The Inner Philosopher Houghton Mifflin Harcourt P

An older man, a younger woman, an irresistible attraction. My BFFs and I made a pact the last month of high school: No one was going to college a virgin. The only question was, who would we choose? I knew exactly who I wanted. My teacher, Mr. Parker. I might have just graduated, but I was still his student. But Mr. Parker isn't teaching me anything in that boring civics textbook any longer. He's bossy. He's demanding. He's so much older than I am. And he's opening my eyes, teaching me exactly how pleasurable surrender can be.

A gargoyle must save Christmas for the king and queen of the werewolves in this paranormal romance short story from the author of *Hunt the Darkness*. A gargoyle of Levet's charm and intelligence should not be facing a solitary Christmas. True, he may appear a little unconventional—not to mention unconventionally little—even for a gargoyle. But what Levet lacks in height he makes up for in loyalty, and being banned from the festivities surrounding the Queen of Weres' new pups is quite unfair. So when a beautiful Christmas angel begs for help in fulfilling her duties, Levet has nothing better to do than agree. Armed with a magical wand, Levet confronts Damon, a pureblood Were intent on seizing the throne. Challenging the King will put the pups at risk—and drive away Damon's potential mate, Gia. Who better to convince Damon to choose love, not war, than a gargoyle expert in amour? With a little magic, and a lot of Levet,

Poetry. Latinx Studies. Jewish Studies. Translated from the Spanish by Seth Michelson. “The poems in Tamara Kamenszain's book *THE GHETTO* breathe and live boldly and beautifully in Seth Michelson's spot-on translations. Written in Spanish, with the ghosts of Hebrew and Yiddish never far in the background, these poems cast a discerning eye toward the meaning of words such as 'ghetto,' 'exile,' and 'ancestors' in a world of borders, edges, and death. Yet, as in the poetry of Paul Celan, one of the guiding spirits of this book, what is beautiful is never fully abandoned.

'Today in the crowns of the trees all my roots flower,' she writes in the poem 'Tree of Life,' offering vision and salvation from within the landscape of a Jewish cemetery in Buenos Aires.

Thanks to Seth Michelson, this book is now a marvelous and significant contribution to English language as well as

Argentinean verse.”--Gail Wronsky

When an irresistible witch seduces a vampire, their desire is dangerously powerful in this supernatural romance by the New York Times bestselling author. Always in control, the vampire Roke never lets his raw sensuality get the better of him. Yet somehow he's allowed the unthinkable to happen: a nymph-like witch named Sally has tricked him into mating with her. The pair will remain bound for eternity unless Sally breaks the spell. The trouble is, she has no idea how. Mating with Roke was an accident; at least that's what Sally keeps telling herself. Now, to release the spell, she must go on the hunt for her demon father. The search won't be easy with Roke shadowing Sally's every move. As they mate with a ferocity that leaves them both aching for more, Sally isn't sure if her world is more dangerous with Roke—or without him.

Reproduced from the 1948 edition of *The Home Place*, the Bison Book edition brings back into print an important early work by one of the most highly regarded of contemporary American Writers. This account in first-person narrative and photographs of the one-day visit of Clyde Muncy to "the home place" at Lone Tree, Nebraska, has been called "as near to a new fiction form as you could get." Both prose and pictures are homely: worn linoleum, an old man's shoes, well-used kitchen utensils, and weathered siding. Muncy's journey of discovery takes the measure of the man he has become and of what he has left behind.

In the 16 spirited conversations comprising this volume, authors
 Lou Marinoff and Daisaku Ikeda revive and celebrate philosophy
 as an accessible source of wisdom and courage for everyone. For
 Marinoff and Ikeda, the philosophies of Shakyamuni Buddha, Lao
 Tzu, Confucius, Aristotle, and Socrates are as relevant now as
 when first articulated more than 2,000 years ago. They are
 motivated by the conviction that philosophy should do nothing
 less than help draw forth an inner strength to face and surpass
 life's inevitable hardships and challenges—showing here that
 wisdom is never out of reach and opportunities for positive
 transformation are many.
