I'm Not Just a Scribble

*I'm not suicidal, I just can't wait to die!*

Harlequin

"Scribble, the book's main character, never thought he was different until he met his first drawing. Then, after being left out because he didn't look like everyone else, Scribble teaches the drawings how to accept each other for who they are which

enables them to create amazing art together!"--Provided by publisher.

The Not-Just-Anybody Family Bloomsbury Publishing

"Invisible scribble is about how a simple act of kindness can transform an invisible scribble into an amazing work of art"--

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their

productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's

wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Not Just a Book Univ. Press of Mississippi 'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry

'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

**Chairs on Strike** HarperCollins This book is one that relates real-life stories and moves a person through an emotional roller-coaster of laughter, thought, and tears. The writings make you think of what is possible. It is an upbeat, enjoyable, and thoroughly entertaining read for the person who is looking for something different to challenge themselves about people and life in general. The emphasis is on the reader to conceptualize answers that challenge their

thought processes, and social morals. The book is light, in-depth, it bridges politics and social issues, it encourages the reader analyze the material on a different level, it makes you look at your values and your goals and reassess both.. The book is a well written, and thought provoking work of art by the author in his first publication at the age of 70.

I'm Just Dead, I'm Not Gone Hachette UK One of the world's leading experts on infidelity provides a step-by-step guide through the process of infidelity—from suspicion and revelation to healing, and provides profound, practical guidance to prevent infidelity and, if it happens, recover and heal from it. You're right to be cautious when you hear these words: “I'm telling you, we're just friends.” Good people in good marriages are having affairs. The workplace and the Internet have become fertile breeding grounds for “friendships” that can slowly and insidiously turn into love affairs. Yet you can protect your relationship from emotional or sexual betrayal by recognizing the red flags that mark the stages of slipping into an improper, dangerous intimacy that can threaten your

marriage.

**Book of the Dark** Simon and Schuster  
I'm not arguing. I'm just explaining why I'm Right (Quote Journal, Funny Book of Quotes, Coffee Table Books) journal with a funny design for your kids, boys or girls, men or women, for the daily use. Journal 6 x 9, 120 Page composition Blank Notebook college ruled journal for you or as a gift for your kids boy or girl to use it in school or for you to use at home or at your office  
*The Subtle Art of Not Giving a F\*\*k*  
HarperCollins

Illustrations and simple, rhyming text reveal that a book can be used for everything from keeping a table steady to catching a fairy in midair.

*I Am Not a Number* Routledge  
#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his

wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The *Subtle Art of Not Giving a F\*\*k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While

money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

**You're Not Dying You're Just Waking Up** Simon and Schuster

By working through the activities in *I'm Not Bad, I'm Just Mad*, children with anger control problems can develop better emotional and behavioral control. Kids will learn how to identify the things that make them angry, become better problem solvers, talk about their frustrations, and much more.

*Not Just a Convenient Marriage* New Society Publisher

The creator of the viral hit "Empathy Cards" teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When

someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular Empathy Cards, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, *There Is No Good Card for This* isn't a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. *There Is No Good Card for This* features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research,

including her popular "Empathy Bootcamps" that give people tools for building relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, *There Is No Good Card for This* teaches you how to be the best friend you can be to someone in need.

*I'm Not Mad, I Just Hate You!* Editura Trei SRL

Dot is feeling a bit underappreciated. After all, Dot is only a dot, and what good is a dot? It looks like Dot could use a reminder of his important place in the world. How could a person see if he only had one dotted eye? And what would a dalmatian be without all its spots? More importantly, how could children ask for sweet treats without the dot in a question mark? Dot is about to get a big lesson on just how important he is—because there's a special spot for every dot in this world! From author/illustrator Loryn Brantz comes a witty story about confidence and value. Interactive dialogue and illustrations encourage readers to point out missing dots on each page and makes *Not Just a*

*Dot* a wonderful tool for teaching self-confidence. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

#### **Not Just a Pretty Face** Dial

For mothers who are reeling from the rockiness of an ever-changing adolescent, or struggling with a relationship that's deteriorating by the day, here is encouragement, reassurance, and great advice. "*I'm Not Mad, I Just Hate You!*" discusses the social, emotional, cultural, and psychological issues that can lead to mother-daughter conflicts. It offers illuminating and very recognizable case

studies, and demonstrates how mother-daughter friction during adolescence can actually empower girls by teaching them invaluable skills. By providing mothers with much-needed encouragement and practical strategies to help their daughters grow into emotionally healthy and capable adults, "I'm Not Mad, I Just Hate You!" can transform the tempestuous teenage years into years of positive, enriching growth.

Not Just a Dot Heather Kindt

When Fallon and aspiring novelist Ben meet and fall in love the day before Fallon's cross-country move, they vow to meet on the same date every year, until Fallon suspects Ben is fabricating their relationship to create the perfect plot twist.

The 5AM Club Simon and Schuster

Never forget / to connect the dots / This book is an attempt to connect a couple. In?Begin by Telling, experimental pop sensation and Polaris nominee Meg Remy spins a web out from her body to myriad corners of American hyper-culture. Through illustrated lyric essays depicting memories from early childhood to present day, Remy paints a stark portrait of a spectacle-driven country. These memories

are visceral. As though channel surfing, we catch glimpses of Desert Storm, the Oklahoma City Bombing, random street violence, the petrochemical industry, small town Deadheads, a toilet with uterus lining in it, the county STD clinic, and missionaries at the front door. Each is shared through language of the body; the sensation of experiencing many of the defining events and moments of a country. These threads nimbly interweave with probing quotes and statistics, demonstrating the importance of personal storytelling, radical empathy and the necessity of both systemic and self-study. Immersive and utterly compelling, ?Begin by Telling?is an artifact of our time; a fascinating perspective on American culture. - Meg Remy

I'm Not Saying, I'm Just Saying Simon and Schuster

Charlie is trying to convince his little sister, Lola, that spiders are not bad. *Growing Up Psychic* Simon and Schuster "I'm Not Saying, I'm Just Saying," a novel in flash fiction, is a raw, honest look at parenting, commitment, morality, and the spaces that grow between and within us when we don't know what to say. In these

115 titled chapters, a man, who learns he has a 5-year-old son, is caught between the life he knows and a life he may not yet be ready for. This is a book that tears down the boundaries in relationships, sentences, origin and identity, no matter how quickly its narrator tries to build them up. "Matthew Salesses' "I'm Not Saying, I'm Not Saying" is an absolute stunner of a novel. Told in short, sharp vignettes with prose that is taut, yet overflowing with meaning, this is the story of a year in the life of a complex and haunted, cobbled together family. The beauty of Salesses' writing here lies in his fearlessness, the emotional blows to the heart and head and gut he's willing to deliver, as if to say: This, this is life And we are all, in one way or another, survivors." -Kathy Fish, author of "Together We Can Bury It" "Matthew Salesses has written an extraordinary and startlingly original novel that explores connection and disconnection, the claims and limitations of the self, and the shifting terrain of truth. Poetic, unforgettable, shot through with fury and yearning, "I'm Not Saying, I'm Just Saying" captures in clear and chilling flashes our capacity for the cruelty and tenderness of love." -Catherine

Chung, author of "Forgotten Country" "In Matt Salesses's smart novel-in-shorts, a newly-minted father flees telling his own story by any means necessary-by sarcasm, by denial, by playful and precise wordplay-rarely allowing space for his emerging feelings to linger. But the truth of who we might be is not so easily escaped, and it is in the accumulation of many such moments that our narrator, like us, is revealed: both the people we have been, and the better people we might be lucky enough to one day hope to become." -Matt Bell, author of "In the House upon the Dirt between the Lake and the Woods" ""I'm Not Saying, I'm Just Saying" renders the messiness of life, family, love in its myriad complex forms-romance lost and found, blood ties, squandered, unrequited-via 115 micro-stories that add up to a pointillist masterpiece." -Marie Myung-Ok Lee, author of "Somebody's Daughter" "Through a series of provocative, beautiful, and at times, brutally raw shorts, Matthew Salesses creates a complex, vulnerable portrait of modern fatherhood and masculinity. Narrated by our seemingly reckless, yet hyper-observant narrator, these vignettes build

with tension and trepidation, until we, like the members of this reluctant, fractured family, realize the weight, burden and comfort that only comes from finally belonging." -Aimee Phan, author of "The Reeducation of Cherry Truong" Feathers: Not Just for Flying HarperCollins This is a book about a child who is afraid of the dark. The book follows the little boy as he tells the reader all about the approaching darkness one evening, revealing his fear as he goes to bed, showing shapes in his bedroom that look like monsters (which change into ordinary things when he switches the light on). When the boy goes on a camping trip, he comes to realize that the dark has its place, and perhaps isn't so terrible after all. After all, it's only when it's truly dark, that you can see the stars. With a playful, clever and beautiful use of laser-cut holes, the book shows shadows getting bigger and taking over the boy's world, the dark bedroom shapes looking like monsters, and then transforming, in the turn of a page, to be just ordinary things in the boy's bedroom, and a breath-taking scene of hundreds of stars in the night sky. *Begin by Telling* Simon and Schuster

O cale ușoară și eficientă de a-ți forma obiceiuri bune și a scăpa de cele proaste Schimbări mici, rezultate remarcabile „O carte extrem de practică și utilă. James Clear extrage informațiile fundamentale despre formarea obiceiurilor, astfel ca tu să poți realiza mai mult concentrându-te pe mai puține lucruri." – Mark Manson, autorul bestsellerului Arta subtilă a nepăsării „James Clear a petrecut ani de zile perfecționând arta și studiind știința obiceiurilor. Această carte antrenantă și practică este ghidul de care ai nevoie ca să scapi de deprinderile proaste și să-ți formezi unele bune." – Adam Grant, autorul bestsellerurilor Originalii și Option B. Inspirându-se din cele mai noi descoperiri din biologie, psihologie și neuroștiințe, James Clear a conceput un ghid ușor de asimilat, cu ajutorul căruia obiceiurile bune devin inevitabile, iar cele rele, imposibile. Învață: \* să-ți construiești un sistem pentru a deveni cu 1% mai bun în fiecare zi; \* să renunți la obiceiurile rele și să le păstrezi pe cele bune; \* să eviți greșelile comise în general de cei care încearcă să-și schimbe obiceiurile; \* să depășești lipsa de motivație și de voință; \* să-ți dezvolți o identitate mai puternică și

să crezi în tine însuți; \* să-ți faci timp pentru noile obiceiuri (chiar și când viața o ia razna); \* să-ți concepi un mediu care să favorizeze succesul; \* să faci schimbări mici, ușoare, care oferă rezultate mari; \* să-ți revii atunci când te abați de la drum; \* și, cel mai important, cum să aplici aceste idei în viața reală... ... și multe altele Indiferent dacă e vorba de o echipă care încearcă să câștige un campionat, o

organizație care speră să redefiniească o industrie sau pur și simplu un om care vrea să se lase de fumat, să slăbească, să reducă stresul ori să realizeze orice alt obiectiv, Atomic Habits este soluția. „Nu mă consider un expert și nu dețin toate răspunsurile, dar sunt fericit să împărtășesc ceea ce am învățat până acum.” – James Clear „O carte deosebită,

care îți va schimba felul în care îți organizezi ziua și îți trăiești viața.” – Ryan Holiday, autorul bestsellerurilor The Obstacle is the Way și Ego is the Enemy „În Atomic Habits, Clear îți va arăta cum să depășești lipsa de motivație, cum să schimbi mediul înconjurător ca să încurajezi succesul și cum să-ți faci timp pentru obiceiuri noi și mai bune.” – Glamour.com
