## MAY JESUS

Cowy Cow National Geographic Books Banishment from his life's calling can't keep a comically overconfident detective down in the latest episode by New York Times bestseller Stephan Pastis. This book was never meant to exist. No one needs to know the details. Just know this: there's a Merry, a Larry, a missing tooth, and a teachers' strike that is crippling Timmy Failure's academic future. Worst of all, Timmy is banned from detective work. It's a conspiracy of buffoons. He recorded everything in his private notebook, but then the manuscript was stolen. If this book gets out, he will be grounded for life. Or maybe longer. And will Timmy's mom really marry Doorman Dave?

## Now Look what You Have Done

Timmy Failure  
 A lyrical nonfiction picture book about the inspired life of C. S. Lewis, the beloved author of the Chronicles of Narnia—from Free as a Bird author-illustrator Lina Maslo. Perfect for fans of The Important Thing About Margaret Wise Brown and Some Writer!: The Story of E.B. White. As a child, Clive Staples Lewis imagined many things . . . heroic animals and knights in armor and a faraway land called Boxen. He even thought of a new name for himself—at four years old, he decided he was more of a Jack. As he grew up, though, Jack found that the real world was not as just as the one in his imagination. No magic could heal the sick or stop a war, and a bully's words could pierce as sharply as a sword. So Jack withdrew into books and eventually became a well-known author

for adults. But he never forgot the epic tales of his boyhood, and one day a young girl's question about an old family wardrobe inspired him to write a children's story about a world hidden beyond its fur coats . . . a world of fauns and queens and a lion named Aslan. A world of battles between good and evil, where people learned courage and love and forgiveness. A magical realm called Narnia. And the books he would write about this kingdom would change his life and that of children the world over. Share this magical nonfiction picture book at home or in the classroom.

For use in schools and libraries only. The irrepressibly overconfident young sleuth resolves to catapult his detective agency to global fame through the Miracle Report

in spite of a temporary setback involving academic probation.

[Lost in the Clouds](#) StarWalk Kids Media Meet Carmen! She LOVES the spotlight and applause. She's an actress, a singer, a dancer—a one-girl *sensación*! She exhausts her parents with her nightly performances and completely overshadows Eduardo, her adoring little brother. But when Eduardo shows his big sister how much he loves her in a way even Carmen can't ignore, will Carmen realize that the stage is big enough for two? Exuberant illustrations by Lorena Alvarez Gómez offer the perfect complement to Anika Denise's warm, Spanish-sprinkled text in this celebration of theater, family, and imagination. *Timmy Failure: Now Look What You've Done* Andrews McMeel Publishing We Meet Again

**Timmy Failure: The Cat Stole My Pants** Pan Macmillan

Now an original film on Disney+ “An endearingly pathetic antihero with delusions of greatness. . . . Seldom has failure been so likable — or so funny.” — The Wall Street Journal Take Timmy Failure—the clueless, comically self-confident CEO of the best detective agency in town, perhaps even the nation. Add his impressively lazy business partner, a very large polar bear named Total, and what you have is Total Failure, Inc. From the offbeat creator of *Pearls Before Swine* comes an endearingly bumbling hero in a hilarious caper accompanied by a whodunit twist. With perfectly paced visual humor, Stephan Pastis gets readers snorting with laughter, then slyly carries the joke a beat further—or sweetens it with an unexpected poignant moment—making this a comics-inspired and New York Times best-selling story that truly stands apart from the pack.

[We Meet Again](#) National Geographic Books In the sixth book in Stephan Pastis's hilarious series, Timmy is being threatened and must rely on his new partner to solve the mystery — and possibly save his life! Timmy is in Key West, Florida, ostensibly for the honeymoon of his mother and Doorman Dave — if they even got married, which Timmy doubts. Unfortunately for Timmy, crime doesn't take a vacation. And because Total has fled to Cuba seeking political asylum, Timmy must rely on a new partner for help: Doorman Dave's nephew Emilio. Meanwhile, a surprise newcomer shows up in Timmy's life and, as if things couldn't get more hectic, Timmy's pants have been stolen by a six-toed cat.

*Mistakes Were Made* HarperCollins Wars are terrible things. I know this because I've read about a lot of them on Wikipedia. And also because I was just in one. It was me against my brother, Reese. That might not sound like a war to you. Trust me. It was. This is the story of the terrible war between twins, Reese and Claudia Tapper. It began with a cruel and senseless sneak attack in the school cafeteria on Monday, September 8th, at approximately 8:27 a.m. Or possibly it began in the Tapper family kitchen, earlier that morning, with the greedy guzzling of the last brown sugar cinnamon toaster pastry. What really happened? It depends on who you speak to . . .

In the series finale, Timmy Failure and his class create a hilarious film about his life — just in time for the holidays. Though I, Timmy Failure, have solved many notorious crimes and now wish to enjoy my retirement, my fans have begged me to turn my memoirs into a movie, an ode to my greatness. I am, however, beset by enemies, the worst of whom is Tom John John, the buffoonish movie director. What's more, my father is in town, working at a bar, which is obviously just a cover for our father-son crime-fighting partnership. And my dim-witted polar bear business partner, Total, wants to be reunited with his family. I should have known it would end like this. I expected more.
