Increase your child's dental awareness by showing him/her that teeth have "emotions" too! Coloring introduces feelings, concepts and emotions quite well. It is an activity well-loved because of its many benefits, especially the formation of essential life skills like patience, determination control and self-confidence too. Control your child's fear of the dentist; grab a copy of this coloring book today!

[Bird in a Box](#) Childrens Press

Otis, Willie, and Hibernia are three children with a lot in common: they've all lost a loved one, they each have secret dreams, and they won't stop fighting for what they want. And they're also a lot like their hero, famed boxer Joe Louis. Throughout this moving novel, their lives gradually converge to form friendship, family, and love. Their trials and triumphs echo those of Joe Louis, as he fights to become the heavyweight boxing champion. Andrea Pinkney masterfully weaves in factual information about Joe Louis and actual radio commentary from his fights, enriching the narrative of this uniquely rendered and beautifully written novel.

[A Poignant Memoir](#) Harper Collins

A Box Story is an illustrated picture book that invites the reader to look at things in a different way. With the use of hand drawn images, you are taken through simple thought provoking ideas about a box and how it is not just a box. Pinnacle Book Awards Winner 2012 for Children's Interest (March 2012) - From the National Association of Book Entrepreneurs Literary Classics Seal of Approval (March 2012):Young audiences will surely find enjoyment within the pages of this clever little book. Kenneth Lamug's, A Box Story, comes highly recommended, and earns the Literary Classics Seal of Approval. Winner of 2012 CLC Best First Picture Book, PreSchool 2011 Moonbeam Children's Book Awards - Silver Medalist Creating books that inspire our children to read, to learn, and to dream is an extremely important task, and these awards were conceived to reward those efforts. ForeWord Reviews (June 2012):With a nod to the fact that containers often interest kids as much as what's inside, a web designer meditates on the many uses of this most practical (and abstract) of

packages: "A box can keep your secrets . . . or reveal an unexpected surprise." Lovely and inspiring. This Literary Life (March 2012):Something that I found incredibly remarkable about the illustrations is that the box stays in the same place on every single page, but becomes something new and exciting every time you flip to a new page. This gives the reader the impression that it is in fact, the same box being used for a myriad of adventures.The words are simple but thought-provoking. They help build the imagination while simultaneously challenging the reader to find a purpose for their box. A purpose all of their own. Every child will want to build a life inside a box after reading this story. Visit www.aboxstory.com for more information and bonus materials. Book Video Trailer: <http://vimeo.com/34422903>

A Box Story Two Lions

To an imaginative bunny, a box is not always just a box.

Do Not Open the Box Boxer Books Limited

From mountain to rocket ship, a small rabbit shows that a box will go as far as the imagination allows. A beautifully designed book, celebrating the power of the imagination to transform even the most ordinary of objects into something magical.

[The Happy Apricots](#) Houghton Mifflin Harcourt

Presents the wide variety of wheels, including the many types of vehicles they are used on, what they do, the sounds they make, and who they transport.

[Children of the Market Place](#) Createspace Independent Publishing Platform

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

[Meeow and the Big Box](#) Createspace Independent Publishing Platform

As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The books ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all.

[Fox on a Box](#) Harper Collins

Edna the penguin knows only the three colors that surround her: white ice, black night, and blue sea. But she is convinced there is something more out there. So she sets out on a quest...a quest for color. When she finally finds what she's been looking for, it is everything she hoped for and more. But that doesn't mean she will ever stop looking.

[Ginny Goblin Is Not Allowed To Open This Box](#) Scholastic Inc.

Readers can follow a little girl as she takes them on a tour through all of her favorite things, from the holes she digs to the hugs she gives, in this companion to her highly acclaimed picture book "Wait." Full color.

My Overdue Book Createspace Independent Publishing Platform
Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: * How your league chooses all-stars * What all-star selectors are really looking for * 7 tried and true methods of getting better at baseball * But more importantly, little known ways to get the people picking the team to notice you * And how to beat the "politics" that seem to get in the way Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are kids that long to make the league's all-star team. Every year it's the

same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started. And if they knew what you're about the find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to make all-stars (there is a difference). And it will be in that voice that this book will be written.

Not a Stick Schiffer Publishing

Benny spots a big cardboard box with a note taped to it saying, "Do Not Open." His imagination runs wild, and it's almost too much for a curious boy to bear. He thinks about all of the things, good and bad, that could be inside that box. A birthday robot? A wolverine? An entrance to another world? What should he do? This endearingly illustrated tale of a classic childhood dilemma has a surprise ending and offers a peek into a young boy's mind as he weighs tantalizing possibilities against the risks of breaking the rules.

The Book in a Box Method: The New Way to Quickly and Easily Write Your Book (Even If You're Not a Writer) Createspace Independent Publishing Platform

If you give a child a box, who can tell what will happen next? It may become a library or a boat. It could set the scene for a fairy tale or a wild expedition. The most wonderful thing is its seemingly endless capacity for magical adventure, a feature imaginatively captured in cardboardsque art and rhythmically celebrated in this poetic tribute. This board book edition of the popular 2016 picture book of the same name takes the literal shape of a box to bring an imaginative concept to life.

He Loves Me, He Loves Me Not Activibooks for Kids

From mountain to rocket ship, a small rabbit shows that a box will go as far as the imagination allows. A beautifully designed book, celebrating the power of the imagination to transform even the most ordinary of objects into something magical.

A Penguin Story Lioncrest Publishing

Yelfred and Omek have been best friends since they were little bobbies. They play and snack, and sometimes they even fight, all in a language similar to but slightly different from, English. When Omek decides to borrow Yelfred's new spaceship without asking (and then crashes it), it sparks the biggest fight yet. Can these two best friends make up and move on? Award-winning picture book creator Antoinette Portis delivers a new universe of cleverness and imagination in this hilarious, sweet, and otherworldly book about friendship.

Alpha Edition

The box gets more and more crowded until a hungry flea comes along

Best Prints at Skrool Little, Brown Books for Young Readers

Children of the Market Place, is many of the old classic books which have been considered important throughout the human history. They are now extremely scarce and very expensive antique. So that this work is never forgotten we republish these books in high quality, using the original text and artwork so that they can be preserved for the present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

The Three Little Pigs of London Roaring Brook Press

Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Includes a write your own story activity especially for children ages 3-8 who are planning to visit, or who have recently visited, the great city of London! Looking for a different city? Search Dr. Silly Goose for more city-specific versions of The Three Little Pigs. Also available: Los Angeles, Chicago, Houston, Philadelphia, San

Antonio, San Diego, Dallas, New York City, Jacksonville, San Francisco, Austin, Seattle, Denver, Washington DC, and Boston. Growing Up Hippie Createspace Independent Publishing Platform This Dr. Seuss classic will have readers of all ages craving Green Eggs and Ham—no matter where they are! I do not like green eggs and ham. I do not like them, Sam-I-am. With unmistakable characters and signature rhymes, Dr. Seuss's beloved favorite has cemented its place as a children's classic. Kids will love the terrific tongue-twisters as the list of places to enjoy green eggs and ham gets longer and longer...and they might even learn a thing or two about trying new things! And don't miss the Netflix series adaptation - featuring the voice talents of Michael Douglas, Diane Keaton, Daveed Diggs, and more! Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations.

Smaller than the classic large format Seuss picture books like *The Lorax* and *Oh, The Places You'll Go!*, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too!

Spice and Little Sugar HarperCollins Children's Books

You have plenty of ideas you want to put into a book, but you're stalled. Maybe you start, but can't find the time to continue. Or you're frustrated with the writing process. And when you seek advice, people tell you, "It's all about discipline," or they talk about what writing software to use. But that doesn't help you actually write your book. So you never finish your book, the world never gets the benefit of your wisdom, and you never get the benefits of being an author. Isn't there an easier way? Now there is. In "The Book In A Box Method," Tucker Max and Zach Obront show you the exact steps you can follow to go from idea to finished manuscript, in an easy, quick way -- even if you're not a writer. Using the same methods, processes, and templates that they use for their authors at their company, Tucker and Zach show you exactly how to: Crystallize your book idea Create your book outline Create all the content for your book Edit that content into a great manuscript With "The Book In A Box Method," you'll be able to write a better book - in less time - than you ever thought possible.
