When was the last time you went looking for a miracle cure or the

Fountain of Youth hoping for something to diminish the signs of living on this sinful earth a little too long? Over the past two decades much research has been done on the effects of the religious life on our emotional, mental, and physical health. The documented results are astounding. Did you know that a regular prayer life, an attitude of gratitude and joy, or a spirit of forgiveness can dramatically impact your overall health? Even church attendance and Scripture reading are intimately connected to health, happiness, and longevity. In *Benefits of Belief*, Dr. Julian Melgosa uses research and personal stories to reveal the amazing benefits everyone can obtain from following the Lord's ways and living the Christian life. Jesus promises that anyone who follows Him will receive a hundredfold now (Mark 10:30). Dr. Melgosa believes it is reasonable to think that these blessings are not exclusively material, but are also related to the exercise of wisdom, resilience, and endurance that ultimately translate into good health, happiness, and well-being.

Addressing low church member retention is long overdue. One of the initiatives of the General Conference of Seventh-day Adventists(R) to address this matter is to hold Nurture and Retention Global Summits. The first one met in November 18-20, 2013 and the second one in April 5-7, 2019. The primary purpose of this publication is to preserve and disseminate the content of the seminars and workshops offered during the 2019 Nurture and Retention Summit. It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the need to develop more efficient ways to

attract and equip new members, as well as sending them to fulfill God's work to "make disciples of all nations" (Matt. 28:19, NIV).

Testimonies To Ministers And Gospel Workers is a work by Ellen G. White. Guidance from the author to the heads of the Seventh-day Adventist church spanning a twenty year long period.

Church Leader's Manual Good Press

Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities. Many have adopted a narrow vision, focusing on only one aspect of ministry. But in today's environment of faith-based opportunities many Christians are eager to start reaching out to their world with both Good

News and good works, and therefore they are searching for appropriate ways to integrate both into their ministry. In *Churches That Make a Difference*, best-selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry--a balance of evangelism and social outreach. Illustrations and helpful organizational tips detail the how-to's of an effective holistic ministry. Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications. User-friendly tools are included as well for congregational studies, surveys, evaluations, and community assessments. The authors draw on extensive experience with church ministries and

faith-based organizations as they share the life-changing vision and biblical mandate for living the whole gospel. Church leaders will be encouraged in their process of developing and maintaining a holistic ministry, and local churches will rediscover a passion for loving the whole person the way Jesus did.

The Great Controversy is a work by Ellen G. White, a founder of the Seventh-day Adventist Church, considered a prophetess or messenger of God among Seventh-day Adventist members. The book tells about the ever-persistent controversy between the good and the bad, represented by the opposition of Christ and Satan and the forces of angels that accompany them.

Counsels on Sabbath School Work Baker Books

The missionary work of the Seventh-day Adventist Church started in Southern Malawi in 1902, and histories of churches are usually told from that starting point. This book uses a different approach, it tells the story of Lunjika Mission (earlier called Mombera Mission) which begins in 1932, showing how the SDA Church met a new culture, that of the strongly patrilineal Ngoni and their neighbours to the North, and how it dealt with other churches that had started missionary work in that broad area up to two generations before. *A Manual for the Use of Church and Mission Schools of the Southern Union Conference of Seventh-Day Adventists (Classic Reprint)* Hartland Publications
