Millicent Min, Girl Genius (The Millicent Min Trilogy, Book 1) Scholastic Inc.

Transcending arguments over the definition of fantasy literature, *Rhetorics of Fantasy* introduces a provocative new system of classification for the genre. Utilizing nearly two hundred examples of modern fantasy, author Farah Mendlesohn uses this system to explore how fiction writers construct their fantastic worlds. Mendlesohn posits four categories of fantasy—portal-quest, immersive, intrusion, and liminal—that arise out of the relationship of the protagonist to the fantasy world. Using these sets, Mendlesohn argues that the author's stylistic decisions are then shaped by the inescapably political demands of the category in which they choose to write. Each chapter covers at least twenty books in detail, ranging from nineteenth-century fantasy and horror to extensive coverage of some of the best books in the contemporary field. Offering a wide-ranging discussion and penetrating comparative analysis, *Rhetorics of Fantasy* will excite fans and provide a wealth of material for scholarly and classroom discussion. Includes discussion of works by over 100 authors, including Lloyd Alexander, Peter Beagle, Marion Zimmer Bradley, John Crowley, Stephen R. Donaldson, Stephen King, C. S. Lewis, Gregory Maguire, Robin McKinley, China Miéville, Suniiti Namjoshi, Philip Pullman, J. K. Rowling, Sheri S. Tepper, J. R. R. Tolkien, Tad Williams

There's more to me than most people see. Twelve-year-old Willow would rather blend in than stick out. But she still wants to be seen for who she is. She wants her parents to notice that she is growing up. She wants her best friend to like her better than she likes a certain boy. She wants, more than anything, to mush the dogs out to her grandparents' house, by herself, with Roxy in the lead. But sometimes when it's just you, one mistake can have frightening consequences . . . And when Willow stumbles, it takes a surprising group of friends to help her make things right again. Using diamond-shaped poems inspired by forms found in polished diamond willow sticks, Helen Frost tells the moving story of Willow and her family. Hidden messages within each diamond carry the

reader further, into feelings Willow doesn't reveal even to herself. Diamond Willow is a 2009 Bank Street - Best Children's Book of the Year.
