When Ruth Everhart was given the opportunity to travel to the Holy Land as one of several ministers taking part in a documentary about pilgrimage, she jumped at the opportunity. Little did she know just how demanding -- yet ultimately rewarding -- her transformation from Presbyterian minister, wife, and mom to pilgrim would be. Candid, down-to-earth, and delightful, Ruth recounts her experiences in Chasing the Divine in the Holy Land, inviting readers to journey alongside her on an unforgettable Holy Land pilgrimage. That women of fashion should travel further than the magasins of Paris, or the cameo-shops of Rome, is meritorious: that they should keep journals while on their travels is industrious and creditable, but that they should publish the said journals is somewhat supererogatory. Mrs. Dawson Damer, however, pleads charity as her excuse for adding to the stock of pink-parasol literature; and really she is so unaffected and good-humoured, so free from affectation and factitious enthusiasm, that one can excuse the flimsiness of the work, for the sake of its artlessness. Having travelled with apparently little more preparation in the way of reading or thought than she would have made for a rummage of Beaudrant's stores, she describes to us all that she saw at Athens; all the wonders of Constantinople; baths, mosques, bazaars; the Holy City of Jerusalem, a journey across the desert and the gorgeous cherry-coloured umbrella, which shaded Mehemet Ali, the most royal piece of finery she saw at Alexandria. In short, the good-humoured, superficial, positive Londoner is in every page of her journals.

The holy land from the air DigiCat

A pilgrimage to the Holy Land in 1998 involved going to places which have remained largely unchanged since before Jesus walked upon the earth; and a visit to the Holy Land can but enrich a love of the Gospels by going to where Jesus was conceived, to where He was born, to where He prayed and carried out His ministry as the Messiah. As someone who has personally experienced the healing power of the Risen Christ, it is especially meaningful to have stood where Jesus transformed peoples? lives through His miracles and preaching. It is inspiring to recall His Passion and Cross, treading the Via Dolorosa, following Jesus? footsteps to where, after His Crucifixion, He was to rise from the dead. Our faith in these mysteries can be strengthened by letting such wonders speak to us as we take in many sacred images, contemplating their Gospel accounts. In these holy places we can as if get nearer to God; the journey through this book is a journey which retraces the footsteps of Jesus in His own land, encouraging us, wherever we are, in our daily walk with Him.

The Power of God Forgotten Books

Christianity is an out-of-doors religion. From the birth in the grotto at Bethlehem (where Joseph and Mary took refuge because there was no room for them at the inn) to the crowning death on the hill of Calvary outside the city wall, all of its important events too place out--of-doors. Except the discourse in the upper chamber at Jerusalem, all of its great words, from the sermon on the mount to the last commission of the disciples, were spoken in the open air. How shall we understand it unless we carry it under the free sky and interpret it in the companionship of nature?-from the Preface A popular pastor, poet, and educator at the turn of the 20th century, Henry Van Dyke journeyed to Palestine and returned with a renewed vision of and devotion to Christianity. An appreciator of nature from earliest childhood, he brings a unique perspective to this storied land, offering "impressions of travel in body and spirit" that continue to inspire pilgrims and secular tourists alike. From the imposing immensity of the solitary, regal plateau of Judea to the close intimacy of the narrow, steep, slippery streets of Jerusalem, this 1908 book is like no other you'll find about the Holy Land, one that finds new faith and fresh wisdom in old land and ancient sky. Also available from Cosimo Classics: Van Dyke's The Spirit of America and The Spirit of Christmas OF INTEREST TO: students of Christianity, armchair travelers
