LENNON DALTON

How To Teach Pronunciation (With Cd) Cambridge University Press
 Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar, and provides a quick source of reference in planning lessons and clarifying learners' problems. Each chapter includes a Typical difficulties section, which explores learners' problems and mistakes. The book encourages teachers to appreciate the range of factors which affect grammatical choices, but also introduces the 'rules of thumb' presented to learners in course materials. The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials. The book is organised thematically, but also provides a 'short cut' index at the beginning for ease of reference. There is also a Cambridge ELT website with further chapter-by-chapter extension exercises to accompany the book.
Learning Teaching Oxford University Press

"The Ultimate ESL Teaching Manual is the complete guide on how to teach English through controlled speaking activities (rather than traditional textbooks) which mimics how we learnt our native language as children but in a condensed period of time."-- Back cover.

Teaching English as a Second Or Foreign Language Cambridge University Press

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

Learner English MacMillan

Here is a practical tool for teaching communication in the language classroom, suitable for use with students from elementary to advanced level. The book contains instructions for over 100 different participatory exercises. For each activity, notes are provided for organization, time, and preparation. A comprehensive table of activities and an index also are included. Copyright © Libri GmbH. All rights reserved.

The TKT Course Modules 1, 2 and 3 Cavendish Square Publishing

The Routledge Handbook of English Language Teaching is the definitive reference volume for postgraduate and advanced undergraduate students of Applied Linguistics, ELT/ TESOL, and Language Teacher Education, and for ELT professionals engaged in in-service teacher development and/or undertaking academic study. Progressing from 'broader' contextual issues to a 'narrower' focus on classrooms and classroom discourse, the volume's inter-related themes focus on: ELT in the world: contexts and goals planning and organising ELT: curriculum, resources and settings methods and methodology: perspectives and practices second language learning and learners teaching language: knowledge, skills and pedagogy understanding the language classroom. The Handbook's 39 chapters are written by leading figures in ELT from around the world. Mindful of the diverse pedagogical, institutional and social contexts for ELT, they convincingly present the key issues, areas of debate and dispute, and likely future developments in ELT from an applied linguistics perspective. Throughout the volume, readers are encouraged to develop their own thinking and practice in contextually appropriate ways, assisted by discussion questions and suggestions for further reading that accompany every chapter. Advisory board: Guy Cook, Diane Larsen-Freeman, Amy Tsui, and Steve Walsh

The Third Edition of this AclassicA text incorporates a broader and more detailed analysis of issues relevant to language teachers. "The Practice of English Language Teaching" is full of practical suggestions and samples from actual teaching materials.

The Double Bass Mystery Level 2 Book with Audio CD Pack
OXFORD University Press

Seminar paper from the year 2011 in the subject Didactics - English - Pedagogy, Literature Studies, grade: 1,0, Technical University of Braunschweig (Englisches Seminar), course: Teaching English Grammar and/or Lexis, language: English, abstract: English as a world language is becoming more and more important in our culture, thereby affecting the English classroom and its participants. The whole process of teaching English has been changing during the last decades and so have the students. They already start learning their first foreign language at a primary school level and teachers have to be flexible to enable students to learn. Thereby teachers not only educate students what English is about and how it works, but also the usage of it and particularly communication skills. Every student has a different ability when learning a second language. Some grasp it easily and develop sympathy for it, others struggle and have difficulties which could lead to being demotivated and lack of interest. This leads to the question what an English teacher can and has to do, in order to teach students successfully. Nowadays teachers are supposed not only to educate, but also to create a suitable environment for learners. Therefore it is necessary to perform many different roles in the classroom to fully achieve the best learning development. Roles which have its own characteristics, work differently and have various aims. First, this leads to the question "what a role actually is" and I will give a short definition of it. Afterwards the various roles will be introduced and then described in detail. What are the characteristics of a role? What does it mean to perform it? Why is it necessary to do so? These questions will be answered later on. Finally, I will give a conclusion and a brief overview about the portrayed roles.

Solo Saxophone Level 6 Advanced Longman Publishing Group

Cambridge English Readers is an exciting new series of original

fiction, specially written for learners of English. Graded into six levels - from elementary to advanced - the stories in this series provide easy and enjoyable reading on a wide range of contemporary topics and themes. Penny Wade is a musician. She plays the double bass for the Barston Symphony Orchestra. They go on tour to Spain. But in Barcelona her double bass is lost and then one of the people on the tour is found dead. The Spanish Police think it's murder. But who, and why? Penny learns a lot about the other musicians and herself on her first trip to Spain. The audio CD contains a recording of the full text of the book.

The Routledge Handbook of English Language Teaching
Cambridge University Press

In the early 1990s, Katy, a young reporter, arrives in Sarajevo, a city under siege. "This is not my war or your war," a journalist explains. "We just report what we see, but we stay outside it. We mustn't get too near." But Katy does get too near and discovers the beauty and power of true hope, even in the brutal reality of war.

Keep Talking Cambridge University Press

A practical reference guide to help teachers to predict and understand the problems their students have.
