"[A] comic masterpiece." —People magazine's "Book of the Week" "A charming comedy on love, friendship, and the surprising influence of man's best friend." —Harper's Bazaar National Book Award finalist and bestselling author Meg Rosoff's charming, hilarious new novel about a young New Yorker's search for happiness and the two dogs who help him find it—the perfect summer read Jonathan Trefoil's boss is unhinged, his relationship baffling, and his apartment just the wrong side of legal. His girlfriend wants to marry someone just like him—only richer and with a different sense of humor. He doesn't remember life being this confusing, back before everyone expected him to act like a grown-up. When his brother asks him to look after his dogs, Jonathan's world view begins to shift. Enchanting memoir of a struggling writer living and working in the eccentric Parisian bookshop, 'Shakespeare and Company' 'Completely riveting ...a vivid picture of modern Paris' OBSERVER 'Shakespeare and Company' in Paris is one of the world's most famous bookshops. The original store opened in 1921 and became known as the haunt of literary greats, such as Ernest Hemingway, F. Scott Fitzgerald, George Bernard Shaw, Ezra Pound, Gertrude Stein and James Joyce. Sadly the shop was forced to close in 1941, but that was not the end of 'Shakespeare and Company'... In 1951 another bookshop, with a similar free-thinking ethos, opened on the Left Bank. Called 'Le Mistral', it had beds for those of a literary mindset who found themselves down on their luck and, in 1964, it resurrected the name 'Shakespeare and Company' and became the principal meeting place for Beatnik poets, such as Allen Ginsberg and William S. Burroughs, through to Henry Miller and Lawrence Durrell. Today the tradition continues and writers still find their way to this bizarre establishment, one of them being Jeremy Mercer. With no friends, no job, no money and no prospects, the thrill of escape from his life in Canada soon palls but, by chance, he happens upon the fairytale world of 'Shakespeare and Co' and is taken in. What follows is his tale of his time there, the curious people who came and went, the realities of being down and out in the 'city of light' and, in particular, his relationship with the beguiling octogenarian owner, George.

Journalist Jenny Valentish takes a gendered look at drugs and alcohol, using her own story to light the way. Mining the expertise of 35 leading researchers, clinicians and psychiatrists, she explores the early predictors of addictive behaviour, such as trauma, temperament and impulsivity. Drawing on neuroscience, she explains why other self-destructive behaviours - such as eating disorders, compulsive buying and high-risk sex - are interchangeable with problematic substance use. From her childhood in suburban Slough to her chaotic formative years in the London music scene, we follow her journey to Australia, where she experiences firsthand treatment facilities and AA groups, and reflects whether or not they are meeting the needs of women. *Woman of Substances* is an insightful, rigorous and brutally honest read. In Australia it was nominated for a prestigious Walkley Book Award. 'Employing expert interviews and research, each rich personal episode is contextualised within the under-examined issue of women's substance abuse. Detailed, insightful and told with a feature writer's narrative flair' Bookseller and Publisher. 'Engages readers with storytelling while presenting scientific findings and theories in a way that is accessible to a broad audience' Broadsheet. 'Part monograph, part memoir, part Ginsbergian howl of outrage at a culture in which gender bias is a tenet. It is a work of compellingly articulate anger' The Australian. 'In straightforward, lively prose she relates even her darkest moments without self-pity or aggrandisement, and often with a streak of gallows humour, leading to more laugh-out-loud lines than you might expect' The Saturday Paper. 'We need books like this, and writers like Valentish, to give voice to our frustrations and concerns, to help legitimise and mobilise' Kill Your Darlings. 'Valentish's passion lies in exploring the underlying causes and their effects and, in the most female of ways, offering companionship and reassurance for her readers' The Monthly. 'Doesn't mince her words' Sydney Morning Herald.
