Marvel at this spectacular collection of full-colour graphic art of
 Godzilla and other Toho movie monsters by renowned artist
 KAIDA Yuji. For fans of big-screen monster films, KAIDA Yuji is a
 very well known name. Best known for his vivid illustrations of
 Godzilla and other popular Toho kaiju, some of Mr KAIDA's most
 beautiful work is presented here in this full-color flexicover
 volume. This book's 128 pages are packed with lush artwork,
 including a brand new piece showing Godzilla in London, created
 especially for this book. Whether you are an admirer of this
 Japanese master's work or just a fan of monster movie art, this
 book is an essential purchase!

 Godzilla Coloring Book By Numbers, For Kids And Adults, 30
 Images Godzilla Coloring From Easy To Difficult By Numbers, Only
 For Godzilla Lovers. I know very well how to deal with a child in
 your child's years, especially in learning, because I work as a
 professor. This appears well in my book because I have moved
 from simple exercises to move step by step to what is more
 difficult. This is what it termed Gradual learning. We have enabled
 the look-inside feature to make sure the content is very effective
 and appropriate for your child's age. We don't have to start with
 the child. Any exercise, how difficult was it. This is unhealthy for

your childAlso, we must not forget the motivational pages that make the child more willing to continue, and this is what we have in the bookWe have also put in place space for the mother and father to write a note on the child's achievement.Our book is very effective because we have been working in this field for a long timeAppropriate For girls and boysAdvice: Do not put your son in the learning cage while he reviews a lessonThis is a mistake, or you ask him to calm down and sit uprightThis is wrongThe child always loves to learn while he is moving at the same time, so this is the nature of children.Do not compare your way of learning with that of your childThis book is based on many different methods of learning that I have studied and applied with my studentsThe result is always good.

In his first long-form fiction since Beautiful You in 2014, the author of Fight Club and Choke delivers another biting social satire in this riches-to-rags novella! This hardcover edition features beautiful colorable illustrations by Steve Morris (Buffy the Vampire Slayer), who worked on Palahnuik's Bait: Off-Color Stories for You to Color, and Mike Norton (Revival, Battlepug), with a cover by another Bait collaborator, Duncan Fegredo (Hellboy). Legacy is sure to engage readers with its boundary pushing story-telling while challenging their creative side through its visionary and twisted colorable imagery. An amoral investment banker named Vincent receives an inheritance promising immortality. Unfortunately for Vincent to obtain immortality he has to contend with a flame-retardant stripper, a ruthless stalker, and a bloodthirsty horde of other aspiring immortals dead set in their desire to separate Vincent from his destiny. Praise for Bait: Off-Color Stories for You to Color: "The conceit is a blast. Ingenious...Palahniuk likes to involve his readers, and maybe even have them be co-conspirators. I loved this book. It's smart in a new way that deserves to be recognized. Congratulations once again to Palahniuk for showing us a new way to do things...and to make us involved."--FORCES OF GEEK "Chuck Palahniuk is pushing boundaries again."--COMICBOOK.COM

"There are over 30 Godzilla movies. In one movie, Godzilla talks! Godzilla's roar was created by stroking a double bass string with a leather glove. Godzilla's body is covered in scars. This is a reference to the marks born by the survivors of Hiroshima and Nagasaki. The original Godzilla suit weighed 220 lbs. Godzilla is the Cultural Ambassador of Japan despite the fact he's not real. He's fought The Avengers in the Marvel comics. Godzilla has a star on The Hollywood Walk of Fame. Godzilla flies in one movie."--Page 4 of cover

Ryan's Recovery: The Darkest Before the Dawn takes you on a journey of almost twenty years in time, starting in 2000 and ending in 2019. It is a story of heartache to triumph and everything in between, raising an autistic child. Ryan Ward went from being diagnosed as severely autistic with only echolalic speech, no need for human affection, and no understanding of the world around him, to becoming an artist and a working adult with high-functioning autism. The time line starts in the midst of recovery protocols and goes back in time to reveal the entire story. It is a story of climbing out of complete despair, confusion,

and depression, to standing up and making a difference. It truly shows you what it takes to put someone first in your life in every aspect. Everyone will say they put their children first, but when it comes to special-needs children, this phrase takes on an entirely different meaning. The book guides you through special diets, homeopathic protocols, several different therapies such as OT, PT, sensory, visual, behavioral, chiropractic, and craniosacral. It also touches on battles with school authorities, IEP meetings, and bullying. The story also shows how autism has the ability to interfere with marriages, relationships with other children in the family, social life, and just plain daily living. It does, however, also send the message that if you put your mind, heart, and soul into anything you want to accomplish, that nothing is impossible. It is a story that proves that when presented with a mountain that looks too high to climb, you find a way to tunnel under the mountain, go around the side of the mountain, or fly over it if you have to; but you never ever give up. In the end, the story will show you that no matter which way you choose to get to the other side of the mountain, you will indeed get there, and when you do, the feeling of accomplishment and pride in what you have done makes all the difficult times in the past only a stepping stone that got you there. What seemed impossible twenty years ago has now become reality, and walking through this journey with my now adult son has made me a stronger person and given me the confidence to know there is nothing that can't be obtained with the correct professionals, friends, family, and love.
