Addison's Movements That Change the World draws from biblical, historical and contemporary case studies to isolate the essential elements of a dynamic missionary movement. The church fulfills its mission today to the extent that it honors these essential elements, modelled perfectly in Jesus? missionary enterprise: white-hot faith commitment to the cause contagious relationships rapid mobilization adaptive methods Throughout the ages Jesus' followers have been called to continue his movement in the power of the Holy Spirit. Like many such movements, it changed the world. Unlike most movements, which have their historical moment and then fade

away, Christianity is actively, continually changing the world for the better.

A COMPELLING AND BIBLICAL STRATEGY FOR PURSUING CHURCH MULTIPLICATION Play Thuno--a wordplay on the Greek word for multiply--is the world-changing "game" every Christian and church needs to be playing. Larry Walkemeyer reveals how

multiplication is not just one option for the church but is the operating principle for God's people from Genesis to Revelation. Many leaders feel angst about the church model of addition that's prevalent today, but they do not have adequate resources to help them explain the alternative: multiplication. This book serves as the instructional and inspirational handbook every church leader needs to understand the why of multiplication. Walkemeyer offers an engaging narrative that moves multiplication from concept to eternity-altering reality. Gain clarity on multiplication. Discover deceptions that often derail your efforts to

reproduce. Learn practical principles for multiplication, twenty-one leadership essentials for multiplication, and five phases for multiplication. Most importantly, become a convinced communicator of multiplication through this book's compelling, Scripture-based motivation for churches to multiply. God is calling every believer to get in the "game" of multiplication. Are you ready to play? "It would be difficult for me to more enthusiastically endorse a new book." - TODD WILSON, CEO, Exponential LARRY WALKEMEYER is Lead Pastor of Light & Life Church in Long Beach, California, which is a multi-ethnic church-

planting church. He also serves as Director of Equipping and Spiritual Engagement for Exponential.

"How do I know that God is real? Is the Bible really the Word of God, or is it just an ancient book? Why are Christians so exclusive? Is there really only one way to heaven? All of these are tough questions, but in *The God Questions*, they are addressed head on with hard-hitting facts that tell the truth. *The God Questions* gives brief, simple, and easy to understand answers to the eight key questions everyone asks about Christianity. Divided in 40 short,

readable chapters, this book will help you understand God and the universe He created."--Book cover Multiply David C Cook
Many church leaders, yearning for church growth, look to the latest evangelistic strategies or seeker-targeted worship services. But lack of growth might not be due to lack of concern for new people—it may be because we are not effectively discipling the people we already have. Greg Ogden address the need for discipleship in the local church and recovers Jesus' method of accomplishing life change by investing in just a few people at a time. Ogden sets forth his vision for transforming both the individual disciple and discipleship itself,

showing how discipleship can become a self-replicating process with ongoing impact from generation to generation. This revised and updated edition includes a new chapter on discipleship and preaching.

Transforming Discipleship

InterVarsity Press
Cultivating a Life for God calls upon us to rethink our busy, fast-paced lives. If there is a stirring in your soul for "something more" in your spiritual journey, take a risk on what God might do in and through your life. Discover the compassion that comes from heaven and can be experienced in a Life Transformation Group (LTG). You may never be the same again! "The Life

Transformation Group system is a grass roots tool for growth.

Through this simple system the most essential elements of vital spiritual ministry are released to common Christians without the need for specialized training. It taps the disciple's internal motivation and provides the support needed to grow in the essentials of a spiritual life. The LTG empowers the common Christian to do the uncommon work of reproductive discipling." (page 63)
"In my years of ministry, I have not found any method that produces such powerful results in fulfilling the Great Commission. I personally plan on using this system for the rest of my life to make as many

disciples of the kingdom as I can before Christ calls me home!" - Neil Cole (page 89) - See more at: <http://www.cmaresources.org/cultivating-a-life-for-god>

A pastor uses examples from his own congregation to show how a church isn't really a church until it leaves the building and expands God's Kingdom in the local neighborhood and around the world.

"Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical,

and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

When Jesus first called men to follow Him, it

was a call to spiritual multiplication (Luke 5:10). His last command to believers was to multiply spiritually (Acts 1:8). To meet the challenge of thousands of people who are dying in sin without the Gospel, each believer must become reproductive and learn the principles of spiritual multiplication. This course shares Biblical methods of spiritual reproduction which will enable you to multiply in obedience to God's command. You will learn how to multiply spiritually as an individual and corporately within the context of the local church. If you apply the Biblical principles taught in this course, you can be responsible for the multiplication of thousands of trained

and motivated believers. *Multiplication* InterVarsity Press Marks of a Movement calls us back to the disciple-making mandate of the church through the timeless wisdom of John Wesley and the Methodist movement. With a love for history and a passion for today's church, Winfield helps us reimagine church multiplication in a way that focuses on making and multiplying disciples for the twenty-first century. Winfield Bevins reminds us of the vital multiplication lessons from the Wesleyan movement, one of the greatest missional movements the world has ever known. He highlights the necessity of discipleship as the

starting point and the abiding strategic practice that is key to all lasting missional impact in and through movements. The Methodist movement is an example of the power of multiplying movements that utilize the strategy of discipleship. Within a generation, one in thirty people who were living in Britain had become Methodists, and the movement soon became a worldwide phenomenon. We in the Western Church need a movement of historic proportions once again. What would such a multiplication movement look like for us today? We must look to the past to gain wisdom for the future. And as we look at the pages of church

history, there is no better example of a multiplication movement in the West than the Methodist movement of the eighteenth and nineteenth centuries. Marks of a Movement highlights the lessons and key insights that enable us to learn from the past and reapply this timeless, biblical wisdom for today. Methodologies of Multiplication Tyndale House Churches in North America are bigger than ever, but their slow rate of growth cannot keep up with population increases. Existing churches simply cannot add enough new believers! The good news is that by multiplying, steadily and strategically planting new churches that, in turn, plant new

churches, the global Church creates more of what Ralph Moore calls harvest points. In *How to Multiply Your Church*, Pastor Moore shows church leaders and pastors why multiplication is the key to growing God's global kingdom in their communities, and he offers them proven methods for implementing multiplication in their existing churches. Countless leaders have found an indispensable resource in starting a new church because of Pastor Moore's vast firsthand experience and practical wisdom. *How to Multiply Your Church* is the next leap forward for those who long to see God's kingdom increase. *Spiritual Multiplication in the Real World - 5 Book Bundle*

Jesus commanded all of his disciples to "go and make disciples of all nations." This book dares you to examine how Jesus Himself made disciples. What is discipleship, according to Jesus? Can the church today possess the power of the early church? Does God still use His people to heal the sick? Are miracles and deliverance still part of Jesus' disciple making agenda?

Richard Mull's honest account of his personal journey toward biblical discipleship presents a dilemma for twenty-first century believers: Will you adopt a system of belief that explains why we disciple differently than Jesus did, or admit that in spite of our education and

experience, we may not be making disciples according to Jesus' teaching? God desires to take you on a journey much like that of Jesus' first disciples, who learned to do what Jesus was doing by observing Him in action and obeying what He taught. Lord, Disciple Me will challenge you to develop a biblical foundation for your journey. Jesus will provide the hand-on experience!

Since the beginning of missionary efforts in Japan in the sixteenth century, the Japanese church has experienced periods of quiet flourishing and periods of intense persecution. Arguably, however, it has never managed to take root as a truly indigenous church--despite great effort toward that aim. In *Multiplying Churches in Japanese Soil*, John Mehn asks the question: Why? What factors have contributed to the Japanese remaining

largely unreached? Mehn examines the current state of affairs and then, with some careful analysis and case study, delves into effective models and leadership for planting churches in Japan that not only grow, but are also equipped to reproduce and multiply. Within these pages, discover mission strategy, kingdom perspective, and hope for the church in Japanese soil. *A Moment in Time* KBM Media

David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in

over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the

prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, The Disciple-Making Minister is helping Christian leader around the world be more effective in fulfilling the Great Commission.
