 Whichever city you choose - though we recommend all three, of course - you'll be charmed like a snake on Jemaa El Fna in no time. And to help you sift through the noise, here's our rundown of the best that Morocco has to offer. Marhaba! Morocco may be a short hop, skip and a jump across the Med from

Europe but it feels like another world. Salesmen flaunting their wares in the souks, robed figures rushing to prayer and ancient palaces decked with dazzling tiles - it's easy to fall under its spell. Marrakech, on the cusp of both desert and mountain, offers old-world glamour and an enthralling sense of adventure. Casablanca, lapped by the Atlantic, is a thoroughly modern metropolis

with a special affinity for art deco. And at the northernmost tip of the country is the eccentric cliffside city of Tangier, where many a writer and artist have pitched up and sought inspiration over the years.

 L'île verte, à quelques encablures du port de la Ciotat, constituait pour nous quatre un formidable

terrain de jeux. Notre mère, nous posant là le matin pour nous récupérer le soir, nous pouvions nous approprier cet espace sans personne pour nous dire que faire, où aller, quoi manger, quand se baigner, etc. Ma grande sœur, du haut de ses neuf ans, devait s'occuper de ses trois petits frères et sœurs tout au long de la journée. Nos deux grands frères travaillaient déjà dans les familles où ils étaient placés, alors que la petite dernière restait avec ma mère à son travail, ou dormait dans la caravane, au camping de la Ciotat. Il n'était pas rare que l'on se faufile par un fenestron pour l'emmener avec nous, à l'insu des adultes, jusqu'à la plage où nous pouvions nous rendre à pied et profiter pleinement des plaisirs de la baignade et du sable chaud. Une liberté que nous avons pu mordre à pleines dents avant de nous retrouver tous les quatre enfermés dans un orphelinat, sur le plateau de la Croix Rousse...

The legend of Aeneas as preserved in the art and artifacts of antiquity is the focus of

this study. Gallant warrior, accomplice in the abduction of Helen, fugitive from burning Troy, founder of Rome-in all his roles, Aeneas appears in ancient sculpture and wall painting, on vases, coins, lamps, mirrors, and gems, as richly illustrated here. To what extent he was known to the Greeks and Romans, for what qualities he was admired, and how his legend served the

propaganda of empire building are examined in this survey of the visual data, and these are correlated with what is known of the legend in the literary, historical, and religious traditions of the ancient Mediterranean world.
