Comprehensive
Preventive Dentistry
provides oneuser-friendly
resource that brings
together information on
thescientific basis and
clinical practice of all
aspects of
preventivedentistry. This
thorough and all-
encompassing resource
offerstechniques and
strategies for maintaining
excellent oral health
inpatients through a
regimen of preventive
measures.

Comprehensive
Preventive Dentistry is
grounded in apatient-
centered, pre-emptive,
and minimally invasive
philosophy.The book
begins by covering
individual diseases, such
as caries,periodontitis,
and oral cancer, as well as
therapies
(sealants,fluoride) and
other relevant conditions
(toothwear,hypersensitivit
y). Additionally, concepts
such as the role of
dietand nutrition in oral

health are discussed. Also covered are oral care products and new technological developments in caries diagnosis and risk assessment, periodontal disease and oral cancer, as well as new developments in home care products. A valuable and comprehensive companion that will appeal to dentists and dental hygienists, this helpful new book provides its readers with one authoritative resource that offers a reliable and helpful companion to

practicing preventive dentistry.

Sleeping with Strangers Pan Macmillan
Divided into five chapters and illustrated by Kaur, *The Sun and Her Flowers* is a journey of wilting, falling, rooting, rising, and blooming. A celebration of love in all its forms. This is the recipe of life said my mother as she held me in her arms as I wept. Think of those flowers you plant in the garden each year they will teach you that people too must wilt fall root rise in order to bloom
Be A Triangle Oxford

University Press
In *Sach Kahun Toh*, actor Neena Gupta chronicles her extraordinary personal and professional journey—from her childhood days in Delhi's Karol Bagh, through her time at the National School of Drama, to moving to Bombay in the 1980s and dealing with the struggles to find work. It details the big milestones in her life, her unconventional pregnancy and single parenthood, and a successful second innings in Bollywood. A candid, self-deprecating

portrait of the person behind the persona, it talks about her life's many choices, battling stereotypes, then and now, and how she may not be as unconventional as people think her to be. [The Sun and Her Flowers](#)
Penguin UK

This is the first book to tackle the diverse styles and multiple histories of popular musics in India. It brings together fourteen of the world's leading scholars on Indian popular music to contribute chapters on a range of topics from the classic

songs of Bollywood to contemporary remixes, summarized by a reflective afterword by popular music scholar Timothy Taylor. The chapters in this volume address the impact of media and technology on contemporary music, the variety of industrial developments and contexts for Indian popular music, and historical trends in popular music development both before and after the Indian Independence in 1947. The book identifies new

ways of engaging popular music in India beyond the Bollywood musical canon, and offers several case studies of local and regional styles of music. The contributors address the subcontinent's historical relationships with colonialism, the transnational market economies, local governmental factors, international conventions, and a host of other circumstances to shed light on the development of popular music throughout India. To illustrate each chapter

author's points, and to make available music not easily accessible in North America, the book features an Oxford web music companion website of audio and video tracks. *Masala Lab* Tranquebar Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of

the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices. Mrs Funnybones Penguin Random House India Private Limited Get ready for the best year of your life! 365 Sex Moves offers couples hot and exciting positions for every day of the year. Filled with stunning photography and short technique descriptions that get right to the point, this book allows you to

simply pick-up-and-play and do the position shown. Whether you're interested in trying something just a little different or are ready for an advanced acrobatic position, 365 Sex Moves has it all. With this sexy little guide, you'll never know what the day—or night—will bring. More Than Bollywood Quiver Books A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (The Paris Review Online). In 2006,

Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her “ribald . . . memorable

and highly relevant” (The Daily Beast) reflection is “both a eulogy and a paean to the freaks and misfits who have long given their souls to the city” (Matthew Gallaway, author of *The Metropolis Case*). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When

Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it’s a “sharp, sweetly personal . . . fascinating and honest” narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of *Pale Horse Rider*).

When a mysterious notebook, hidden during the closing months of WWII, turns up years later it is up to Dr. Griggory Semjonov and Wing Commander Nigel Grimsby of The Scholfield Group to uncover the mystery behind the undeciphered ancient cryptic symbols contained within the note book. However, brutally ruthless foreign agents are also resolved on retrieving the book by any means, including cold-blooded murder. The Scholfield

Groups decision to pursue the search sets in motion a fast paced, menacingly perilous quest for truth that takes the team through western Europe and Atlantic Canada as they unravel a network of deception, hidden agendas and the secret these symbols keep from the world for countless centuries.

Harper Collins
In her second book, award-winning actor Divya Dutta recounts her experiences with some of the stalwarts of Bollywood

who played a significant role in her film journey. She talks about the inspirations they have proved to be in her life through what they did for her and what she learnt from them. From winning an acting scholarship with Sonali Bendre to sharing a vanity van with Juhi Chawla and her bond with Shabana Azmi, she tells it all with rare candour and humility. Her interactions with stars like Irfan Khan, Amitabh Bachchan, Rakeysh Mehra and many more shows not only the deep impact they had on

her life but also how that defined the trajectory of her own career.

A New English-Hindustani Dictionary Catapult

In this wholly original work of film criticism, David Thomson, celebrated author of *The Biographical Dictionary of Film*, probes the many ways in which sexuality has shaped the movies—and the ways in which the movies have shaped sexuality.

Exploring the tangled notions of masculinity, femininity, beauty, and sex that characterize our

cinematic imagination—and drawing on examples that range from advertising to pornography, *Bonnie and Clyde to Call Me by Your Name*—Thomson illuminates how film as art, entertainment, and business has historically been a polite cover for a kind of erotic séance. In so doing, he casts the art and the artists we love in a new light, and reveals how film can both expose the fault lines in conventional masculinity and point the way past it, toward a more nuanced

understanding of what it means to be a person with desires.

Getting Wild Sex from Your Conservative Woman Simon and Schuster

As women of childbearing age have become heavier, the trade-off between maternal and child health created by variation in gestational weight gain has become more difficult to reconcile. *Weight Gain During Pregnancy* responds to the need for a reexamination of the 1990 Institute of Medicine guidelines for weight gain

during pregnancy. It builds on the conceptual framework that underscored the 1990 weight gain guidelines and addresses the need to update them through a comprehensive review of the literature and independent analyses of existing databases. The book explores relationships between weight gain during pregnancy and a variety of factors (e.g., the mother's weight and height before pregnancy) and places this in the context of the health of

the infant and the mother, presenting specific, updated target ranges for weight gain during pregnancy and guidelines for proper measurement. New features of this book include a specific range of recommended gain for obese women. *Weight Gain During Pregnancy* is intended to assist practitioners who care for women of childbearing age, policy makers, educators, researchers, and the pregnant women themselves to understand the role of gestational weight gain and to

provide them with the tools needed to promote optimal pregnancy outcomes.

Oration on the Dignity of Man ZIP Reads

Many women feel challenged and speechless when trying to ask a guy out! - This short book gives you a solid approach to get a "Yes"! - Don't blow it! - Get this power kick BEFORE you take the step - These very simple tactics will give you a new confidence edge and multiply your chances of success with him.

A Place in My Heart

John Wiley & Sons

What makes Piyush Pandey an extraordinary advertising man, friend, partner and leader of men? How does he manage to exude childlike enthusiasm, and bring such deep commitment to his work? You've seen most of the things that Piyush Pandey has seen in his life. You've seen

cobblers, carpenters, cricketers, trains, villages, towns and cities. What makes Piyush different is the perspective from which he views the same things you've seen, his ability to store all that he sees into some recesses of his brain and then retrieve them at short notice when he needs to. That ability combined with his love, passion and understanding of advertising and of consumers make him the master storyteller that he is. In Pandeymonium, Piyush talks about his

influences, right from his childhood in Jaipur and being a Ranji cricketer, to his philosophy, failures and lessons in advertising in particular and life in general. Lucid, inspiring and unputdownable, this memoir gives you an inside peek into the mind and creative genius of the man who defines advertising in India.

Pretty Woman Hopeful Monster

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while

performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver

and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date,

acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film

industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

Mafia Queens of Mumbai
Penguin Books

One of the most enduring divas of Hindi cinema, a producer and director for films and television,

dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart

from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her

political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

Jia Tolentino dissects the lies we tell ourselves and the absurdity of modern life in her debut essay collection, Trick Mirror: Reflections on Self-Delusion. What does this SNAP Summary Include? - Synopsis of the original book - Key takeaways from each chapter - A guide to navigating the world of feminism and self-doubt today - Funny and insightful anecdotes - Editorial Review - Background on Jia Tolentino About the Original Book: In nine essays that are as

entertaining as they are thought-provoking, Tolentino explores how once-promising systems—the internet, religion, capitalism, female celebrity, weddings—went so awry so fast. Drawing from research and the trends she has covered in her career as a feature journalist, she demonstrates how society makes it easy and gratifying to participate in ridiculous and corrupt systems and almost impossible to oppose or opt out of them. Anyone

who feels that the world is growing increasingly isolating will find this book an invaluable survival guide. **DISCLAIMER:** This book is intended as a companion to, not a replacement for, *Trick Mirror*.
