Korean-English, English-Korean Dictionary Hippocrene Books

"Comprehensive: 20,000 entries; extensive examples show correct usage; perfect for Korean and English speakers"--Cover.

A Korean-English Dictionary Dorling Kindersley Ltd

A fun and helpful resource for anyone interested in learning some Korean--whether you're 5 or 100! This picture dictionary covers the 1,500 most useful Korean words and phrases. Each word and sentence is given in Korean Hangeul characters--with a Romanized version to help you pronounce it correctly--along with the English meaning. The words are grouped into 40 different themes or topics, including basics like meeting someone new and using public transportation to culture-specific topics like celebrating Korean holidays and eating Korean food. This colorful picture dictionary includes: Hundreds of color photographs 1,500 Korean words and phrases 40 different topics--from social media and WiFi to paying and counting Example sentences showing how the words are used Companion online audio recordings by native Korean speakers of all the vocabulary and sentences An introduction to Korean pronunciation and grammar An index to allow you to quickly look up words Korean Picture Dictionary makes language learning more fun than traditional phrasebooks. This resource is perfect for beginners of all ages--curious kids, visual learners and future travelers to Korea.

NTC's Compact Korean and English Dictionary HarperCollins Publishers

This portable, user-friendly Korean language guide, phrasebook and dictionary is the cheapest and easiest way to learn Korean before and during your trip. If you only want to purchase one Korean language book--Essential Korean is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the language of South Korea and is also designed as a Korean phrasebook, making it the most versatile Korean language learning tool on the market. Perfect for business people or tourist traveling to Korea or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Korean phrase book or as an English-Korean Dictionary. A clever "point to" feature allows you to simply point to a phrase translated in Korean without the need to say a word. You will soon find yourself turning to Essential Korean again and again when you study Korean, visit Korea and work or interacting with Koreans. In this book you will find: Over 1500 practical sentences for everyday use. A Korean dictionary of over 2000 terms and expressions. Extensive information about Korean grammar and pronunciation. Latest Korean vocabulary and Korean phrases for smart phones, social media and more. This beginner Korean book will help you to quickly and easily learn Korean. Your ability to read Korean, write Korean, speak Korean, and comprehend Korean will be vastly improved without having to take an entire Korean language class. Other titles in this bestselling series of phrasebooks include: Essential Japanese, Essential Chinese, Essential Korean, Essential Tagalog, and Essential Arabic. *Periplus Pocket Korean Dictionary* French & European Publications Incorporated

Designed for the traveller. Over 8,500 entries supplemented with phrases.

Essential Korean Tuttle Publishing

"Over 63 million people speak Korean worldwide. And the Korean peninsula has become one of the globe's most important business and financial centers. This guide, with its bilingual dictionary and practical-minded phrasebook, is an essential tool for students, travelers, and business people." "It features: more than 5,000 total dictionary entries; Korean words presented in Hangeul script with Romanized pronunciation; a comprehensive phrasebook; easy-to-use pronunciation guide; and a special section devoted to Korean grammar."--BOOK JACKET.

**A Korean-English Dictionary** Tuttle Publishing

Vocabulary learning is the single most important component of second-language acquisition. In cases where the second language is unrelated to the learner's native tongue, this task presents special challenges because there are typically few clues in a word's form to assist in learning and remembering its meaning. This book offers a solution to this problem for students of Korean. The Handbook is the first ever "root dictionary" of Korean designed for second-language learners. Useful for students at all levels, it contains more than 1,500 vocabulary lists consisting of words built from a shared root. These lists offer a unique and efficient way for students to acquire new words. Upon encountering a word, students can consult the lists for its component roots and discover many other semantically related words built from the same elements. An introduction provides an overview of Korean vocabulary and detailed instructions on how to use the word lists. A pronunciation guide outlines the major principles determining the pronunciation of compounds and other multipart words in Korean.

*Power Up! Korean Vocabulary* Tuttle Publishing

Korean vocabulary book + Korean dictionary This Korean vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Korean-English as well as English-Korean dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Korean learning resource is a combination of Korean vocabulary book and a two-way basic Korean dictionary: Part 1 - Topic based Korean vocabulary book: This is the main part of the book and represents a list of chapters each containing Korean vocabularies for a certain topic. The Korean vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Korean dictionary: The index in the second half of the book can be used as a basic Korean dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Korean-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Korean words and directly find the English translation How to use this Korean vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Korean dictionaries in part

two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Korean translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Korean dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Korean and comes in particularly handy at times when there is no internet to look up words and phrases.

Standard Korean-English dictionary for foreigners Pinhok Languages

Designed for English speakers Information on Korean grammar. A guide to pronouncing Korean correctly.

*Pocket Korean Dictionary* Tuttle Publishing

1. Summary: North Korean and South Korean have diverged to the extent that substantial disparities exist between the two branches of the Korean language. This dictionary promotes the successful assimilation of North Korean defectors into South Korean society and also prepares for the potential unification of the Korean peninsula by seeking to minimize the widening gap between the two Korean languages. 2. Purpose: A. The number of North Korean defectors are increasing at a precipitous rate. Many defectors find themselves struggling to assimilate into South Korean society, not only due to political or economic differences that exist between the two Koreas but also the disparities in language-the prolonged geographical separation has resulted in the distinct development and divergence of the two branches of the Korean language. The Consolidated Korean Dictionary strives to help North Korean defectors struggling to realize their full potential in South Korean society. B. Although many dismiss unification as improbable, it still remains an important long-term objective of the South Korean government. Korea is one of the few countries in the world that is split in half by an arbitrary line of ideology. Divided families agonize over the brutality of reality. The Consolidated Korean Dictionary prepares for the prospects of reunification. Whether or not a single Korea will prevail remains uncertain, yet the attempt to unify the two Korean languages is still a meaningful endeavor for the future of the Korean peninsula. 3. Features: A. Compiled database from the National Institute of Korean Language: The NIKL is the largest governmental institution created for the sole purpose of promoting research on the Korean language. By consulting the database from the NIKL, the book ensures that students learn the correct, standard conventions of the Korean language. B. Used in 13 specialized educational institutions for North Korean defectors across South Korea: Further feedback from North Korean students and their teachers is expected to bring continuous, substantial updates to improve the book. C. An easy-to-read vocabulary list: Instead of adhering to the conventional dictionary design, the book follows a much more intuitive, visually appealing organizational structure, allowing students to utilize the dictionary effectively and efficiently.

Korean Picture Dictionary Createspace Independent Publishing Platform

With over 6,500 fully illustrated words and phrases in Korean and English, along with a free bilingual audio app, using and learning Korean has never been easier. Perfect for tourists, business travellers and students, DK's Korean English Bilingual Visual Dictionary is your essential companion when buying food, talking about work, discussing health, and studying the Korean language. The supporting audio app enables you to hear over 6,500 words and phrases spoken out loud in both Korean and English. Available on the App Store and Google Play, the audio app is easy to use and provides an intuitive reference for language learning, helping you learn, retain, and pronounce important vocabulary. The dictionary gives a pronunciation guide for every Korean word, and you can use this alongside the app to perfect your pronunciation.

*Tuttle Pocket Korean Dictionary* Oxford University Press

This user-friendly Korean language book pushes readers towards greater fluency in spoken and written Korean. With Essential Korean Vocabulary you will learn to speak Korean the way that Koreans do by learning key words and expressions they use everyday in their natural contexts. You'll also learn closely-related vocabulary together, which will help you remember and use a wider vocabulary. Each word in this book is clearly explained and useful sentences are given to demonstrate how it's used. Author Kyubyong Park also provides tips on Korean grammar and modern colloquial usage in South Korea, so you can learn to speak like a native speaker. Essential Korean Vocabulary presents the 8,000 most common Korean words and phrases organized into 36 different subject areas. Beginning students can focus on the most basic items, which are clearly marked. As you progress to greater fluency, you can pick up more complicated words and expressions to bring your overall vocabulary and understanding of Korean up to an advanced level. With Essential Korean Vocabulary, you will: Upgrade your Korean skills in stages by learning the most useful words in sequence along a graded spectrum from beginner to advanced. Learn how real Koreans speak in authentic sentences by native speakers. Get special tips about tone, nuance, and correct usage of terms. Learn the vocabulary needed to pass standard Korean proficiency tests.

Korean Standard Dictionary Contemporary Books

This is a comprehensive Korean to English dictionary for language learners. Finally, here is the dictionary that learners have been waiting for: one that specifically answers the needs of English speakers who are studying Korean. Designed for learners who are at an elementary to intermediate level, it contains over 5,600 Korean headwords, including the most essential contemporary words,

commonly used example phrases, and business and technical terms. Along with refreshingly clear English definitions, the entries are packed with helpful extra details that make learning easier. Included are: 5,633 example sentences given in Hangul, romanizations, and English. English-Korean Word Finder allows two-directional use. Explanations of common idiomatic expressions. Special notes to clarify differences and distinctions that can be challenging for English speakers. Romanization is included for all terms and examples, to assist learners. Extensive notes on grammar and meaning enhance understanding. Especially high-frequency words are marked. Endings and particles—very important components of the Korean language, but often overlooked in reference materials—are clearly indicated and explained. This dictionary presents, with care and expertise, all the words that are most essential for learners to know.
