'In the collective unconscious, the shore of dreams ? The Beach of Alex Garland's backpacker utopia ? was uncommercialized, undiscovered by guidebook writers. And preferably, one suspects, uncontaminated by natives.' Hoping to discover what compels 700 million travellers to set out each year, Taras Grescoe embarks upon the well-worn tourist trail, armed with his trusty travel bibles ? the Michelin and Lonely Planet guides. He starts from the tip of Spain's Land's End, crossing the entire Eurasian landmass in 9 months, to reach China's End of the Earth. Along the way he stumbles across English teenagers vomiting on the beaches of Corfu and

beer-soaked Australians hollering from Contiki buses, smokes opium on hill-tribe treks in Thailand and visits the Window of the World theme park in Hong Kong. The End of Elsewhere combines a riotous on-the-road odyssey with a brilliant history of tourism, and is to be treasured by anyone who has been conned by ?authentic? travel.

Gründlich

Si un jour tu écrivais cette histoire, tu devrais l'appeler Gründlich. Ce serait un drôle de titre. C'est un mot allemand, pas exactement traduisible. Disons que c'est l'idée de faire le boulot soigneusement, méticuleusement, jusqu'au bout, sans en laisser une miette. Elle aimait tant l'Allemagne. Elle a toujours été gründlich, ta petite fille. Elle t'a aimé gründlich, dès la première nuit. Tu étais si séduisant, dans ton malheur. Ensuite elle a fait le boulot gründlich, rien à redire. Elle t'a raccommodé, elle t'a

réconcilié, elle t'a avalé tout entier, comme elle avalait les cerises, avec les noyaux. Si seulement tu avais voulu, elle t'aurait emmené au bout du monde. Et jusqu'en Chine, puisque tu y as rendez-vous, avec le secret de ta vie. Mais, petit juge, c'est loin, la Chine. Et un beau jour, tu le savais bien, elle te plaquerait là, tout seul avec un sac de cerises, dans les riantes avenues de ton joli quartier. Gründlich.

Double Takes

En somme, je les prends en charge et leur offre une croisière dans mon imaginaire. Tous frais payés. Ils en ont de la chance !
