LYDIA MAXIMILLIAN

Faxing Friends Rowman & Littlefield

In this 1997 book, Alison Mackinnon traces the history of women's challenges to changes in education, employment, reproductive science and law. She shows the connection between the lives of the first generation of women university graduates and the sudden decline in the national birthrate. So dramatic was this shift that it sparked a Royal Commission into its cause. Alison Mackinnon's extensive research shows that the declining birthrate was not simply the result of 'selfish', educated, young women refusing to bear the burdens of motherhood, but was symptomatic of a larger questioning of the role of women in procreation, the role of women in marriage and the institution of marriage itself. Utilising social and government history, autobiography and statistical analysis, this book shows that 'the Marriage Problem' exists as much in the 1990s as it did in the 1890s. Men and women today are still challenging the boundaries between work and home, profession and private life, trying to find a way to have it all.

The Atlantic Bernan Press

According to the author, it is necessary for readers to get rid of toxic self-defeating messages and choose positive changes. The author shows new perspectives to develop a higher self-worth to finally learn how to love.

The Atlantic Monthly McGraw Hill Professional

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

American Home Bernan Press

When Kate Lock first met Tim Franklin she was a naive undergraduate, and he was a charismatic mature student. One night in the pub he casually revealed that he was a 'lifer'. A domestic dispute had taken a tragic turn, an accidental death, he said. It was the start of an explosive relationship which began in passionate union and ended in emotional cruelty. But it was only when Kate tried to leave him that she discovered how potentially dangerous he really was. And only when he died, leaving her a legacy of murder to investigate, did she understand the Machiavellian deception of the man and the pathological pattern of his love. *Dangerous Love* is a stunning memoir of a true romance that became a living nightmare, and ended with the discovery of a Christie-style murder that rocked the North.

New York Magazine Bernan Press

Holiday celebrations in the United States are a major force driving the nation's approximately \$3 trillion retail economy. The commercial culture of holidays extends from the traditional -- decorations, costumes, and cards -- to the immaterial and ephemeral -- phone calls, airline tickets, and department store bills. Simultaneously colorful presentation and careful analysis, *The Business of Holidays* interprets holiday commerce and design, corporate culture, and tradition (invented and inherited). This volume consists of more than thirty-five essays arranged according to the calendar year, from New Year's Day and Martin Luther King, Jr. Day to Christmas, Hanukkah, and Kwanzaa, and explores longstanding holiday images, such as Santa Claus and shamrocks, as well as quirkier aspects of visual culture. The rites that surround these special days have been adopted, or even invented by, the pervasive marketing that surrounds them to such an extent that the celebration of holidays and the business of holidays have become inseparable.
