*Gathering Moss* Timber Press (OR)  
 Prepare to Encounter Goddesses, Daimons & Parallel Worlds  
 Sigmund Freud called dreams the "royal road to the unconscious," but to bestselling author and world-renowned dream explorer Robert Moss, they are more: portals to the imaginal realm, a higher reality that exists at the intersection of time and eternity. The traveler's tales in this book are just-so stories in the sense that they spring from direct experience in the many worlds. As you journey from the temple of the Great Goddess at Ephesus to an amazing chance encounter on an airplane, from Dracula country in Transylvania to the astral realm of Luna, you'll confirm that the doors to the otherworld open from wherever you are. You'll see what it means to live on a mythic edge and to make a deal with your personal Death for a life extension. At any moment, you may fall, like the author, into the lap of a goddess or the jaws of an archetype.

### Sinners of Magic Brill

### Starfell #2: Willow Moss & the Forgotten Tale CRC Press

'Kimmerer blends, with deep attentiveness and musicality, science and personal insights to tell the overlooked story of the

planet's oldest plants' Guardian 'Bewitching ... a masterwork ... a glittering read in its entirety' Maria Popova, Brainpickings Living at the limits of our ordinary perception, mosses are a common but largely unnoticed element of the natural world. Gathering Moss is a beautifully written mix of science and personal reflection that invites readers to explore and learn from the elegantly simple lives of mosses. In these interwoven essays, Robin Wall Kimmerer leads general readers and scientists alike to an understanding of how mosses live and how their lives are intertwined with the lives of countless other beings. Kimmerer explains the biology of mosses clearly and artfully, while at the same time reflecting on what these fascinating organisms have to teach us. Drawing on her experiences as a scientist, a mother, and a Native American, Kimmerer explains the stories of mosses in scientific terms as well as within the framework of indigenous ways of knowing. In her book, the natural history and cultural relationships of mosses become a powerful metaphor for ways of living in the world.

In a magical race around the world, there can only be one winner. My powers weren't enough to save my mother from an excruciating death. But I won't stand by and watch anybody else I love suffer. The spells I need to protect us all are locked away, sealed by a magic I can't break. The only key is conning my way into the magical elite and winning their deadly competition. I can't do it alone. Levi has my back. He's a strong witch, my best friend, and fiercest protector. Raphael might be my ex, but his vampire powers give us an edge. And then there's Isak. Dragon shifter, with his own secrets and reasons to win. But in a competition full of witches whose powers outweigh my own, dangers arise from every corner of the globe. Until one thing becomes clear. We aren't just playing to win. We're playing to live. Cursed in Love is the first book in a "why choose" paranormal romance trilogy. Order your copy today!

New legends for modern times; sprung from our ancient lands, stories and stones. 'Marvellous and menacing.' Daily Mail 'The shadow from which I thought I had unshackled myself has

returned. Whether this Horror is real or merely the handiwork of my imagination I cannot say. Nor can I say which of these possibilities disturbs me more.' from 'The Dark Thread' by Graeme Macrae Burnet From the legends of King Arthur embedded in the rocky splendour of Tintagel to the folklore and mysticism of Stonehenge, English Heritage sites are often closely linked to native English myths. Following on from the bestselling ghost story anthology *Eight Ghosts*, this is a new collection of stories inspired by the legends and tales that swirl through the history of eight ancient historical sites. Including an essay by James Kidd on the importance of myth to our landscape and our fiction, and an English Heritage survey of sites and associated legends, *These Our Monsters* is an evocative collection that brings new voices and fresh creative alchemy to our story-telling heritage. 'Nobody believes you when you talk about the whispering. Oh, Monny, you are funny, they say, you've such an imagination. There's a lot they don't believe.' from 'The Hand Under the Stone' by Sarah Hall The atmospheric locations: Edward Carey - Bury St Edmunds Abbey Sarah Hall - Castlerigg and other stone circles Paul Kingsnorth - Stonehenge Alison MacLeod - Down House Graeme Macrae Burnet - Whitby Abbey Sarah Moss - Berwick Castle Fiona Mozley - Carlisle Castle Adam Thorpe - Tintagel Castle

**Field Guide to Sphagnum Mosses in Bogs** New World Library My world was a gray blur until I met them. My shifters. The men who rescued me from the lie I was living. For a brief moment, even in the midst of chaos, I found happiness. Then Strand found me again. Now my new life hangs in the balance. Doctor Shepherd isn't done with his little experiment, and he wants me back, alive. When Strand hunters rip me away from everything good I fought so hard for, something inside me snaps. But when my wolf is finally called, her untamed power upends everything in my life--including my relationships with the four shifter men who mean more to me than anything. There's a monster inside me. And she'll either save me or destroy me. *Wolf Called* is the second book in *The Last Shifter* series, a reverse harem story intended for ages 18+. This book contains strong language, violence, sexual situations, and a heroine who doesn't have to choose between her

men.
