*You Wouldn't Want to Be a Suffragette!*  
The Salariya Book Company  
As if the plague wasn't bad enough, here comes the fiery antidote! As famous diary-keeper Samuel Pepys, you'll witness four days and four nights of fire and live to tell the tale. Find out how people lived in the London of 1666, how they coped in the aftermath and all importantly, whodunnit! - or at least who we think dunnit! This title in the best-

selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like living through the Great Fire of London in 1666. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key

Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

*You Wouldn't Want to be an American Pioneer!* The Salariya Book Company Get ready... as the captain of a Spanish treasure ship sailing in the Spanish Main, you're about to get captured as a pirate's prisoner! Pirates have many ingenious tortures, and once they have got what they want from you, the best you can hope for is to be marooned on an island. This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing reaworld warders at the centre of the history, encouraging them to become emotionally-involved

with the characters and aiding their understanding of what life would have been like as a pirate's prisoner. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

*You Wouldn't Want to Live Without The Internet!* The Salariya Book Company The spread of female suffrage is one of the success stories of the 20th century, but it was not achieved without a great deal of hardship. Eyewitnesses tell the story from both sides of the Atlantic, and we learn that even today there is still some way to go. This title in the best-

selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like as a Suffragette. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

*You Wouldn't Want to Live Without Immunisation!* The Salariya Book

Company

Learn the surprising truth about just how important poo really is: it keeps our bodies healthy, and can also be used to power our cars, heat our homes and help grow our crops. *You Wouldn't Want to Live Without Poo!* is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text.

Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.

*You Wouldn't Want to Be on the Hindenburg!* The Salariya Book Company Can you imagine what your life would be like without glass? You use glass every day, from the mirror you look in when you wash your face in the morning to the bulbs that light up your home after dark. All sorts of foods are stored in glass bottles and jars. Many of your electronic gadgets have glass screens. And the signals that carry your texts and let you surf the web make part of their journey along glass communications cables. You

Wouldn't Want to Live Without Glass! is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better

place. Each volume includes a timeline and a list of 'Did You Know?' facts. *You Wouldn't Want to Live Without Robots!* The Salariya Book Company As a man brought up in a British coal-mining village in the 1860s, you have to endure the dangers and difficulties of working underground in a Victorian mine. Learn how to get by with a succession of 'Handy hints', such as not forgetting to take a canary down the mine with you. Find out how pit ponies are used, how the coal is mined, and how to survive deep underground. You'll soon learn that you really wouldn't want to be a Victorian miner! This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative

approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like working as a Victorian miner. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

**You Wouldn't Want to Be a Pirate's Prisoner!** The Salariya Book Company What would life be like if you had to do without modern inventions? How would you cope without a toilet or live without electricity? Starting from these thought-

provoking questions, each title takes us on a historical journey to see how people coped in the past, and how they developed ingenious ways to make life safer and more pleasant. Key Features: Full-color cartoon-style original illustrations that make the books fun and attractive to reluctant readers A simple timeline providing an easily understood history of the subject A Top Tip offering helpful advice on what you should or shouldn't do in a tricky situation A How It Works section explaining the science behind the technology A You Can Do It! section which describes a simple, safe experiment, or an action you can take to help make the world a better place A helpful glossary and index in each book

*You Wouldn't Want to be a Victorian Servant!* Franklin Watts  
 Money is one of the most important inventions in the history of human civilisation, allowing people to exchange goods and services, and amass great wealth and power. This book tells the story of money, from its origins to the rise of the banking system and beyond. *You Wouldn't Want to Live Without Money!* is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.

**You Wouldn't Want to Live Without Libraries!**

The Salariya Book Company You might not like numbers when you have to do your maths homework, but it would be hard to live without them. Imagine how difficult life would be if you couldn't count things or be precise about time, distance or price. You wouldn't know how old you are, or how long you have to wait until it's the holiday. We couldn't build anything accurately, we'd have no computers and you couldn't even go shopping. You Wouldn't Want to Live Without Numbers! is part of a brand-new science and technology strand within the internationally acclaimed You Wouldn't Want to Be

series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.

[You Wouldn't Want to Live in Pompeii!](#)  
The Salariya Book Company

"Besides being gross, what is the point of boogers and mucus? Read all about how these slimy substances help us digest our food and prevent us from becoming sick. You'll also find out just what this sticky stuff is made of, why we produce more of it when we've got a cold, and what animals like slugs and snail do with their mucus!", "--Back cover. *You Wouldn't Want to Be a Victorian Miner!* The Salariya Book Company

Many dangerous diseases are carried by bacteria – tiny organisms that can get into the body and multiply inside it. Antibiotics are medicines that kill bacteria. They can be used to cure many diseases that were deadly in the past. This book tells the story of how antibiotics were discovered, and how they have transformed the treatment of

disease. *You Wouldn't Want to Live Without Antibiotics!* is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better

place. Each volume includes a timeline and a list of 'Did You Know?' facts.

### **You Wouldn't Want to Be Guy**

**Fawkes!** The Salariya Book Company As a young servant to Catholic conspirator and would-be assassin Guy Fawkes, you'll witness the secretive planning and thwarted execution of the infamous Gunpowder Plot of 1605 at first-hand. Plunge into a morally-murky world of political intrigue, persecution and religious extremism not so very far away from our own... This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the

characters and aiding their understanding of what life would have been like as Guy Fawkes. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

### You Wouldn't Want to Live Without Antibiotics! Franklin Watts

You are a young man in search of adventure who has joined the crew of the Endeavour in the 18th century. You'll see many amazing sights and meet some friendly and not-so-friendly natives as you explore with Captain Cook. This title in the best-selling children's history

series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like exploring with Captain Cook. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

[You Wouldn't Want to Live Without Sleep!](#) The Salariya Book Company  
Nasty stinging creatures that destroy

crops and spread disease – if that's your opinion of insects, read this fascinating book to discover the other side of the story. Without insects to pollinate flowers, we would have no fruit. Without bees, we would have no honey. Maggots are not pretty, but they help to make the world a cleaner and healthier place. *You Wouldn't Want to Live Without Insects!* is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers.

Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.

#### You Wouldn't Want to Be on Apollo 13!

The Salariya Book Company

What if we didn't have snot and mucus? The insides of our bodies would be very dry, and we would find it hard to digest our food. We would also quickly become sick, because mucus protects us from dirt in the air that we breathe. But what exactly is this sticky, slimy stuff and why do we produce more of it when we have

a cold? And what do animals like slugs and snails do with their mucus? You might find it a bit gross, but you wouldn't want to live without it! You Wouldn't Want to Live Without Snot! is part of a brand-new science and technology strand within the internationally acclaimed You Wouldn't Want to Be series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It

Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.

You Wouldn't Want to Live Without Pool!

The Salariya Book Company

A series which explores the grisly aspects of life in the past.

You Wouldn't Want to Live Without Glass! The Salariya Book Company

You're a princess born into the Egyptian royal family. But it's not easy living in the palace. From family betrayals to Roman generals, you will discover it's not easy being Cleopatra! This title in the best-selling children's history series, You Wouldn't Want To..., features full-colour illustrations which combine

humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like as Cleopatra. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

You Wouldn't Want to Live Without Clean Water! Children's Press(CT)

We depend on electricity in almost everything that we do. It gives us heat, light, transportation and entertainment.

Electricity has always existed, but it is only in the last 200 years or so that we have learned how to make use of it. Find out what electricity does for us – and how we managed without it in the past. *You Wouldn't Want to Live Without Electricity!* is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text.
