The Kama Sutra (/ˈkɑːmə 'suːtrə/; Sanskrit:

कामसूत्रम्, About this soundpronunciation (help-info), Kāmasūtra) is an ancient Indian Sanskrit text on sexuality, eroticism and emotional fulfillment in life.

Attributed to Vātsyāyana, the Kama Sutra is neither exclusively nor predominantly a sex

manual on sex positions, but written as a guide to the "art-of-living" well, the nature of love, finding a life partner, maintaining one's love life, and other aspects pertaining to pleasure-oriented faculties of human life. Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and

anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire,

what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO

world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became "one of the most pirated books in English language" soon after it was published in 1883 by Richard Burton. This first European edition by Burton does not faithfully reflect much in the Kamasutra because he revised the collaborative translation by

Bhagavanlal Indrajit and Shivaram Parashuram Bhide with Forster Arbuthnot to suit 19th-century Victorian tastes. Kama Sutra Da Capo Lifelong Books

★ Do you want to know everything about Kama sutra? Your Customers Will Never Stop To Use This Amazing Guide! In this book, we'll explore the ideas of Kama Sutra and discover how it can re-connect you with one another, through that invisible umbilical cord that mutually and continually feeds you and your relationship. We'll find out how that existing connection can be the source of renewed sexual joy in your relationship; how it can make the difference between a

long-term live-in friendship, and a vibrant, life-long sexual relationship between committed lovers and partners. Being in a committed, loving relationship always seem so easy and natural when we first set our feet on the path. Hand in hand, we walk into the future as a couple, swept away in our love for one another; believing that "forever" isn't such a long time in the company of the one we adore. But life in a long-term romantic relationship isn't as easy

as many of us have been led to believe. It's not just about the compromise, listening and understanding. Let's be honest and admit that it's also about the sex. Sexuality in a long-term relationship or marriage can dwindle over the years. If we have children, their arrival can change the nature of our sexuality. First and foremost is the inevitable transformation of our roles from life-long lovers to parents and guardians. There's also the stress of child-rearing. The baby

who won't go to sleep. The dirty nappies. The shift of focus from each other to the new life that demands our care and attention. Some say sexuality between long-time partners can be re-ignited by "spicing things up". Costumes, saucy talk and sex aids can come into play to perhaps make things more fun. But what's really at the basis of your love? What's really the true cornerstone of your relationship? Is there something deeper you can draw on as a resource to lift up your sexuality

and make it as enduring as the love you share? It can be hard to believe that your sex life can be improved and changed by words written in a text, but it can. In fact, improving your sex life can be done without help at all, but you need to know yourself 100% if you ever expect to please someone else (inside and outside of the bedroom). There are so many ways in which each of us are pleased via sexually. Finding out what pleases each and every one of us is the difficult part. The

Kama Sutra states that all of us can find pleasure and desire in one another, but only if certain factors are taken into account. This book covers: Is Sexual Compatibility important? Overcome sexual anxiety, shyness and insecurity Turn a boring relationship in an exciting couple game The Top sexual fantasies revealed How to create the right intimacy The best sex positions for couples Increase sexual passion with dirty sexy games Top foods to enhance stamina and

libido in your sex With this book, you will be able to identify and implement steps that will change the way you look at yourself, life and sex. The Modern Kama Sutra Quiver

What is the Kama Sutra? Is it a spiritual text written by a visionary man of wisdom in India almost two millennia ago? Or is it the world's first mucky book? Well, it's the former - it's a spiritual text written by a visionary man of wisdom in India almost two millennia ago. Though shocking for its time, the Kama Sutra has gone on to become the world's most respected guide book on all matters sexual, and is now on top

of the wardrobes or under the beds of over sixty percent of the world's teenage boys. It is a common and misconceived belief among the younger generations that sex is something not only void in the minds of our senior citizens, but is most likely physically impossible for those who are at or beyond retirement age. The glorious truth may come as a bit of a shock

to the youth of today - it may even conjure up images in their minds best left 'till after lunch! The world's oldies are sexually active. New and exciting research has uncovered startling new evidence that oldies are still 'at it', and still 'do it' whenever they don't have a bad back. Can it be true? Are our most senior citizens getting their wrinkly legs over? If you are an older person, take heart - there's a lot of dusty

action out there. Sex in the twilight years, though similar in mechanics to the couplings of youth, is in fact vastly different. This book exposes the secret world of grey love and covers every aspect of senior congress - from geriatric anatomy and attraction, through to mating rituals, sex positions, post-sex heart condition medication and proper service and care of pace makers.
