Krystal Ball and Saagar Enjeti are co-hosts of Rising at The Hill TV, one of the fastest growing political shows in America. This is the only book that fuses the populist right and populist left to explain the rise of the Trump and Sanders movements. The authors curate an essential collection of their biting commentary, stunning predictions, media critiques, and reveal their vision for a working class centered politics. No establishment media or political figure goes unscathed. This book reveals the white hot core of The Hill Rising's meteoric rise in the alternative media space. We are living through chaotic, nerve-racking, and occasionally terrifying

times, but we hope you will find this book both hopeful and helpful. Nothing has made us more hopeful than our work together on Rising, watching what unfolds, laughing at the absurdities, and joining in our outrage at the often bipartisan rituals of manipulating our fellow citizens and viewing them with contempt. People are often confused by our politics and how much we end up in agreement. Ultimately, we have largely different policy prescriptions and beliefs. However, we do share a central diagnosis of the rot in this country, of how we got to this place, and a deep skepticism of power. It's amazing how far you can get when you start in the same place with a shared understanding of reality. It's a hell of a lot further than the shallow, fake civility politics that the forces of the status-quo say you must embrace-'Keep quiet and hold still while they rip you to shreds.' We take the opposite view. Speak up. Make people uncomfortable. Don't let the "experts" convince you that better isn't possible.
