Luelen Bernart, who died about the end of World War II, was a member of a prominent Ponapean family in the southeastern part of the island. As a youth he attended the Protestant mission school at Ohwa (Oa) and the style of the bible permeates his own writing. Locally he was renowned for the wealth of his traditional knowledge, which he recorded, apparently for his family... The book of Luelen appears to have been by far the fullest such manuscript completed by any Ponapean up to the time of Luelen's death: the author himself seems to have seen it as a comprehensive account of Ponape from its creation to the time of first European contact. Myths and legends side by side with history and botanical lore thus create a rich source of information on Ponape and how it was seen by Ponapeans..."--Book jacket.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and

simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

One of the most personal and powerful acts a Christian can engage in is prayer. Yet many believers struggle with their prayer lives, wondering whether they are really making a difference and how they can be more effective. Delving deep into the biblical understanding of prayer, beloved author and leader Derek Prince shows readers the secret to leading a dynamic prayer life, how to receive what they ask for, and how to align themselves with the heart of God. Practical

strategies like fasting, biblical study, discipline, and consistency are extensively explained and illustrated by powerful testimonies. This is a life-changing book.

Commentary on John Zondervan

The psychology classic—a detailed study of scientific theories of human nature and the possible ways in which human behavior can be predicted and controlled—from one of the most influential behaviorists of the twentieth century and the author of *Walden Two*. “This is an important book, exceptionally well written, and logically consistent with the basic premise of the unitary nature of science. Many students of society and culture would take violent issue with most of the things that Skinner has to say, but even those who disagree most will find this a stimulating book.” —Samuel M. Strong, *The American Journal of Sociology* “This is a remarkable book—remarkable in that it presents a strong, consistent, and all but exhaustive case for a natural science of human behavior...It ought to be...valuable for those whose preferences lie with, as well as those whose preferences stand against, a behavioristic approach to human activity.” —Harry Prosch, *Ethics The Book of Hallowe'en* Houghton Mifflin Harcourt

This book discusses the depictions of the cult and its personnel in the twelve prophetic books commonly referred to as "The Book of the Twelve" or "The Minor Prophets." The articles in the volume explore the following questions: How did these prophetic writers envision the priests and the Levites? What did they think about the ritual aspects of ancient Israelite faith, including not only the official temple cult in Jerusalem but also cultic expressions outside the capital? What, in their views, characterized a faithful priest and what should the relationship be between his cultic performance and the ways in which he lived his life? How does the message of each individual author fit in with the wider Israelite traditions? Finally, who were these prophetic authors, in which historical contexts did they live and work, and what stylistic tools did they use to communicate their message?

Learn the secrets of the most frightening, fun-filled day of the year! The only day when the forces of darkness are openly celebrated, Halloween comes down to us from the strange, shrouded mists of antiquity, originating in the pagan world and the primitive ceremonies that honor Samhain, the dark, mysterious Lord of the Dead, at a time when the veil between our world and theirs is at its thinnest. The strange and weird customs and beliefs of our ancestors live again, every October 31st, in the only day of the year when it is considered okay to dress in frightening costumes, to go door to door begging, and to feast on fear. A true classic in the literature of pagan lore, you will

find this book frightening, fascinating and fun!

The Third Book Of St. Irenaeus, Bishop Of Lyons, Against Heresies BoD – Books on Demand

Encapsulating as it does research that has been undertaken on the sociological, anthropological and political aspects of the history of ancient Israel, this important book is designed to follow in the tradition of works in the series sponsored by The Society for Old Testament Study which began with the publication of *The People and the Book* in 1925. *The World of Ancient Israel* is especially concerned to explore in greater depth than comparable studies the areas and degrees of overlap between approaches to the subject of Old Testament research adopted by scholars and students of theology and the social sciences. Increasing numbers of scholars have recognised the valuable insights that can be gained from a cross-disciplinary approach, and it is becoming clear that the early biblical traditions about the formation of the Israelite state must be examined in the light of comparative anthropology if useful historical conclusions are to be drawn from them.

Sequel to the Sunday Times bestselling and Lodestar award-nominated *A Deadly Education* 'The dark school of magic I have been waiting for' Katherine Arden, author of *The Bear* and the *Nightingale* 'Fantasy that delights on every level' Stephanie Garber, author of *Caraval*

Return to the Scholomance - and face an even deadlier graduation - in the stunning sequel to the ground-breaking, Sunday Times bestselling *A Deadly Education*. The dark school of magic has always done its best to devour its students, but now that El has reached her final year -- and somehow won herself a handful of allies along the way -- it's suddenly developed a very particular craving . . . For her. As the savagery of the school ramps up, El is determined that she will not give in; not to the mals, not to fate, and especially not to the Scholomance. But as the spectre of graduation looms -- the deadly final ritual that leaves few students alive -- if she and her allies are to make it out, El will need to realise that sometimes winning the game means throwing out all the rules. _____ Wry, witty, endlessly inventive, and mordantly funny -- yet with a true depth and fierce justice at its heart -- this enchanting novel reminds us that there are far more important things than mere survival.
