Bunnacula's Long-lasting Laugh-alouds CreateSpace
 From their beginnings, campuses emerged as hotbeds of traditions and folklore. American college students inhabit a culture with its own slang, stories, humor, beliefs, rituals, and pranks. Simon J. Bronner takes a long, engaging look at American campus life and how it is shaped by students and at the same time shapes the values of all who pass through it. The archetypes of absent-minded profs, fumbling jocks, and curve-setting dweebs are the stuff of legend and humor, along with the all-nighters, tailgating parties, and initiations that mark campus tradition—and student identities. Undergraduates in their hallowed halls embrace distinctive traditions because the experience of higher education precariously spans childhood and adulthood, parental and societal authority, home and corporation, play and work. Bronner traces historical changes in these traditions. The predominant context has shifted from what he calls the “old-time college,” small in size and strong in its sense of community, to mass society’s “mega-university,” a behemoth that extends beyond any campus to multiple branches and offshoots throughout a state, region, and sometimes the globe. One might assume that the mega-university has dissolved collegiate traditions and displaced the old-time college, but Bronner finds the opposite. Student needs for social belonging in large universities and a fear of losing personal control have given rise to distinctive forms of lore and a striving for retaining the pastoral “campus feel” of the old-time college. The folkloric material students spout, and sprout, in response to these needs is varied but it is tied together by its invocation of tradition and social purpose. Beneath the veil of play, students work through tough issues of their age and environment. They use their lore to suggest ramifications, if not resolution, of these issues for themselves and for their institutions. In the process, campus traditions are keys to the development of American culture.

"It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair." Jenny Lawson - aka The Bloggess - returns with the follow-up to her bestselling memoir Let's Pretend This Never Happened, recounting stories from everyday family life in her inimitably frank, hilarious, bizarre and endearing way. She describes her battles with depression and anxiety and her quest to overcome them by saying yes to even the absurdist opportunities and making the good times gloriously good. For as Jenny says: 'You can't experience pain without also experiencing the baffling and ridiculous moments of being fiercely, unapologetically, intensely and (above all) furiously happy...' It's a philosophy that has - quite literally - saved her life.

Hundreds and Hundreds of Jokes that Will Drive Your Family Crazy Nothing is more hilarious for moms, sons, and daughters than the bad jokes dads tell. (Well, at least he thinks they're hilarious . . .) Have you ever noticed when you're out to dinner and your dad takes it upon himself to antagonize your server with a lame joke? Has he ever made a pun that made everyone at a family gathering roll their eyes? Has he ever made a corny comment about things simply lying around the house? If you answered "yes" to any of the following, you're not alone. Dad jokes are at the center of all dad interactions and the core of every dad's persona. This comedic compendium compiles more than eight

hundred of the best jokes dads can use to hone their craft and ensure maximum eye rolling. Included within are jokes such as: Did you hear about the restaurant on the moon? Great food; no atmosphere. Did you hear about the kidnapping at school? It's fine, he woke up. What did the judge say when the skunk walked in the court room? Odor in the court. What do you call an elephant that doesn't matter? An irrelephant. What kind of tea is hard to swallow? Reality. With Dad Jokes, give your dad the gift of becoming the least funny/most "punny" guy in the room.

Bloodier than Fried Green Tomatoes! Funnier than The Texas Chainsaw Massacre! Welcome to Gil's All Night Diner, where zombie attacks are a regular occurrence and you never know what might be lurking in the freezer . . . Duke and Earl are just passing through Rockwood county in their pick-up truck when they stop at the Diner for a quick bite to eat. They aren't planning to stick around-until Loretta, the eatery's owner, offers them \$100 to take care of her zombie problem. Given that Duke is a werewolf and Earl's a vampire, this looks right up their alley. But the shambling dead are just the tip of a particularly spiky iceberg. Seems someone's out to drive Loretta from the Diner, and more than willing to raise a little Hell on Earth if that's what it takes. Before Duke and Earl get to the bottom of the Diner's troubles, they'll run into such otherworldly complications as undead cattle, an amorous ghost, a jailbait sorceress, and the terrifying occult power of pig-latin. And maybe--just maybe--the End of the World, too. Gory, sexy, and flat-out hilarious, Gil's All Fright Diner will tickle your funnybone--before ripping it out of its socket!
