'It was down to Ayeisha now. If she saved the next penalty, Ireland, the tournament underdogs, would be in the final – for the first time ever.' Growing up in Larne in County Antrim, Ayeisha was fearless. If she wasn't climbing trees, she was playing soccer, Irish dancing or throwing the javelin. When Ayeisha discovered hockey, she was hooked! The Hockey Handbook Kate Meader Books

Originally published in 1951, and rejected at the time by one NHL coach as "the product of a three-year-old mind," Lloyd Percival's *The Hockey Handbook* went on to become an internationally recognized classic. Russian and European coaches seized on the book as the first authoritative, analytical treatment of hockey fundamentals and based their training regimes on the principles Percival described. The father of Russian hockey, Anatoli Tarasov, wrote to Percival: "Your wonderful book which introduced us to the mysteries of Canadian hockey, I have read like a schoolboy." Now, nearly half a century later, *The Hockey Handbook* remains in a class by itself. It is the first book required by players or coaches at all levels of proficiency who are setting out to develop their own or their team's hockey skills. Wayne Major, Larry Sadler, and Robert Thom are all experienced amateur hockey coaches who came to appreciate the practical value of Percival's pioneering work. In revising the text, they drew upon the expertise of a variety of specialists, including, for example, Dr. Tom Sawa, who updated the chapter on training and conditioning, to give *The Hockey Handbook* a new relevance to modern hockey coaches. Now redesigned and issued in an easy-to-use format, the book will serve as an inspiration and guide to future generations of players and coaches.

Can a spirited, down-to-earth influencer get an uptight hockey player out of his shell? Josh I am a warrior. That's been my motto since I recovered from a near-death accident when I was younger. Now I enjoy my nice, settled life in Dallas playing pro hockey—a boring life is better than being

dead. I'm not a party guy or an adventurer; I like my routine and peace and quiet. So being traded to New York is the worst possible change that could happen. And meeting unfiltered and fascinating Sara Carrington throws my life into even more chaos. Sara I've been considered weird my whole life, which is why I'm still a virgin, but I've turned it into a career with my YouTube videos. Who knew people would love watching me talk about my zits, taste-test meatless burgers, and try to learn TikTok dances! Now I'm launching a podcast. Getting hockey star Josh Heller as a guest will help gain listeners for sure. I expect a bearded jock with no teeth and nothing to say, but I get a hot as H-E-double-hockey-sticks grouch with a surprisingly dirty mind. My mission to make him laugh is successful, but I want to know why he's so uptight underneath that panty-dropping smile. Maybe I can teach Josh to have some fun . . . and maybe he can teach me a thing or two along the way. . . . I've been canned, my professional reputation is shredded, and now I'm walking dogs to make ends meet. But I still believe everything will work out. Somehow. Then a dog at the park attacks my friend's dog. At first, I'm ready to give the owner hell—but it turns out he's in desperate need of doggie daycare. I figure, why not? I love dogs and I need the cash. Too bad his cocky bad boy attitude annoys me. He's too damn cute for his own good. And I'm not talking about the dog. Easton: My coach is riding my ass and I'm not handling it well. When I'm saddled with an abandoned pooch, my teammate thinks a dog will keep my temper in check. I think I have enough problems already. But when my new dog gets into a tussle that leads me to meet a smoking hot chick who knows how to handle the rascal, I start to think pet ownership isn't all bad. At least it gives me an excuse to see Lilly again. . . . Neither of us are interested in a relationship. First they steal your bed, then they steal your heart. And I'm not talking about the dog. The 1969-70 season marked a turning point in the history of the National Hockey League. The season began with a near fatality and it culminated on a steamy

Sunday afternoon in Boston with one of the NHL's most iconic moments. In the interim, the 12 NHL clubs staged thrilling and memorable playoff races that were not decided until the final regular-season games were played. The three traditional powerhouse teams from the Original Six era faltered while former underdog clubs began to vie for top honors. Along the way, Boston's Bobby Orr made history by becoming the first defenseman to win the NHL scoring title, three aging veterans in Detroit combined to form the most effective forward line in hockey, and a rookie goalie, Tony Esposito, lifted the Chicago Black Hawks from the basement to a divisional championship. Told here are the numerous other wonderful, strange, and captivating incidents that made the fun, fascinating, and free-wheeling 53rd NHL season one for the ages.
