#### **Der Tote im Salonwagen**

Militzke  
Verlag

In "Dornenkleid", dem  
2. Buch der Thriller-  
Reihe nach dem  
Bestseller  
"Dornenmädchen",  
beschert Karen Rose  
ihren Lesern einen  
nervenerfetzend  
spannenden Trip in  
menschliche Abgründe.  
Ein Thriller, der unter  
die Haut geht, von der  
amerikanischen  
Bestseller-Autorin  
("Todesstoß",  
"Todesspiele",  
"Todesherz")!  
Cincinnati, Ohio: Der  
Journalist Marcus  
O'Bannion ermittelt mit  
Detective Scarlett

Bishop in dem brutalen  
Mord an einer jungen  
Philippinerin, die von  
einem skrupellosen  
Menschenhändler-Ring  
als Sex-Sklavin in die  
USA gelockt wurde. Um  
ihr Kartell zu  
verteidigen, gehen die  
Verbrecher über  
Leichen. Marcus und  
die hübsche Scarlett,  
die anfangs nicht  
ahnen, wie tief der  
Strudel aus Gewalt,  
Sex und Drogen reicht,  
müssen bald alle  
Register ziehen, um die  
Bande zu stoppen,  
denn auch für sie  
beginnt ein Kampf um  
Leben und Tod.

Drahtziehern eines

Attentats das Handwerk legen. Doch der Jäger wird bald selbst zum Gejagten ... Marina and Lee Cornell University Press  
Armies of Arabia is the first book to comprehensively analyze the armed forces of the Gulf monarchies. Zoltan Barany explains the conspicuous ineffectiveness of Gulf militaries with a combination of political-structural and sociocultural factors. Following a brief exposition on their historical evolution, he explores the region's six armies of the region comparatively, through the lenses of military politics, sociology, economics, and diplomacy. The book's themes come together in the last chapter that critically

evaluates the Saudi and Emirati armed forces' record in the on-going war in Yemen.

**Brunner, Ordnung Ins Chaos 2. a** Scholarly Title

Ordnung ist zwar nicht das halbe Leben. Doch wer sein Umfeld in Ordnung hält, kann viel Zeit und Energie sparen. Aber wie entrümpeln, Struktur reinbringen und vor allem dauerhaft halten? Antworten liefert Ihnen dieser Band - anschaulich, knapp und direkt in die Praxis umsetzbar.

Highlights - Schneller Überblick über wichtige Methoden, das eigene Umfeld in Ordnung zu halten - Zeit sparen, Nerven schonen - Knappe, anschauliche Darstellung; viele Grafiken, Beispiele und konkrete Tipps

1945-1989

HarperThorsons  
“The single best book ever written on the Kennedy assassination” -- Thomas Mallon, author of Mrs. Paine's Garage: And the Murder of John F. Kennedy “It is not at all easy to describe the power of Marina and Lee . . . It is far better than any other book about Kennedy . . . Other books about the Kennedy assassination are all smoke and no fire. Marina and Lee burns.” —New York Times Book Review Marina and Lee is an indispensable account of one of America's most traumatic events and a classic work of narrative history. In her meticulous—at times even moment by moment—account of Oswald's progress toward the

assassination of JFK, Priscilla Johnson McMillan takes us inside Oswald's fevered mind and his manic marriage. Only a few weeks after the birth of their second child, Oswald's wife, Marina, hears of Kennedy's death and discovers that Lee's rifle is missing from the garage where it was stored. She knows that her husband has killed the President. McMillan came to the story with a unique knowledge of the two main characters. In the 1950s, she worked for Kennedy and had known him well for a time. Later, working in Moscow as a journalist, she interviewed Lee Harvey Oswald during his attempt to defect to the Soviet Union. When she heard his name again on November 22,

1963, she said, "My God! I know that boy!" Marina and Lee was written with the complete and exclusive cooperation of Oswald's Russian-born wife, Marina Prusakova, whom McMillan debriefed for seven months in the immediate aftermath of the President's assassination and her husband's nationally televised execution at the hands of Jack Ruby. The truth is far more compelling, and unsettling, than the most imaginative conspiracy theory. Marina and Lee is a human drama that is outrageous, heartbreaking, tragic, fascinating—and real. To meet the challenges of globalization, unions must improve their understanding of the changing nature of corporate ownership structures and practices, and they must develop alliances and strategies appropriate to the new environment. Global Unions includes original research from

scholars around the world on the range of innovative strategies that unions use to adapt to different circumstances, industries, countries, and corporations in taking on the challenge of mounting cross-border campaigns against global firms. This collection emerges from a landmark conference where unionists, academics, and representatives of nongovernmental organizations from the Global South and the Global North met to devise strategies for labor to use when confronting the most powerful corporations such as Wal-Mart and Exxon Mobil. The workplaces discussed here include agriculture (bananas), maritime labor (dock workers),

manufacturing (apparel, automobiles, medical supplies), food processing, and services (school bus drivers). Kate Bronfenbrenner's introduction sets the stage, followed by contributions describing specific examples from Asia, Latin America, and Europe.

Bronfenbrenner's conclusion focuses on the key lessons for strengthening union power in relation to global capital.

*Mutant Message from Forever Oxford*

University Press

From the bestselling author of 'Mutant Message Down Under' comes a fabulous tale of aboriginal twins, separated at birth, and the search for their roots that takes them halfway across the

world. Marlo Morgan weaves the entrancing story of babies Geoff and Beatrice, who are taken from their mother by Christian missionaries. Geoff is sent to a sheep ranch, where he grows up wild, and is then uprooted to the US by an American minister. Beatrice is brought up by nuns in an Australian orphanage where for 18 years she encounters continual racism. The story follows them as they grow into adults and eventually meet again, to discover the different paths their lives have taken. Eventually both twins are reunited with the ageless values and healing wisdom that is their Aboriginal heritage.

**The Freedom of the Migrant** Routledge

Economic inequality has recently gained considerable academic attention. However, two important aspects of inequality have not been discussed systematically: its multidimensional nature and the question of what can be done to reverse it. This book offers insights from scholars representing the Global Labour University, which operates in Brazil, Germany, India, South Africa and the US. They analyse the various drivers of inequality, assess policy responses, and discuss counterstrategies. The main findings of this book are that rising levels of inequality cannot be addressed only with the standard policies responses, namely education,

redistribution and 'green growth'. In addition, the way markets currently function needs to be corrected. The chapters in this volume focus on specific fields of contemporary capitalism where important drivers of inequality are located, for example, the labour market; the financial system; the tax system; multi-national corporations; and gender relations. Other chapters discuss in detail where political opportunities for change lie. They critically assess existing countermeasures; the idea of a 'green economy' and its implications for inequality; and existing campaigns by trade unions and new social movements against

inequality. In line with the global nature of the problem, this book contains case studies on countries both from the north and south with considerable economic and political weight. This book provides academics, political practitioners and civil society activists with a range of ideas on how to drive back inequality. It will be of interest to those who study political economy, development economy and labour economics. *Eingereist und abgetaucht* Walter de Gruyter GmbH & Co KG Working with thousands of previously unreleased documents and drawing on more than one thousand interviews, with many witnesses speaking out for the first time, Joan

Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted, in 1969, a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. A Farewell to Justice reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored

soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-Castro Cuban asset, and a young runner for the conspirators, interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition, to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November

22, 1963. More than one hundred new pages add critical evidence and information into one of the most significant events in human history.

*Ausbildungsberuf Detektiv* LIT Verlag Münster

An insightful philosophical essay on the work of minimalist sculptor Carl Andre by Brooklyn-based poet and critic Jeremy Sigler (b.1968). While researching and editing the catalog for Andres recent retrospective at Dia Art Foundation, Sigler gleaned surprising new readings from a series of lost negatives that resurfaced at Dia. Shot by Andres close friend and collaborator Hollis Frampton in the 1960s, the photos depict small, carved wooden

artworks many lost or destroyed shortly after being photographed. Sigler draws connections between these early inchoate artworks and Andres later scatters, spills and floor pieces, all of which are analyzed through a compellingly personal lens. Writing on Andres poetry and his confounding book-length masterpiece, Still a novel, Sigler further proposes that Andres greatest contribution may be to literature. Is it possible that one of the modern eras greatest experimental love poets is hiding in plain sight, disguised as a unionized blue-chip art worker? Sigler taught at Yale University School of Arts, edited the Swiss art journal Parkett, and has published numerous

books of poetry.

Between the Lines  
 Don't miss the latest book in the Arkady Renko series, THE SIBERIAN DILEMMA by Martin Cruz Smith, 'the master of the international thriller' (New York Times) - available to order now!  
 'One of those writers that anyone who is serious about their craft views with respect bordering on awe' Val McDermid  
 'Makes tension rise through the page like a shark's fin'  
 Independent ? \*\*\*  
 Hidden in Los Alamos, New Mexico, amongst a massive expanse of Native American reservations, soldiers and scientists alike work in secret to create a weapon that will alter the course of the world forever.

Sergeant Joe Peña, a Native American historian and fighter, is recruited to assist three men looking for a location to test the first atomic weapon. In the middle of a blizzard, Peña leads physicist J. Robert Oppenheimer, General Leslie Groves and spy Emil Klaus Fuchs across a barbed-wire fence at Stallion Gate and into the future . . . Praise for Martin Cruz Smith 'The story drips with atmosphere and authenticity - a literary triumph' David Young, bestselling author of *Stasi Child* 'One of those writers that anyone who is serious about their craft views with respect bordering on awe' Val McDermid 'Cleverly and intelligently told, *The Girl from Venice* is a truly riveting tale of

love, mystery and rampant danger. I loved it' Kate Furnivall, author of *The Liberation* 'Smith not only constructs grittily realistic plots, he also has a gift for characterisation of which most thriller writers can only dream' *Mail on Sunday* 'Smith was among the first of a new generation of writers who made thrillers literary' *Guardian* 'Brilliantly worked, marvellously written . . . an imaginative triumph' *Sunday Times* 'Martin Cruz Smith's *Renko* novels are superb' William Ryan, author of *The Constant Soldier* *Combating Inequality* *Catapult* "The *Freedom of the Migrant* presents a series of reflections on national, ethnic, and cultural identity,

offering a unique perspective on such topics as communication, nomadism, housing, nationalism, migrant cultures, and Jewish identity."--BOOK JACKET.

### **The Silent University**

PublicAffairs

Across Europe the prospect of a rapidly shrinking workforce has put increased labor migration back on the political agenda. However for many on the political left concerns exist that less restrictive labor migration policies threaten core features of the social democratic project. This is perhaps clearest in Sweden which in late 2008 adopted a liberal approach to third-country national labor migration allowing employers to hire

freely from outside the European Union.

Defending the Swedish Model explores the debate leading up to this reform focusing on the preferences of the Swedish Social Democratic Party (SAP) and the Swedish trade union confederation (LO). While generally positive to the economic potential of increased labor migration these allies remained highly skeptical toward calls from employers and bourgeois parties for liberalization. Gregg Bucken-Knapp argues that the SAP and LO develop their labor migration policy preference on the basis of whether specific reform alternatives are perceived as being consistent with or as undermining the Swedish model in the

case of third-country nationals both allies considered liberalization a threat to full employment aims instead seeking to preserve an influential role for the state labor market board and organized labor. Bucken-knapp also focuses on the Swedish labor migration debate prior to the 2004 enlargement of the European union showing how SAP concerns over potential abuse of the universal welfare state led to its support for transitional arrangements defending the Swedish model illuminates the challenges faced by social democrats and trade unions when considering the need for increased labor migration Book jacket. A Farewell to Justice

Simon and Schuster  
How do we organize for progressive social change in an era of unprecedented economic, social, and ecological crises? How do political activists build power and critical analysis into their daily work for change? Grounded in struggles in Canada, the USA, and Aotearoa/New Zealand, as well as transnational activist networks, Organize! links local organizing with global struggles for social justice. From organizing immigrant workers to mobilizing psychiatric survivors, from arts and activism for Palestine to support for Indigenous Peoples, activists, academics, and artists reflect on the tensions and gains inherent in a diverse range of organizing contexts and

practices. Organize! encourages us to use history to shed light on contemporary injustices and how they can be overcome.

**Organize!** epublici While Richard Nixon's culpability for Watergate has long been established—most recently by PBS in 2003—what's truly remarkable that after almost forty years, conventional accounts of the scandal still don't address Nixon's motive. Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate—and other Washington offices—in just a few weeks? What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations

that resulted in Watergate? What was Nixon so desperate to get at the Watergate, and how does it explain the deeper context surrounding his crimes? For the first time, the groundbreaking investigative research in *Watergate: The Hidden History* provides documented answers to all of those questions. It adds crucial missing pieces to the Watergate story—information that President Nixon wanted, but couldn't get, and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein. This new information not only reveals remarkable insights into Nixon's motivation for Watergate, but also answers the two most

important remaining questions: What were the Watergate burglars after? And why was Nixon willing to risk his Presidency to get it? Watergate: The Hidden History reexamines the historical record, including new material only available in recent years. This includes thousands of recently declassified CIA and FBI files, newly released Nixon tapes, and exclusive interviews with those involved in the events surrounding Watergate—ranging from former Nixon officials to key aides for John and Robert Kennedy. This book also builds on decades of investigations by noted journalists and historians, as well as long-overlooked investigative articles from publications like

Time magazine, the Los Angeles Times, and the New York Times. **Auf dem Weg zum Jugendintegrationskonzept** Skyhorse Die bewährte Dokumentation der zeitgenössischen deutschsprachigen Literaturszene umfasst über 9.000 Einträge lebender Verfasserinnen und Verfasser schöngestiger Literatur in deutscher Sprache: Adressen, Lebensdaten, Mitgliedschaften, Auszeichnungen sowie 140.000 Veröffentlichungen; im Anhang u. a.: Übersetzer, Verlage, Literaturpreise, Fachverbände, Literaturhäuser, Zeitschriften, Agenturen; Festkalender, Nekrolog,

Übersicht.

### **Eingereist und abgetaucht**

Long known as "the world's only private citizen with a foreign policy," George Soros combines his razor-sharp sense of economic trends with his passionate advocacy for open societies and decency in world politics to come up with a workable, and severely critical, analysis of the Bush administration's overreaching, militaristic foreign policy. Soros believes that this administration's plans abroad come from the same sort of "bubble" psychology that

afflicted our markets in the late 1990s. They have used a real fact, our overwhelming military supremacy, to create a deluded worldview, that might makes right and that "you're either with us or against us," in the same way that the recent boom used a real fact, the growth in technology, to lead to a delusion, the "new economy." Like the best of the books that have responded quickly to world events, *The Bubble of American Supremacy* has a clear, intriguing, comprehensive thesis that makes necessary, and compelling, order of our seemingly disordered world.
